Should Contractor assign, transfer, convey, delegate, or otherwise dispose of any part of all or any part of its right, title or interest in this Agreement, City may, at its option, cancel this Agreement and all rights, titles and interest of Contractor shall thereupon cease and terminate, in accordance with Article VII. Termination, notwithstanding any other remedy available to City under this Agreement. The violation of this provision by Contractor shall in no event release Contractor from any obligation under the terms of this Agreement, nor shall it relieve or release Contractor from the payment of any damages to City, which City sustains as a result of such violation.

XIII. INDEPENDENT CONTRACTOR

Contractor covenants and agrees that it is an independent Contractor and not an officer, agent, servant or employee of City; that Contractor shall have exclusive control of and exclusive right to control the details of the work performed hereunder and all persons performing same, and shall be responsible for the acts and omissions of its officers, agents, employees, contractors, subcontractors and consultants; that the doctrine of "respondeat superior" shall not apply as between City and Contractor, its officers, agents, employees, Consultants, subcontractors and Contractors, and nothing herein shall be construed as creating the relationship of employer employee, principal agent, partners or joint venturers between City and Contractor. The parties hereto understand and agree that the City shall not be liable for any claims which may be assisted by any third party occurring in connection with the services to be performed by the Contractor under this Agreement and that the Contractor has no authority to bind the City.

XIV. SMALL BUSINESS ECONOMIC DEVELOPMENT ADVOCACY (SBEDA)

A. SBEDA Program

The CITY has adopted a Small Business Economic Development Advocacy Ordinance (Ordinance No. 2010-06-17-0531 and as amended, also referred to as "SBEDA" or "the SBEDA Program"), which is posted on the City's Economic Development (EDD) website page and is also available in hard copy form upon request to the CITY. The SBEDA Ordinance Compliance Provisions contained in this section of the Agreement are governed by the terms of this Ordinance, as well as by the terms of the SBEDA Ordinance Policy & Procedure Manual established by the CITY pursuant to this Ordinance, and any subsequent amendments to this referenced SBEDA Ordinance and SBEDA Policy & Procedure Manual that are effective as of the date of the execution of this Agreement. Unless defined in a contrary manner herein, terms used in this section of the Agreement shall be subject to the same expanded definitions and meanings as given those terms in the SBEDA Ordinance and as further interpreted in the SBEDA Policy & Procedure Manual.

B. Definitions

Affirmative Procurement Initiatives (API) – Refers to various Small Business Enterprise, Minority Business Enterprise, and/or Women Business Enterprise ("S/M/WBE") Program tools and Solicitation Incentives that are used to encourage greater Prime and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting goals and joint venture incentives. (For full descriptions of these and other S/M/WBE program tools, see Section III. D. of Attachment A to the SBEDA Ordinance.)

Centralized Vendor Registration System (CVR) – a mandatory electronic system wherein the City requires all prospective Respondents and Subcontractors that are ready, willing and able to sell goods or services to the City to register. The CVR system assigns a unique identifier to each registrant that is then required for the purpose of submitting solicitation responses and invoices, and for receiving payments from the City. The CVR-assigned identifiers are also used by the Goal Setting Committee for measuring relative availability and tracking utilization of SBE and M/WBE firms by Industry or commodity codes, and for establishing Annual Aspirational Goals and Contract-by-Contract Subcontracting Goals.

Certification or “Certified” – the process by which the Small Business Office (SBO) staff determines a firm to be a bona-fide small, minority-, women-owned, or emerging small business enterprise. Emerging Small Business Enterprises (ESBEs) are automatically eligible for Certification as SBEs. Any firm may apply for multiple Certifications that cover each and every status category (e.g., SBE, ESBE, MBE, or WBE) for which it is able to satisfy eligibility standards. The SBO staff may contract these services to a regional Certification agency or other entity. For purposes of Certification, the City accepts any firm that is certified by local government entities and other organizations identified herein that have adopted Certification standards and procedures similar to those followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in this Ordinance in Section III.E.6 of Attachment A.

