COUNTY OF BEXAR

§

This contract ("CONTRACT") is made and entered into by and between the **CITY OF SAN ANTONIO** ("CITY"), a Texas municipal corporation, acting by and through its Director of the Department of Human Services ("DIRECTOR") and **WELLMED MEDICAL MANAGEMENT, INC.** (hereinafter referred to as "CONSULTANT"), (collectively referred to herein as the "Parties") as authorized by City Council on _____, pursuant to Ordinance No. _____.

WHEREAS, the CITY has negotiated with CONSULTANT to manage and provide health services at various CITY senior centers (hereinafter referred to as the "Project"); and

ACCORDINGLY, in consideration of the mutual covenants and provisions contained herein, the Parties hereto severally and collectively agree, and by the execution hereof are bound, to the mutual obligations herein contained and to the performance and accomplishments of the tasks hereinafter described.

I. TERM

- 1.1 This CONTRACT is effective October 1, 2016 and shall terminate on September 30, 2021 unless earlier terminated or extended pursuant to any provision hereof. The City shall have the option to renew this CONTRACT for two (2) additional one (1) year extensions, upon written approval by DIRECTOR and the City Attorney's Office, without the necessity of further City Council action.
- 1.2 If funding for the entire CONTRACT is not appropriated at the time this CONTRACT is entered into, CITY retains the right to terminate this CONTRACT at the expiration of each of City's budget periods, and any subsequent contract period is subject to and contingent upon such appropriation; provided, however, that CITY shall give CONSULTANT prior notice of termination pursuant to Article IV of this CONTRACT.

II. SCOPE OF SERVICES AND STANDARD OF CARE

- 2.1 The CONSULTANT will provide, oversee, administer, and carry out all activities and services in a manner satisfactory to the CITY and in compliance with the Statement of Work, attached hereto as **Attachment A**, the Performance Measures attached hereto as **Attachment B**, the CITY's Request for Proposal attached hereto as **Attachment C**, the City's List of Senior Centers attached hereto as **Attachment C-1**, CONSULTANT's Proposal, attached hereto as **Attachment D**, CONSULTANT's SBEDA Plan attached hereto as **Attachment E**, and the HIPAA Business Associate Agreement attached hereto as **Attachment E**. CONSULTANT understands and agrees to provide said activities and services at the Senior Centers listed on the List of Senior Centers listed in Attachment C-1, unless otherwise directed by CITY. CONSULTANT understands and agrees that the Attachments are a part of the CONTRACT, as though fully set out herein, and that all obligations, conditions, tasks, products, and representations set forth in said documents are required to be fulfilled by the CONSULTANT as completely and fully as are the obligations, conditions, tasks, products, and representations imposed by this CONTRACT.
- 2.2 Goals, objectives and performance standards for the Project will be established by the CITY's Department of Human Services ("DHS"), and CONSULTANT agrees to comply with said goals, objectives and performance standards to the satisfaction of the DIRECTOR. The determination as to satisfactory performance made by the DIRECTOR shall be final, binding and conclusive on all Parties hereto.

- 2.3 CITY shall have the right to terminate this CONTRACT, in accordance with Article IV, Termination, in whole or in part, should CONSULTANT's work not be satisfactory to DIRECTOR; however, CITY shall have no obligation to terminate.
- 2.4 CONSULTANT shall perform its services in accordance with the ordinary, reasonable standard of care and diligence normally practiced by recognized professional firms in performing services of a similar nature, in the San Antonio, Texas area, under similar circumstances. This includes the knowledge and experience ordinarily required of a member of that profession, and includes performing the skills necessary to adequately cope with problems that arise in performing its services, which skills are not possessed by ordinary laymen.

III. CONSULTANT'S RIGHTS AND OBLIGATIONS

- 3.1 CONSULTANT understands that CITY may authorize another person or entity to perform the same or substantially similar services or engage in the same or similar activities contemplated by this CONTRACT in any of the senior sites identified in Attachment C-1, without releasing CONSULTANT from performance under this CONTRACT. In such instances, CITY will offer CONSULTANT a right of first refusal in an attempt to coordinate the presence of other persons or entities around the schedule of CONSULTANT. CONSULTANT shall continue to provide services or refer seniors for further diagnostic or treatment services, as appropriate, to the applicable senior's primary care physician, or if the senior does not have a primary care physician, to CONSULTANT's medical group of practicing physicians, or to another physician or specialist, as appropriate.
- 3.2 CONSULTANT is prohibited from requiring enrollment of a senior as a patient member of its medical group of practicing physicians as a prerequisite to providing the services required by this CONTRACT. All seniors frequenting the specified senior centers shall have a right to the services required by this CONTRACT, and CONSULTANT is prohibited from altering, reducing, or diminishing the quality of services based upon a senior's enrollment or lack thereof as a patient in CONSULTANT's medical groups.
- 3.3 CONSULTANT'S performance of services under this CONTRACT shall be offered at no cost to the CITY or the seniors using the centers, and CITY shall have no responsibility for payment to CONSULTANT for those services. CONSULTANT shall furnish all specialty equipment and computers necessary to perform the health-related services and maintain said equipment and computers at its sole cost and expense. However, CITY shall provide to CONSULTANT the space, basic office furniture, phones, utilities and janitorial support necessary for CONSULTANT's performance of services.
- 3.4 The Parties agree that there shall be no exchange of money for the services herein. CONSULTANT, or any affiliate, will not pay CITY for access to its senior centers, and CITY shall not pay CONSULTANT for the health or medical services in Attachment A.
- 3.5 CONSULTANT is prohibited from charging fees or soliciting payment from any seniors using the centers and is prohibited from inviting or contracting with vendors who shall charge fees or solicit payment from seniors for the services provided by CONSULTANT pursuant to this CONTRACT. All seniors frequenting the specified senior centers shall have a right to the services required by this CONTRACT, and CONSULTANT is prohibited from altering, reducing, or diminishing the quality of services based on a senior's payment or "enrollment" or lack thereof as a patient in CONSULTANT's medical group.
- 3.6 CITY shall not be obligated or liable under the CONTRACT to any party, including any subcontractors, for payment of any monies for provision of any goods or services.

IV. TERMINATION

- 4.1 For purposes of this CONTRACT, "termination" of this CONTRACT shall mean termination by expiration of the CONTRACT term or earlier termination pursuant to any of the provisions hereof.

- 4.2 INITIAL TERM AND RENEWALS: This CONTRACT shall commence on October 1, 2016 with activities and services listed in Attachment A, and shall continue until September 30, 2021 unless either Party gives written notice of termination not less than sixty (60) days in advance of the last day of the term in accordance with this Article IV. The City shall have the option to renew this CONTRACT for two (2) additional one (1) year terms, without the further approval of the City Council of San Antonio of such CONTRACT renewal, subject to (a) the review and approval of the City Attorney's Office, and (b) CONSULTANT satisfactorily meeting the performance requirements of this CONTRACT, as solely determined by DIRECTOR. The question of satisfactory completion of said work shall be determined by the DIRECTOR alone and his decision shall be final.
- 4.3 TERMINATION BY NOTICE: The CONTRACT may be canceled by either Party upon written notice only in the event that the role, function and/or activities conducted at the Comprehensive Senior Centers listed in Attachment C-1 (or at any additional senior centers added by the CITY from time to time during the term of this CONTRACT), are materially changed from the present, the facilities become inoperable due to fire, flood or other calamity, the City Council fails to appropriate sufficient funds to continue operation at the senior centers, or budgetary constraints cause the City to terminate programs or close the senior centers; provided, however, the City shall not issue any such notice if the City desires or intends to operate a comparable operation to any additional senior centers listed on Attachment C-1 (or any others that have been added to Attachment C-1 by the CITY from time to time during the term of this CONTRACT). Such notice shall specify an effective date of termination, which shall be not less than thirty (30) calendar days nor more than ninety (90) calendar days from the date such notice is received by the other Party. If the notice does not specify a date of termination, the effective date of termination shall be thirty (30) calendar days after receipt of the notice by the other Party. Subject to obligations to maintain confidentiality under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and the limitations imposed thereunder regarding transfer of information, and except as otherwise provided in this CONTRACT, all files are the property of the CITY and, at the CITY'S request, will be delivered at no cost to the CITY or its designated recipient at the effective date of termination. Any CITY funds held in any escrow account(s) shall be returned to the CITY within thirty (30) calendar days after the effective termination date.
- 4.4 TERMINATION FOR CAUSE: Should CONSULTANT default in the performance of any of the terms or conditions of this CONTRACT, the CITY shall deliver to the CONSULTANT written notice thereof specifying the matters in default. The CONSULTANT shall have thirty (30) calendar days after its receipt of the written notice to cure such default. If the CONSULTANT fails to cure the default within such thirty (30) day period, the CITY shall have the right, without further notice, to terminate this CONTRACT in whole or in part as CITY deems appropriate, and to contract with another consultant to complete the work required under this CONTRACT.
- 4.5 TERMINATION BY LAW: If any state or federal law or regulation is enacted or promulgated which prohibits the performance of any of the duties herein or if any law is interpreted to prohibit such performance, this CONTRACT shall automatically terminate as of the effective date of such prohibition.
- 4.6 EFFECT OF TERMINATION: The period between notice of termination and the effective date of termination shall be used to effect an orderly transfer of records and funds, if any, from the CONSULTANT to the CITY or to such person(s) as the CITY may designate. Any records transfer shall be completed within fifteen (15) calendar days of the termination date. Any such transfer of records, to include completed or partially completed documents, papers, records, charts, reports, and any other materials or information produced as a result of or pertaining to the services rendered by CONSULTANT, or funds shall be completed at the CONSULTANT'S sole cost and expense. Upon termination, (i) CITY shall allow removal of all items, including specialty equipment, computers, marketing material, and other equipment contributed by CONSULTANT under this Project and (ii) CONSULTANT shall only be obligated to make payments under Section 3.4, on a pro rata basis, through the effective date of termination and shall have no further payment obligations thereafter.
- 4.7 Within thirty (30) calendar days of the effective date of termination (unless an extension is authorized in writing by the CITY), the CONSULTANT shall submit to the CITY its claim, in detail, for the monies

owed by the CITY, if any, through the effective date of termination. Failure by CONSULTANT to submit its claims within said thirty (30) calendar days shall negate any liability on the part of the CITY and constitute a waiver by CONSULTANT of all right or claims to collect money that CONSULTANT may rightfully be otherwise entitled to for services performed pursuant to this CONTRACT.

- 4.8 Upon termination or cancellation of this CONTRACT, the CITY may immediately commence an audit of the CONSULTANT'S books, accounts, and records related to this CONTRACT in accordance with Article X hereof. Within thirty (30) calendar days after being notified by the CITY of the results of said audit, the CONSULTANT shall pay the CITY any amount shown by said audit to be owed the CITY or its employees. No waiver of existing default shall be deemed to waive any subsequent default.
- 4.9 Termination not sole remedy. In no event shall CITY's action of terminating this CONTRACT, whether for cause or otherwise, be deemed an election of CITY's remedies, nor shall such termination limit, in any way, at law or at equity, CITY's right to seek damages from or otherwise pursue CONSULTANT for any default hereunder or other action.

V. INDEPENDENT CONTRACTOR

- 5.1 It is expressly understood and agreed that the CONSULTANT is and shall be deemed to be an independent contractor, and not an officer, agent, servant or employee of CITY; that CONSULTANT is responsible for the acts and omissions of its officers, agents, employees, contractors and subcontractors and that the CITY shall in no way be responsible therefor, and that neither party hereto has authority to bind the other nor to hold out to third parties that it has the authority to bind the other.
- 5.2 Nothing contained herein shall be deemed or construed by the parties hereto or by any third party as creating the relationship of employer-employee, principal-agent, partners, joint venturers, or any other similar such relationship, between the parties hereto. Additionally, the doctrine of *respondeat superior* shall not apply as between CITY and CONSULTANT, its officers, agents, employees, contractors and subcontractors.
- 5.3 All of the employees of the CONSULTANT, wherever located, while engaged in the performance of any work required by the CITY under this CONTRACT shall be considered employees of the CONSULTANT only, and not of the CITY, and all claims that may arise from the Workers' Compensation Act on behalf of said employees while so engaged shall be the sole obligation and responsibility of the CONSULTANT.
- 5.4 No Third Party Beneficiaries: For purposes of this CONTRACT, including its intended operation and effect, the Parties specifically agree and contract that (1) this CONTRACT only affects matters/disputes between the Parties to this CONTRACT and is in no way intended by the Parties to benefit or otherwise affect any third person or entity, notwithstanding the fact that such third person or entity may benefit incidentally by this CONTRACT; and (2) the terms of this CONTRACT are not intended to release, either by contract or operation of law, any third person or entity from obligations owing by them to either CITY or CONSULTANT.

VI. CONFIDENTIALITY

- 6.1 CONSULTANT will maintain the confidentiality of all medical, dental, prescription and other patient-identifiable health information specifically relating to an individual's "Patient Health Information" in accordance with all applicable federal and state laws and regulations, including the Privacy Rule and the Security Rule of, as may be amended from time to time.

- 6.3 No reports, information, project evaluation, project designs, data or any other documentation developed by, given to, prepared by, or assembled by CONSULTANT under this CONTRACT shall be disclosed or made available to any individual or organization by CONSULTANT without the express prior written approval of CITY. In the event CONSULTANT receives any such request, CONSULTANT shall forward such request to CITY immediately.
- 6.4 CONSULTANT shall establish a method to secure the confidentiality of records and information that CONSULTANT may have access to and shall comply with the confidentiality procedures pertaining to records and other information, in accordance with the applicable federal, state, and local laws, rules and regulations. This provision shall not be construed as limiting CITY's right of access to records or other information under this CONTRACT.

VII. OWNERSHIP OF DOCUMENTS

CONSULTANT understands and acknowledges that as the exclusive owner of all such writings, documents and information, CITY has the right to use all such writings, documents and information as CITY desires, without restriction. Notwithstanding anything contained in this CONTRACT to the contrary, CITY will not own, access, maintain, or have access to the medical records or any Protected Health Information of the seniors who access the services at the senior centers, and such medical records and Protected Health Information shall be the sole and exclusive property of CONSULTANT and the senior in accordance with law.
- 7.2 In accordance with Texas law, CONSULTANT acknowledges and agrees that all local government records created or received in the transaction of official business or the creation or maintenance of which were paid for by public funds are declared to be public property and are subject to the provisions of Chapter 201 of the Texas Local Government Code and Subchapter J, Chapter 441 of the Texas Government Code. Thus, no such local government records produced by or on behalf of CONSULTANT pursuant to this CONTRACT shall be the subject of any copyright or proprietary claim by CONSULTANT.

The term "*local government record*" as used herein shall mean any document, paper, letter, book, map, photograph, sound or video recording, microfilm, magnetic tape, electronic medium, or other information recording medium, regardless of physical form or characteristic and regardless of whether public access to it is open or restricted under the laws of the state, created or received by local government or any of its officers or employees pursuant to law, including an ordinance, or in the transaction of public business.