Commercially Useful Function – an S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of a distinct element of the work of the contract and is carrying out its responsibilities by actually performing, staffing, managing and supervising the work involved. To perform a Commercially Useful Function, the S/M/WBE firm must also be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material, and installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it is actually performing and the S/M/WBE credit claimed for its performance of the work, and other relevant factors. Specifically, an S/M/WBE firm does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation, when in similar transactions in which S/M/WBE firms do not participate, there is no such role performed. The use of S/M/WBE firms by CONTRACTOR to perform such “pass-through” or “conduit” functions that are not commercially useful shall be viewed by the CITY as fraudulent if CONTRACTOR attempts to obtain credit for such S/M/WBE participation towards the satisfaction of S/M/WBE participation goals or other API participation requirements. As such, under such circumstances where a commercially useful function is not actually performed by the S/M/WBE firm, the CONTRACTOR shall not be given credit for the participation of its S/M/WBE subcontractor or joint venture partner towards attainment of S/M/WBE utilization goals, and the CONTRACTOR and S/M/WBE firm may be subject to sanctions and penalties in accordance with the SBEDA Ordinance.

Evaluation Preference – an API that may be applied by the Goal Setting Committee (“GSC”) to Construction, Architectural & Engineering, Professional Services, Other Services, and Goods and Supplies contracts that are to be awarded on a basis that includes factors other than lowest price, and wherein responses that are submitted to the City by S/M/WBE firms may be awarded additional Points in the evaluation process in the scoring and ranking of their proposals against those submitted by other prime CONTRACTORS or Respondents.

Good Faith Efforts – documentation of the CONTRACTOR’s or Respondent’s intent to comply with S/M/WBE Program Goals and procedures including, but not limited to, the following: (1) documentation within a solicitation response reflecting the Respondent’s commitment to comply with SBE or M/WBE Program Goals as established by the GSC for a particular contract; or (2) documentation of efforts made toward achieving the SBE or M/WBE Program Goals (e.g., timely advertisements in appropriate trade publications and publications of wide general

circulation; timely posting of SBE or M/WBE subcontract opportunities on the City of San Antonio website; solicitations of bids/proposals/qualification statements from all qualified SBE or M/WBE firms listed in the Small Business Office's directory of certified SBE or M/WBE firms; correspondence from qualified SBE or M/WBE firms documenting their unavailability to perform SBE or M/WBE contracts; documentation of efforts to subdivide work into smaller quantities for subcontracting purposes to enhance opportunities for SBE or M/WBE firms; documentation of a Prime Contractor's posting of a bond covering the work of SBE or M/WBE Subcontractors; documentation of efforts to assist SBE or M/WBE firms with obtaining financing, bonding or insurance required by the Respondent; and documentation of consultations with trade associations and consultants that represent the interests of SBE and/or M/WBEs in order to identify qualified and available SBE or M/WBE Subcontractors.) Without limitation, CONTRACTOR further agrees to the following terms as part of its contract compliance responsibilities under the SBEDA Program:

C. Permitted Uses and Disclosures by BA

- (1) Except as otherwise limited in this Agreement, BA may use or disclose PHI to perform functions, activities, or services for, or on behalf of, Covered Entity as specified in the Service Contract, provided that such use or disclosure would not violate the Privacy Rule if done by Covered Entity.
- (2) Except as otherwise limited in this Agreement, BA may disclose PHI for the proper management and administration of the BA, provided that disclosures are Required By Law, or BA obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required By Law or for the purpose for which it was disclosed to the person, and the person notifies the BA of any instances of which it is aware in which the confidentiality of the information has been breached.

E. Permissible Requests by Covered Entity.

Covered Entity shall not request BA to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by Covered Entity, except that the BA may use or disclose PHI for data aggregation or management and administrative activities of the BA.