- 7.3 The CITY shall own the copyright of whatever nature or extent and in all media whatsoever to any documents and records produced through the expenditure of public funds as provided by Section 201.005, Texas Local Government Code. CONSULTANT and its employees, officers and agents, if any, shall be responsible for furnishing appropriate documentation confirming and/or transferring such copyright ownership in and to the CITY. - 8.1 CONSULTANT shall pay all royalties and licensing fees. CONSULTANT shall hold the CITY harmless and indemnify the CITY from the payment of any royalties, damages, losses or expenses including attorney's fees for suits, claims or otherwise, growing out of infringement or alleged infringement of copyrights, patents, materials and methods used in the Project. CONSULTANT shall defend all suits for

infringement of any intellectual property rights. Further, if CONSULTANT has reason to believe that the design, service, process or product specified is an infringement of an intellectual property right, it shall promptly notify the CITY and provide the CITY with all information related to the suspected infringement.

CONSULTANT acknowledges and agrees that CITY shall have access to all such documents at all times, as deemed necessary by CITY, during said retention period. City may, at its election, require Consultant to return said documents to CITY prior to or at the conclusion of said retention period.
- 9.3 CITY shall be notified immediately by CONSULTANT of any requests by a third party for information pertaining to documentation and records obtained and/or generated pursuant to this CONTRACT. As such, CONSULTANT understands and agrees that CITY will process and handle all such requests.

Therefore, if CONSULTANT receives inquiries regarding documents within its possession pursuant to this CONTRACT, CONSULTANT shall within twenty-four (24) hours of receiving the requests forward such requests to CITY for disposition. If the requested information is confidential pursuant to state or federal law, including, without limitation, HIPAA, the CONSULTANT shall submit to CITY the list of specific statutory authority mandating confidentiality no later than five (5) business days after CONSULTANT's receipt of such request.

XII. CONFLICT OF INTEREST

- 12.1 CONSULTANT acknowledges that it is informed that the Charter of the City of San Antonio and its Ethics Code prohibit a CITY officer or employee, as those terms are defined in the Ethics Code, from having a financial interest in any CONTRACT with CITY or any CITY agency such as CITY owned utilities. An officer or employee has a "prohibited financial interest" in a CONTRACT with CITY or in the sale to CITY of land, materials, supplies or service, if any of the following individual(s) or entities is a party to the CONTRACT or sale: a CITY officer or employee; his parent, child or spouse; a business entity in which the officer or employee, or his parent, child or spouse owns ten (10) percent or more of the voting stock or shares of the business entity, or ten (10) percent or more of the fair market value of the business entity; a business entity in which any individual or entity above listed is a subcontractor on a CITY contract, a partner or a parent or subsidiary business entity.

XVIII. SMALL BUSINESS ECONOMIC DEVELOPMENT ADVOCACY

- 18.1 **SBEDA Program**

The CITY has adopted a Small Business Economic Development Advocacy Ordinance (Ordinance No. 2016-05-19-0367 and as amended, also referred to as "SBEDA" or "the SBEDA Program"), which is posted on the CITY's Economic Development Department (EDD) website page and is also available in hard copy format upon request to the CITY. The SBEDA Ordinance Compliance Provisions contained in this section of the Agreement are governed by the terms of the SBEDA Ordinance, as well as by the terms of the SBEDA Ordinance Policy & Procedure Manual established by the CITY pursuant to this Ordinance, and any subsequent amendments to this referenced SBEDA Ordinance and SBEDA Policy & Procedure Manual that are effective as of the date of the execution of this Agreement. Unless defined in a contrary manner herein, terms used in this section of the Agreement shall be subject to the same expanded definitions and meanings as given those terms in the SBEDA Ordinance and as further interpreted in the SBEDA Policy & Procedure Manual.

- 18.2 **Definitions**

- **Affirmative Procurement Initiatives (API)** – Refers to various S/M/WBE Program tools and Solicitation Incentives that are used to encourage greater prime and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting goals and joint venture incentives. (For full descriptions of these and other S/M/WBE Program tools, see Section III.D of Attachment A to the

SBEDA Ordinance). To be eligible for the benefits of race- and gender-conscious APIs as provided in the SBEDA Ordinance, M/WBE firms must also satisfy the size standards for being a Small Business Enterprise or SBE as defined herein.

- **Annual Aspirational Goal** – a non-mandatory annual aspirational percentage goal for overall M/WBE Prime and subcontract participation in City of San Antonio contracts is established each year for Construction, Architectural & Engineering, Professional Services, Other Services, and Goods & Supplies contract Industry Categories. This Annual Aspirational Goal is to be set (and thereafter adjusted) by the Goal Setting Committee (GSC) based upon the M/WBE availability by industry in accordance with the CITY's 2015 Disparity Study findings, along with relative M/WBE availability data to be collected by the CITY through its CVR system, and the utilization of M/WBEs. Any adjusted Annual Aspirational Goals for a given industry should not exceed the Expected Availability for award dollar weights as found in the 2015 Disparity Study. Annual Aspirational Goals are not to be routinely applied to individual contracts, but are intended to serve as a benchmark against which to measure the overall effectiveness of the S/M/WBE Program on an annual basis, and to gauge the need for future adjustments to the mix and to the aggressiveness of remedies being applied under the Program. Percentage Goals for S/M/WBE participation may be established by the GSC on a contract-by-contract basis based upon similar data and analysis for the particular goods and services being purchased in a given contract.
- **Award** – the final selection of a Respondent for a specified Prime Contract or subcontract dollar amount. Contract awards are made by the CITY to Prime Contractors or vendors and by Prime Contractors or vendors to Subcontractor or sub-vendors, usually pursuant to a solicitation process. (Contract awards are to be distinguished from contract payments in that they only reflect the anticipated dollar amounts instead of actual dollar amounts that are paid to a contractor under an awarded contract).
- **Best Value Contracting** – a purchasing solicitation process through which the Originating Department may evaluate factors other than price. Evaluation criteria for selection may include a Respondent's previous experience and quality of product or services procured, and other factors identified in the applicable statute.
- **Centralized Vendor Registration System (CVR)** – a mandatory electronic system of hardware and software programs by which the CITY recommends all prospective Respondents and Subcontractors that are ready, willing and able to sell goods or services to the City to register. All businesses awarded a City contract shall be required to register in the CVR. The CVR system assigns a unique identifier to each registrant that is then required for the purpose of submitting solicitation responses and invoices, and for receiving payments from the CITY. The CVR-assigned identifiers are also used by the Goal Setting Committee for measuring relative availability and tracking utilization of SBE and M/WBE firms by Industry or commodity codes, and for establishing Annual Aspirational Goals and Contract-by-Contract Subcontracting Goals.
- **Certification** – the process by which the Small Business Office (SBO) staff determines a firm to be a bona-fide small, minority-, women-owned, or emerging small business enterprise. Emerging Small Business Enterprises (ESBEs) are automatically eligible for Certification as SBEs. Any firm may apply for multiple Certifications that cover each and every status category (e.g., SBE, ESBE, MBE, or WBE) for which it is able to satisfy eligibility standards. The SBO staff may contract these services to a regional Certification agency or other entity. For purposes of Certification, the CITY may accept any firm that is certified by local government entities and other organizations identified herein that have adopted Certification standards and procedures similar to those followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in this Ordinance in Section III.E.6.
- **City** – refers to the City of San Antonio, TX.
- **Commercially Useful Function** – an S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of the work of the contract and is carrying out its responsibilities by actually performing, staffing, managing and supervising the work involved. To perform a Commercially Useful

Function, the S/M/WBE firm must also be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material, and installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it is actually performing and the S/M/WBE credit claimed for its performance of the work, and other relevant factors. Specifically, an S/M/WBE firm does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation, when in similar transactions in which S/M/WBE firms do not participate, there is no such role performed.