F. Term and Termination.

- (1) This Agreement becomes effective on the date it is signed by the last Party. This Agreement shall terminate when all PHI encompassed by this Agreement is destroyed or returned to Covered Entity or, if it is infeasible to return or destroy the PHI, protections are extended to such information in accordance with the termination provisions in this Section.
- (2) Termination for Cause. Upon Covered Entity's knowledge of a material breach by BA, Covered Entity shall either (a) provide an opportunity for BA to cure the breach in accordance with the terms of the Service Contract or, if the BA does not cure the breach or end the violation within the time for cure specified in the Service Contract, end the violation and terminate this Agreement and the Service Contract; or (b) immediately terminate this Agreement and the Service Contract if BA has breached a material term of this Agreement and cure is not possible. If neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.
- (3) Effect of Termination.
 - (a) Except as provided below in paragraph (b) of this Section F(3), upon termination of this Agreement for any reason, BA shall return or destroy all PHI received from the Covered Entity, or created or received by BA on behalf of Covered Entity. This provision shall apply to PHI that is in the possession of BA or its subcontractors or agents. BA shall not retain any copies of PHI.
 - (b) In the event that BA determines that returning or destroying PHI is infeasible, BA shall provide to Covered Entity written notification of the condition that makes the return or destruction of PHI infeasible. Upon BA's conveyance of such written notification, BA shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make its return or destruction infeasible, for so long as BA maintains such PHI.
- (4) Notwithstanding any other provision under this Agreement, the Parties agree that the Service Contract may be terminated by either Party without penalty should the other Party violate a material obligation under this Agreement.

- G. Amendment to Comply with Law. The Parties agree to take written action as is necessary to amend this Agreement to comply with any Privacy Rules and HIPAA legal requirements for Covered Entity without the need for additional council action.
- H. Survival. The respective rights and obligations of the BA under Sections B, C (2) and (4), and F(3) shall survive the termination of this Agreement.
- I. Interpretation. Any ambiguity in this Agreement shall be interpreted to permit Covered Entity to comply with the Privacy Rule.
- J. Regulatory References. A reference in this Agreement to a section in the Privacy Rule means the section as in effect or amended.
- K. No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer upon any person other than Covered Entity, BA, and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.
- L. ***INDEMNIFICATION. BA WILL INDEMNIFY, DEFEND AND HOLD COVERED ENTITY AND ITS OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, SUCCESSORS AND ASSIGNS HARMLESS, FROM AND AGAINST ANY AND ALL LOSSES, LIABILITIES, DAMAGES, COSTS AND EXPENSES ARISING OUT OF OR RELATED TO ANY THIRD-PARTY CLAIM BASED UPON ANY BREACH OF THIS AGREEMENT BY BA IN ACCORDANCE WITH THE INDEMNITY PROVISIONS IN THE SERVICECONTRACT, WHICH ARE HEREBY INCORPORATED BY REFERENCE FOR ALL PURPOSES.***
- M. Reimbursement. BA will reimburse Covered Entity for reasonable costs incurred responding to a PHI breach by BA or any of BA's subcontractors.
- N. Waiver. No provision of this Agreement or any breach thereof shall be deemed waived unless such waiver is in writing and signed by the party claimed to have waived such provision or breach. No waiver of a breach shall constitute a waiver of or excuse any different or subsequent breach.
- O. Assignment. Neither party may assign (whether by operation of law or otherwise) any of its rights or delegate or subcontract any of its obligations under this Agreement without the prior written consent of the other party. Notwithstanding the foregoing, Covered Entity shall have the right to assign its rights and obligations hereunder to any entity that is an affiliate or successor of Covered Entity, without the prior approval of BA.
- P. Entire Agreement. This Agreement constitutes the complete agreement between Business Associate and Covered Entity relating to the matters specified in this Agreement, and supersedes all prior representations or agreements, whether oral or written, with respect to such matters. In the event of any conflict between the terms of this Agreement and the terms of the Service Contract or any such later agreement(s), the terms of this Agreement shall control unless the terms of such Service Contract comply with the Privacy Standards and the Security Standards. No oral modification or waiver of any of the provisions of this Agreement shall be binding on either party. This Agreement is for the benefit of, and shall be binding upon the parties, their affiliates and respective successors and assigns. No third party shall be considered a third-party beneficiary under this Agreement, nor shall any third party have any rights as a result of this Agreement.