- **Control** – the authority of a person or business owner to sign responses to solicitations and contracts, make price negotiation decisions, sell or liquidate the business and have the primary authority to direct the day-to-day management and operation of a business enterprise without interference from others.
- **Economic Inclusion** – efforts to promote and maximize commercial transactions within, between and among all segments of the business population, regardless of race or gender, within the Relevant Marketplace.
- **Emerging SBE (ESBE)** – a certified SBE corporation, partnership, sole proprietorship or other legal entity for the purpose of making a profit, which is independently owned and operated by Individuals legally residing in, or that are citizens of, the United States or its territories whose annual revenues and number of employees are no greater than 25% of the small business size standards for its industry as established by the U.S. Small Business Administration, and meets the Significant Business Presence requirements as defined herein.
- **Emerging M/WBE** – a certified M/WBE firm whose annual revenues and number of employees are no greater than 25% of the small business size standards for its industry as established by the U.S. Small Business Administration, and meets the Significant Business Presence requirements as defined herein.
- **Evaluation Preference** – an API that may be applied by the Goal Setting Committee to Construction, Architectural & Engineering, Professional Services, Other Services, and Goods and Supplies contracts that are to be awarded on a basis that includes factors other than lowest price, and wherein responses that are submitted to the CITY by S/M/WBE firms may be awarded additional Points in the evaluation process in the scoring and ranking of their proposals against those submitted by other prime Respondents.
- **Formal Solicitation** – an invitation for bids, request for proposals, request for qualifications or other solicitation document issued by a CITY department for a contract that requires City Council approval, in accordance with the procurement rules adopted by the City Manager or designee through a memorandum issued by the City Manager or designee, an Administrative Directive or a procurement manual issued under the authority of the City Manager or designee, and/or pursuant to statutory requirements.
- **Goal Setting Committee (GSC)** – a committee, or series of committees, appointed and chaired by the City Manager or designee from the Executive Team that includes, at a minimum, the EDD Director or designee, and the Director of Finance or Director of Transportation and Capital Improvements (TCI) or their designees, the Director or designee of the Originating Department (if the Originating Department is neither Finance nor TCI,) all without duplication of designees and two citizens appointed by City Council who are eligible to vote during the goal setting committee on contracts valued at \$3,000,000 and above. The City Manager or designee may also appoint two ex-officio members of the Small Business Advocacy Committee to serve on any GSC purely in an advisory and non-voting capacity. The GSC establishes S/M/WBE Program Goals for the City of San Antonio (e.g., Annual Aspirational Goals, Contract-by-Contract Subcontracting Goals, and determining which M/WBE segments are eligible for Segmented Subcontracting Goals annually) based upon Industry Categories, vendor availability, project-specific

characteristics, and M/WBE utilization. The GSC also makes determinations about which Affirmative Procurement Initiatives (APIs) are to be applied to specific contracts based upon various criteria.

- **Good Faith Efforts** – documentation of the Respondent’s intent to comply with S/M/WBE Program Goals and procedures including, but not limited to, the following: (1) documentation as stated in the solicitation reflecting the Respondent’s commitment to comply with SBE or M/WBE Program Goals as established by the GSC for a particular contract; or (2) documentation of efforts made toward achieving the SBE or M/WBE Program Goals (e.g., solicitations of bids/proposals/qualification statements from all qualified SBE or M/WBE firms listed in the Small Business Office’s directory of certified SBE or M/WBE firms; correspondence from qualified SBE or M/WBE firms documenting their unavailability to perform SBE or M/WBE contracts; documentation of efforts to subdivide work into smaller quantities for subcontracting purposes to enhance opportunities for SBE or M/WBE firms; documentation of a Prime Contractor’s posting of a bond covering the work of SBE or M/WBE Subcontractors; documentation of efforts to assist SBE or M/WBE firms with obtaining financing, bonding or insurance required by the Respondent; and documentation of consultations with trade associations and CONTRACTORS that represent the interests of SBE and/or M/WBEs in order to identify qualified and available SBE or M/WBE Subcontractors.)
- **HUBZone Firm** – a business that has been certified by U.S. Small Business Administration for participation in the federal HUBZone Program, as established under the 1997 Small Business Reauthorization Act. To qualify as a HUBZone firm, a small business must meet the following criteria: (1) it must be owned and Controlled by U.S. citizens; (2) at least 35 percent of its employees must reside in a HUBZone; and (3) its Principal Place of Business must be located in a HUBZone within the San Antonio Metropolitan Statistical Area. [See 13 C.F.R. 126.200 (1999).]
- **Independently Owned and Operated** – ownership of an SBE firm must be direct, independent and by Individuals only. Ownership of an M/WBE firm may be by Individuals and/or by other businesses provided the ownership interests in the M/WBE firm can satisfy the M/WBE eligibility requirements for ownership and Control as specified herein in Section III.E.6. The M/WBE firm must also be Independently Owned and Operated in the sense that it cannot be the subsidiary of another firm that does not itself (and in combination with the certified M/WBE firm) satisfy the eligibility requirements for M/WBE Certification.
- **Individual** – an adult person that is of legal majority age.
- **Industry Categories** – procurement groupings for the City of San Antonio inclusive of Construction, Architectural & Engineering, Professional Services, Other Services, and Goods & Supplies (i.e., manufacturing, wholesale and retail distribution of commodities). This term may sometimes be referred to as “business categories.”

Joint ventures are manifested by written agreements between two or more Independently Owned and Controlled business firms to form a third business entity solely for purposes of undertaking distinct roles and responsibilities in the completion of a given contract. Under this business arrangement, each joint venture partner shares in the management of the joint venture and also shares in the profits or losses of the joint venture enterprise commensurately with its contribution to the venture. Incentives under this API may include Evaluation Preferences that are tied to the percentage of SBE or M/WBE participation in the joint venture, expedited issuance of building permits and extra contract option years in certain Other Services and Goods & Supplies contracts.

- **M/WBE Subcontracting Program** – an API in which Prime Contractors or vendors are required to make Good Faith Efforts to subcontract a specified percentage of the value of prime contract dollars to certified M/WBE firms. Such subcontracting goals may be set and applied by the GSC on a contract-by-contract basis to those types of contracts that provide subcontract opportunities for performing Commercially Useful Functions wherein:

- (1) There have been ongoing disparities in the utilization of available M/WBE Subcontractors; or
- (2) Race-Neutral efforts have failed to eliminate persistent and significant disparities in the award of prime contracts to M/WBEs in a particular Industry Category or industry segment (e.g., Construction contracts, Professional Services contracts, and Architectural and Engineering contracts), and subcontract opportunities are limited outside of CITY contracts.

When specified by the GSC, the M/WBE Subcontracting Program may also be required to reflect Good Faith Efforts that a Prime Contractor or vendor has taken (or commits to taking in the case of solicitations that do not include a detailed scope of work or those in which price cannot be considered a factor in evaluation), toward attainment of subcontracting goals for M/WBE firms.

- **M/WBE Evaluation Preference** – an API that the CITY may apply to requests for proposals or qualifications (RFPs or RFQs) on CITY Construction, Architectural & Engineering, Professional Services, Other Services, and Goods & Supplies contracts that are issued pursuant to a Best Value Contracting method or other methods of procurement wherein criteria other than lowest price are factored into the selection process. M/WBEs that submit responses for these kinds of solicitations are awarded additional Points in the scoring of their responses when evaluating and ranking their responses against those submitted by non-minority firms. - 19.6 If approved, CONSULTANT'S subcontractors may not voluntarily assign, transfer, subcontract or pledge, in whole or in part, any contract with CONSULTANT arising from or in relation to this CONTRACT, nor shall any involuntary transfer or assignment result in a transfer of any rights conferred by this CONTRACT. CONSULTANT shall indicate this limitation in all contracts with approved subcontractors.
- 19.7 CONSULTANT agrees to notify CITY of any changes in CONSULTANT's ownership interest greater than 30% not less than sixty (60) days in advance of the effective date of such change. Notwithstanding any other remedies that are available to CITY under this CONTRACT, any such change in CONSULTANT's ownership interest may be grounds for termination of this CONTRACT at the sole discretion of the CITY.

Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this CONTRACT, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment in the future of such covenant or option. In fact, no waiver, change, modification or discharge by either Party hereto of any provision of this CONTRACT shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged. No act or omission by a Party shall in any manner impair or prejudice any right, power, privilege, or remedy available to that Party hereunder or by law or in equity, such rights, powers, privileges, or remedies to be always specifically preserved hereby.

003 – BACKGROUND

The City of San Antonio's Department of Human Services (DHS) is committed to the enhancement of the social, psychological and physiological well-being of senior citizens in San Antonio and Bexar County. The comprehensive services offered by DHS assist elderly citizens to remain in their own homes, to maintain their independence, and to improve their quality of life. DHS delivers aging programs through public and private partnerships with agencies in the community.

The City of San Antonio (hereinafter referred to as "City") is seeking proposals from Respondents (hereinafter referred to as "Respondent") qualified to ESTABLISH AND OPERATE DEDICATED HEALTH SERVICES on a daily basis. These services will be offered by the Respondent AT NO COST to the City for all eligible participants in Senior Comprehensive Centers and Nutrition Sites located in City Council Districts 1, 2, 3, 4, 5, 6, 7, 8 and 10 (hereinafter referred to as "Target Districts"). Services will include core health services, as well as proactively addressing chronic conditions and providing acute care to clients. These services will enhance the comprehensive social service delivery system already offered at the centers.

The referenced comprehensive centers serve as community forums for seniors to gather and interact. The comprehensive centers also offer a wide variety of supportive services to seniors designed to promote active civic involvement and overall health. Services and programs include nutrition, education, exercise activities, dance classes, computer classes, utility assistance, case management, income tax preparation, solid waste credits, and evidence-based programs promoting health and wellness. Additionally, comprehensive centers partner with agencies to provide additional services such as benefits counseling, employment assessment and placement, and caregiver support.

According to the 2010 U.S. Census, updated by the 2014 American Community Survey, the City has a population of 1,385,435. Of this total, over 15 percent (218,537) are seniors, age 60 and older. Figure 3 reflects a 20 percent increase of seniors residing in San Antonio over a seven year period. With the arrival of baby-boomers into the senior population, seniors will be the fastest growing age demographic for years to come.

The Census and subsequent Community Survey indicated 15.7 percent of seniors over the age of 65 live below the federal poverty level. The total senior population in San Antonio, 65 years and older, is 152,046 (Figure 3). Based on the national community survey, the approximate number of seniors living below the federal poverty line in San Antonio and within the program target areas is 19,139 as shown in Figure 4. Figure 1 below shows a map of the senior centers and vendor nutrition centers in San Antonio and Bexar County.

Executive Summary

WellMed is pleased to submit the following application in response to the *Request for Proposal for Health Services for Seniors*, RFP 16-040. Specializing in senior care since 1990, WellMed Medical Management is a San Antonio-based diversified, health care company serving over 238,000 patients and insured members, mostly Medicare-eligible seniors, throughout Texas, and Florida. As the parent company of WellMed Medical Group, it owns and operates more than 90 medical clinics in Texas and Florida. WellMed currently treats 1 in 5 Medicare seniors in the Greater San Antonio area.

WellMed has already been a valuable partner with the City of San Antonio since 2007 in the provision of flu shots for senior residents. This represents over \$750,000 in donation of flu vaccines, and has allowed over 43,000 additional flu shots to be provided than could have been provided by Metro Health alone. The professional services needed to provide these shots, normally \$25/shot, were provided at no cost to the city, an in-kind contribution of \$1,075,000.

As the current contractor for the Senior Health Services Program, WellMed has provided 7,950 seniors with health screenings during the seven year contract period, which represents a \$4,900,000 investment. This investment by WellMed has allowed the City of San Antonio to expand services to senior residents participating in the Senior One-Stops and nutrition sites at no cost.

The WellMed Charitable Foundation, the non-profit partner of WellMed, has partnered with the City of San Antonio in the operation of two Senior One-Stops, the Alicia Trevino Lopez Senior Community Center and the Doris Griffin Senior One Stop. This public/private partnership has been very successful and is a national model for the future of senior centers.

Under this RFP, services provided to seniors age 60 and over at the City One-Stop Centers will include regularly scheduled preventive health screenings including but not limited to the following: health risk assessments and age-appropriate health screenings. Educational programs will address diabetes, hypertension, heart disease, tobacco use, medication management,

Attachment D

nutrition, fall prevention, chronic disease self-management, and Medicare/Medicaid benefits and eligibility. WellMed will also continue to provide oral health screening and services through a subcontract with the San Antonio Christian Dental Clinic and the University Of Texas Health Science Center School Of Dentistry.

WellMed will provide one Medical Assistant (MA) or one Licensed Vocational Nurse (LVN) at each of the one-stop centers. Additionally, team members have determined a quarterly schedule to ensure that all senior nutrition sites operated by or in partnership with the City of San Antonio have the availability of health screenings and health education on a quarterly basis. Regular oral health screenings are conducted at the senior one-stops, and seniors who need actual dental services are referred through the WellMed team as needed.

WellMed will also create marketing tools, such as flyers, posters, etc to give information to seniors regarding the health screening and health education sessions available at the One Stops and other City Nutrition Sites.

As WellMed is the current contractor for these services, WellMed has the capacity to offer these services with no disruption in the current service levels.

This public/private partnership is a win-win for all involved. The seniors are able to get preventive health screenings at the one-stop centers, a convenient and familiar setting where they can also enjoy congregate meals, physical activity programs, and other social, educational, and recreational programs. This creates real synergy between the social services and health services that seniors need. Many seniors will get dental screenings and treatment for the first time. The City of San Antonio knows that seniors identified with a contraindication are seen by a primary care provider. During the original contract period, the WellMed team has many stories of seniors who avoided a catastrophic health event, because of a routine health screening conducted at one of the centers. Establishing a medical home allows seniors to better maintain their health and manage their chronic conditions.

The Department of Human Services is a leader in addressing the burden of health care costs to the City of San Antonio. It will be able to offer more, rather than less, to seniors in these difficult

Attachment D

financial times. WellMed and the City of San Antonio have both demonstrated a willingness to invest in the health of seniors in the community.

The WellMed vision is to change the face of healthcare delivery for seniors by providing quality, proactive patient care with a focus on prevention. WellMed has a proven record of success in delivering healthcare, and a proud history as a community partner. It is an organization that is ideally suited to fulfill the requirements of the RFP.

Experience, Background, & Qualifications
RFP Attachment A, Part Two

Attachment D

Experience, Background, Qualifications:

1. Capacity to plan and implement a program:

WellMed Medical Management Inc. (“WMMI” or “WellMed”) manages a physician-led healthcare delivery system serving more than 238,000+ Medicare-eligible seniors in Texas and Florida through the management of primary care clinics, multi-specialty clinics, and contracted medical management services. Most patients are Medicare-eligible seniors, and WellMed focuses on serving a low-income, minority population. WellMed believes that the highest quality medical care yields the lowest costs. The emphasis on treating chronic conditions is a shift away from traditional acute and episodic care.

WellMed is an industry leader in medical risk management, highly effective disease management and chronic care programs, managing healthcare delivery services, and more. With a growing roster of managed providers and specialists in primary care, cardiology, podiatry, dermatology, rheumatology, palliative care, and hospital medicine, WellMed specializes in the complete coordination of care for patients.

WellMed’s physician leadership team has developed innovative strategies proven to enhance and improve patient health outcomes. The “WellMed Care Model,” based upon the Chronic Care Model, is a system providing high quality care delivered at the right time, in the right setting. The WellMed Care Model was the subject of independent, federally funded research conducted by the Robert Graham Center, which published part of its findings in the *Journal of Ambulatory Care Management* (January-March 2011) in an article titled *Case Study of a Primary Care–Based Accountable Care System Approach to Medical Home Transformation*. Their informal review found that WellMed met 97 out of 100 possible points, using NCQA criteria, in providing a Patient Centered Medical Home Model, according to the case study. The study also found that WellMed Care Model senior patients in the San Antonio area – the region researchers examined – had mortality rates half that of the 65 and older population across Texas.

WMMI was founded and has operated in the San Antonio area for over 26 years. WMMI specializes in senior health care, and serves over 20% of the total Medicare population in this area. Our patients come to us with significant health needs, most notably diabetes, chronic lung disease, and cardiovascular conditions that we treat aggressively to improve the health of our patients and their ability to live independently.

2. Describe Respondents’ experience relevant to the Scope of Services:

WMMI has successfully operated as the COSA contractor for the Senior Health Services program for the past seven (7) years. During this time, WMMI has provided 7,950 screenings for

Attachment D

seniors at the COSA one stops, and senior nutrition sites. WMMI staff has referred members with contraindications to their personal physicians, and also provided health education classes and health related evidence-based programs at the City sites. WMMI has also successfully negotiated contracts with the San Antonio Christian Dental Clinic and the University Of Texas Health Science Center School Of Dentistry to provide dental screenings and treatments at a value of \$4,900,000 that were not previously available to many senior participants.

3. Respondents with established programs should describe the populations that have been the recipients of services:

WellMed was established in 1990 in San Antonio, Texas, and has specialized in senior health care for over 26 years. WMMI currently serves over 238,000 Medicare eligible patients in Texas and Florida. In San Antonio, WellMed serves 51,438 Medicare beneficiaries, most of whom are low income and of Hispanic origin.

WellMed is a locally owned and managed company that understands the common health risks, population, and culture of our local community. Chronic diseases, especially diabetes, cost local government millions of dollars each year. Management of chronic disease is a priority of the WellMed Care Model, and WellMed has been successful in improving and managing the chronic health conditions of our patients. At WellMed, improving the health of our patients is an important piece of the company vision and culture.

4. Describe the Respondents specific experience with public entities:

WMMI has long established relationships with public entities in San Antonio and other areas. Through the WellMed Charitable Foundation (WCF), the nonprofit partner of WMMI, WellMed operates the two of the largest senior one-stops in partnership with the City of San Antonio: the Doris Griffin Senior One Stop and the Alicia Trevino Lopez Senior Community Center. The Alicia Trevino Lopez Center has been open for over 5 years, and the joint management of the center has been very successful. WellMed staff work in unison with COSA staff, and any problems or issues that are encountered are solved via joint consultation with the two entities. The Doris Griffin Senior One Stop has been open for one and a half years (1.5) and has quickly grown in membership and center programming. Again, the WellMed staff work closely with City staff at the center to ensure a positive experience for the members.

In March 2016, the WCF, in partnership with WMMI and the City of Corpus Christi, took over operation of one of the City's senior centers, the Zavala Senior Center, as well as the adjoining Youth Recreation Center. In the last few months, the Zavala Center has grown in membership from just 35 seniors to almost 450 seniors. The adjoining Youth Recreation Center gives the opportunity to offer some multi-generational activities as well.

WellMed has also been the COSA contractor for the Senior Health Services program for the past seven (7) years, and has worked collaboratively with the City of San Antonio to ensure the

Attachment D

program has been a success. Almost eight thousand screenings have been conducted throughout the past seven years, and numerous seniors have been referred to a primary care physician based on the results of the screenings.

WellMed has worked with the City of San Antonio Metro Health Department, and the Department of Human Services to provide free flu vaccines for senior residents. For the last five years, WellMed has donated 4,775 doses of flu vaccine, at an estimated cost of \$38,200. Additionally, the administrative cost to administer the vaccine is approximately \$25, resulting in a total cost of \$157,575.

5. List other resources, including total number of employees, number and locations of offices, number and types of equipment available to support this project.

WellMed's corporate offices are located in the Medical Center area, at 8637 Fredericksburg RD. Additional support staff are located in several buildings in the Northwest Parkway area. WellMed continues to operate 24 WellMed owned primary care clinics in the San Antonio area, along with 2 multi-specialty clinics. These clinics are spread throughout the San Antonio metropolitan area, along with 7 located in surrounding counties. WellMed Medical Management, Inc. employs 3,134 persons.

WellMed also works with a network of 68 contracted clinics in practice management.

As a large medical practice, WMMI has access to any type of equipment needed for this project.

6. Team or Joint Venture:

This is a single entity proposal begin submitted by WellMed Medical Management, Inc.

7. Identify the number and professional qualifications of all key staff to be assigned to this project.

Key staffs assigned to this project are:

- Carol Zernial, Vice President, Charitable Relations, to provide leadership for this program on a part-time basis (10%)
- Eva Trevino, Manager, Senior Community Services in a direct supervisory role for the majority of her time (80%).
- Fernando Martinez, MD, will function as Lead Physician for this team, and will monitor the health screenings conducted in the senior centers, as well as the medical training provided to the direct delivery staff.

Resumes for these staff are including at the end of this section.

Attachment D

WMMI will assign 9 staff to direct delivery of this program on a full time basis – 3 nurses (LVN), and 6 Medical Assistants. These staffs are assigned to the current COSA Senior Health Services contract and are housed within the COSA one stops. The WMMI staffs are very familiar with the city staff and members of the centers to which they are assigned.

1. Operating Plan

Since WMMI has had seven (7) years of experience in operating the Senior Health Services contract for the City of San Antonio, WMMI is ready to continue operations upon award of the contract. Operating hours for the staff are 7:30AM to 4:00 PM Monday through Friday, although staff may not be present at a specific site for these hours. In an effort to expand services to all of the senior nutrition sites, a schedule has been developed for staff to be deployed at additional centers:

Site	Coverage	Staff Assigned
Bob Ross Senior Center	5 days per week	Erika
District 5 Senior Center	5 days per week	Yvonne
Normoyle Senior Center	2 days per week	Alma
Northeast Senior Center	5 days per week	Candice
West End Park Senior Center	1 day per week	Alma
Willie Cortez Senior Center	5 days per week	Viviano
Doris Griffin Senior Center	3 days per week	Melissa
Alicia Trevino Lopez Senior Center	2 days per week	Melissa
Elvira Cisneros Senior Center	2 days per week	Alicia/Mary

Since we have not been covering District 2 Senior One Stop and the not yet opened District 3 Senior One Stop, we will revise the above schedule to include those sites upon award of the contract. A schedule of quarterly health screenings has been developed with the remaining COSA sites. This schedule has been coordinated in advance with the centers.

The following health screening services will be provided as part of the Senior Health Services program:

Health Risk Assessments:

- a. Alcohol misuse and behavioral counseling interventions

Attachment D

- b. Aspirin use for the primary prevention of cardiovascular events in adults at increased risk for coronary heart disease
- c. Breast cancer for women with mammography
- d. Colorectal cancer for men and women
- e. Depression with referrals for treatment, and follow-up
- f. Diabetes mellitus with hypertension or hyperlipidemia
- g. High blood pressure
- h. Lipid disorders, including measurement of total cholesterol, high-density lipoprotein cholesterol (HDL), and low-density lipoprotein (LDL)
- i. Obesity, including the use of Body mass index (BMI) to include intensive counseling and behavioral interventions to promote sustained weight loss for obese adults
- j. Osteoporosis in women 65 years and older and women 60 years and older at increased risk for osteoporotic fractures.
- k. Tobacco use, including tobacco-caused disease counseling and cessation interventions for those who use tobacco.

These health screenings and risk assessments will be done either through the use of accepted laboratory tests, such as blood glucose, and cholesterol testing, or by other means, such as calculation of BMI or taking blood pressure with a blood pressure machine, and the administration of evidence based health risk assessments.

Additionally, WellMed will coordinate with entities that have mobile mammography units to visit the one stop centers on a scheduled basis to provide this service.

Health education classes will be provided on a monthly basis in the one stop centers and on a quarterly basis in other sites to include the following topic areas:

- a. Diabetes management and risks
- b. Hypertension management
- c. Heart Disease
- d. Tobacco Use and Cessation
- e. Medication Management
- f. Nutrition

Attachment D

- g. Exercise Classes
- h. Fall Prevention
- i. Chronic Disease Management
- j. Influenza Immunizations
- k. Medicare/Medicaid programs (Benefits and Eligibility)
- l. Ask a Doctor or Nurse Sessions
- m. Health and Resources Fairs

The Senior Community Services Team members are also certified in and able to deliver the following evidence based programs:

- Stanford University Chronic Disease Self-Management Program
- Stanford University Diabetes Self-Management Program
- A Matter of Balance – Fall Prevention program
- Stress-Busting Program for Family Caregivers – a stress-management program for caregivers who are caring for a family member.

WellMed will ensure that dental services through the San Antonio Christian Dental Clinic and the University Of Texas Health Science Center School Of Dentistry continue on a regular basis at City One Stop Centers. The San Antonio Christian Dental Clinic is providing dental treatment services, whereas the University Of Texas Health Science Center School Of Dentistry provides dental screening with limited treatment services. WellMed will continue to contract with these entities to ensure consistent delivery of dental services. WellMed recognizes that this is a critically important service and one that is not readily available for many seniors.

In the City One Stops, Senior Community team members will be readily available on a daily or more than once a week basis. The schedule will be posted in each center. Additionally, team members will visit other nutrition sites on a quarterly basis negotiated and published in advance.

Health screening will be done on a first come, first served basis through the use of a sign up sheet. Once someone has signed in, they can participate in other center activities until it is their turn. Team members are also available for scheduled appointments based on the request of the senior to discuss health screenings.

Health education will be delivered on a monthly basis, determined and advertised in advance. Evidence-based programs will be delivered as there are enough members to participate. Other fitness activities will be coordinated on a regular schedule as well.

2. Marketing Plan

- a) Overall Plan: WellMed's marketing team will work to help in messaging points in coordination with the City of San Antonio to reach out to seniors in the community about the multi-service senior centers and its services. Events will be coordinated and held at the multi-service centers as well as other nutrition sites throughout the year.
- b) Hispanic Outreach: WellMed will work with local media, including all Spanish-speaking TV, print, and radio to maximize reach to the Hispanic population in every corner of the city. WellMed has established relationships with La Prensa, KABB, San Antonio Business Journal, Radio Jalapeño (KEDA), Univision TV and Radio, Seniors News, Time Warner Cable, WOAI, and KENS. Because the Hispanic community has diverse needs, and the medical language of many families is English, WellMed is committed to reaching out to this community both in English and Spanish mediums.
- c) Minimum Annual Expenditures: WellMed will work with the City of San Antonio to develop a budget for marketing purposes. This budget will specifically be utilized to market the health services available through the multi-service centers and screenings available at the nutrition sites through WellMed I. It is anticipated that this campaign will not exceed more than \$25,000 for the five-year contract, or \$5000/year.

3. Management and Staffing Plan

The following is an organization chart for the WellMed Senior Community Services team. The team is led by Carol Zernial, Vice President, Charitable Relations, and Eva Trevino, Manager, Senior Community Services. The resumes for these two individuals have been previously shared. Team members (3 Nurses – LVN and 6 Medical Assistants) will be assigned to the project on a full time basis.

In addition, Dr. Fernando Martinez will serve as Lead Physician for the team, and will oversee health screenings and continuing medical education for team members. Dr. Martinez is available for consultation as well, and his resume has been shared previously.

4. Data Systems Management Plan

A copy of the monthly report that is currently being provided to the City of San Antonio is included at the end of this section. The report, provided in an Excel format, includes the following items by site:

- An unduplicated count of seniors who have participated in health screenings
- The total number of health screenings conducted
- The number of health education sessions conducted
- The total attendance at the health education sessions
- The number of flu vaccinations that were given
- Dental Services provided
- Blood Pressure Screenings Conducted
- Blood Glucose Screenings Conducted
- Body Mass Index Screenings Conducted
- Cholesterol Screenings Conducted
- Customer Satisfaction

The report can be modified as needed based upon feedback from the City staff.

The Senior Community Services Team has been using an Excel spreadsheet to track screenings, and has been keeping individual client files that are kept in a locked cabinet between a locked office door. This double lock plan meets HIPAA requirements. The reason that client files are now kept is that many seniors requested information on previous screenings and wanted a comparison of current and past data.

The team will begin using My Senior Center to track unduplicated numbers of seniors who participate in health screenings. My Senior Center is also used by the WellMed managed Senior Centers. The company has been very helpful in making changes needed to track various kinds of information and in developing necessary reports.

Two forms that are in use by the team are included in this section. The first is a sign up sheet that is used in the centers to manage multiple health screenings requested. The senior signs in and is then called by the staff member when it is their turn for the screening. The second is a spreadsheet that is used to track multiple health screenings for the same person. This spreadsheet

Attachment D

was developed to enable tracking of health screenings over time for an individual; making it easier to spot changes in the person's results.

5. Quality Assurance Plan

- a) Timely and Efficient Services: WellMed will follow established quality assurance standards established by the National Committee for Quality Assurance. The performance measures or Healthcare Effectiveness Data and Information Set (HEDIS) is a widely used set of performance measures in the managed care industry. The standards for accessibility, wait-times, language barriers, and overall consumer satisfaction will be used. WellMed will use a scheduling system to ensure that appointments are made in advance as the primary mechanism for timeliness and efficiency. This will allow WellMed to minimize the wait times for appointments and to schedule appropriate staff, equipment and resources based upon the scheduled appointments for the day.
- b) Language Barriers: If possible, all individuals with direct contact with consumers will be bi-lingual. At minimum of one bi-lingual staff person will be assigned to each site. All educational materials will be printed in both English and Spanish and written at a 5th grade level.
- c) HIPAA: WellMed is very aware of HIPAA requirements, and will ensure that team members meet those requirements. Team members will make sure that individual client records are safe guarded (protected by the double lock scenario discussed earlier) and that records that are no longer needed are disposed of in a HIPAA compliant manner.

6. Additional Information:

WellMed is has developed its model of health care based upon the day-to-day needs of seniors. This means that WellMed is willing to take the needs of the consumer and the best clinical practices and go above and beyond tradition health care to ensure that seniors optimize their health outcomes and quality of life.

**Cost/Compensation Proposal
RFP Attachment B**

Attachment D

RFP ATTACHMENT B

COMPENSATION PROPOSAL

The selected Respondent shall provide City an annual fee for each year of operation, based on the proration of space allocation, utility usage, and administration oversight.

The proposal should include all fees to provide services listed in this RFP

	Base Period Years 1-5	Option Year 6	Option Year 7
Annual Fee Payable to City for Center Operation	\$0	\$0	\$0

Under the terms of the proposed agreement, WellMed Medical Management, Inc. will contribute \$700,000 per year to fund the salaries/expenses for the nine-person team who is providing the Senior Health Services program. WellMed will provide an additional \$100,000 per year to fund the two contracts with San Antonio Christian Dental Clinic, and the University Of Texas Health Science Center School Of Dentistry for dental screening and treatment. This represents an \$800,000 contribution per year or \$4,000,000 for the base period, and an additional \$1,600,000 for the two option years.

Because most dental services aren't covered through Medicare, seniors have great difficulty getting the oral care they need. Because the dental contracts that WellMed now funds goes beyond simple screenings and can cover services such as root canals, bridges, and even surgery, we would prefer to maintain the dental program at its current funding level in lieu of financial compensation to the City of San Antonio.

Since WellMed is proposing such a significant investment in this public/private partnership to the overall health of seniors in the community, we are requesting that the City of San Antonio contribute in kind the minimal use of space, utilities, and administrative oversight required by the Senior Health Services Team.

Local Preference Program Identification Form

The City of San Antonio Local Preference Program, described in the San Antonio City Code Chapter 2, Article XII, establishes a local preference for specific contracting categories. Each time a bidder or respondent submits a bid for a solicitation, this Local Preference Program Identification Form must be completed and turned in with the solicitation response in order to be identified as a City Business and receive the preference described below. The City will not rely on Local Preference Program Identification Forms submitted with prior or contemporaneous bids or proposals.

The Local Preference Program allows the City to grant a preference to a business meeting the definition of *City Business* in the award of the following types of contracts, when selection is made based on price alone:

- Personal Property (Goods / Supplies): The local bidder's price must be within 3% of the price of the lowest non-local bidder for contracts of \$50,000 or more;
- Non-professional Services: The local bidder's price must be within 3% of the price of the lowest non-local bidder for contracts of \$50,000 to under \$500,000;
- Construction Services: The local bidder's price must be within 3% of the price of the lowest non-local bidder for contracts of \$50,000 to under \$100,000, excluding contracts awarded using alternative delivery methods.

The Local Preference Program also allows the award of additional points, when multiple evaluation criteria are used in the award of professional service contracts, where the selection process is not governed by statute and in revenue generating and concession contracts. A business meeting the definition of *City Business* stated below may be awarded 10 points for being headquartered within the city, or 5 points for having a local office within the city.

Moreover, the program recognizes joint venture agreements and allows for apportioning of points based upon the percentage of ownership of joint ventures by *City Businesses* responding to solicitations for which discretionary points are applied. For solicitations where selection is made based on price alone, all members of a joint venture must be *City Businesses* for the preference to be applied.

City Business is defined as a business headquartered within the incorporated San Antonio city limits for one year or more OR one that meets the following conditions:

- Has an established place of business for one year or more in the incorporated limits of the City:
 - (a) from which at least 100 of its employees OR at least 20% of its total full-time, part-time and contract employees are regularly based; and
 - (b) from which a substantial role in the business' performance of a commercially useful function or a substantial part of its operations is conducted by those employees.

A location utilized solely as a post office box, mail drop or telephone message center or any similar combination, with no other substantial work function, is not a *City Business*.

For the purposes of this program, Headquartered is defined as the place where a business entity's officers direct, control, and coordinate the entity's activities.

NOTE: Bidders / Respondents are required to submit documentation to substantiate that the requirements of a City Business have been met. Examples of documentation may include, but are not limited to the following:

1. Existence of local headquarters or office: For corporations, Texas Comptroller's listing of names/addresses of officers and directors. For partnerships, partnership agreement and any documents identifying the current managing partners and their current work addresses
2. Evidence of local headquarters or office in existence for one year or more: Utility bills, real property lease agreements, equipment leases, personal property taxes, real property taxes
3. Evidence of number of employees: Organizational charts, payroll records by location

City of San Antonio

Veteran-Owned Small Business (VOSB) Preference Program Identification Form

Authority. San Antonio City Code Chapter 2, Article XI describes the City's veteran-owned small business preference program.

Certification. The City relies on inclusion in the database of veteran-owned small businesses maintained by the U.S. Small Business Administration to verify VOSB status; however, veteran status may also be confirmed by certification by another public or private entity that uses similar certification procedures.

Preference. The VOSB preference applies to procurements of discretionary expenditure and revenue contracts for goods, services, and concessions, where the selection criteria are not limited by state or federal law. The preference consists of 5% of the evaluation points for a business that is certified as a Veteran-Owned Small Business. Moreover, the program recognizes joint venture agreements and allows for apportioning of points based upon the percentage of VOSB ownership of a joint venture responding to solicitations for which discretionary points are applied. There are no points available for VOSB subcontractors.

Tracking. In order to determine whether the program can be expanded at a later date, the City tracks VOSB participation at both the primary contract and subcontract levels.

Exclusions. This program does not apply to any expenditure or revenue contract with a value that is less than the amount that is required to be bid pursuant to state law (Chapter 252, Texas Local Government Code, as amended), currently \$50,000 or less, or where limited by state or federal law.

Definitions.

The program uses the federal definitions of veteran and veteran-owned small business found in 38 CFR Part 74.

- The term "veteran" means a person who served on active duty with the U.S. Army, Air Force, Navy, Marine Corps, Coast Guard, for any length of time and at any place and who was discharged or released under conditions other than dishonorable. Reservists or members of the National Guard called to federal active duty or disabled from a disease or injury incurred or aggravated in line of duty or while in training status.
- A veteran-owned small business is a business that is not less than 51 percent owned by one or more veterans, or in the case of any publicly owned business, not less than 51 percent of the stock of which is owned by one or more veterans; the management and daily business operations of which are controlled by one or more veterans and qualifies as "small" for Federal business size stand purposes.

The program uses the below definition of joint venture.

- Joint Venture means a collaboration of for-profit business entities, in response to a solicitation, which is manifested by a written agreement, between two or more independently owned and controlled business firms to form a third business entity solely for purposes of undertaking distinct roles and responsibilities in the completion of a given contract. Under this business arrangement, each joint venture partner shares in the management of the joint venture and also shares in the profits or losses of the joint venture enterprise commensurately with its contribution to the venture.

The program does not distinguish between a veteran and a service-disabled veteran-owned business and is not limited geographically.

COMPLETE THE FOLLOWING FORM AND SUBMIT WITH YOUR RESPONSE EVEN IF YOU ARE NOT SEEKING A VETERAN'S PREFERENCE. THE RESPONDENT MUST COMPLETE AND SUBMIT THE FOLLOWING FORM TO BE IDENTIFIED AS A VETERAN-OWNED SMALL BUSINESS. IF RESPONDENT IS SUBMITTING AS A JOINT VENTURE, EACH VOSB MEMBER OF A JOINT VENTURE MUST COMPLETE AND SIGN THIS FORM.
