Charter of the City of San Antonio

ADOPTED OCTOBER 2, 1951

ARTICLE I
INCORPORATION, FORM OF GOVERNMENT AND POWERS

Section 1. INCORPORATION. The inhabitants of the City of San Antonio in Bexar County, Texas, residing within the corporate limits of the City, as now or hereinafter established in the manner provided by law or by this Charter, are hereby constituted and shall continue to be a municipal body politic and corporate under the name of the “CITY OF SAN ANTONIO,” hereinafter referred to as “the City,” and by that name shall have perpetual succession and shall have and succeed to all the rights, property, real, personal and mixed, immunities, powers, privileges and franchises now held, possessed and enjoyed by the City or granted herein, and shall be subject to all its present duties and liabilities, subject to the limitations prescribed in this Charter.

Section 2. FORM OF GOVERNMENT. The municipal government provided by this Charter shall be known as the “Council-manager government.” Pursuant to its provisions and subject only to the limitations imposed by the State Constitution and by this Charter, all powers of the City shall be vested in an elective Council, hereinafter referred to as “the Council,” which shall enact local legislation, adopt budgets, determine policies and appoint
the City Manager, who shall execute the laws and administer the government of the City. All powers of the City shall be exercised in the manner prescribed by this Charter, or if the manner be not prescribed, then in such manner as may be prescribed by ordinance.

Section 3. POWERS OF THE CITY.

Paragraph 1. General Powers. The City may sue and be sued, plead and be impleaded in all courts, have a corporate seal, contract and be contracted with, ordain and establish such acts and regulations and ordinances not inconsistent with the Constitution and laws of this State and this Charter as shall be needed for the government, interest, welfare and good order of the City and the interest, welfare, health, morals, comfort, safety and convenience of its inhabitants; the City may purchase, take, hold, acquire and convey, lease, mortgage and dispose of any property whatever within the City limits. The City may acquire necessary property for sewer, sanitary, cemetery, waterworks, gas, electric light and power, and any other corporate purposes by purchase, condemnation or other means within or without the City limits, and may lease, convey and alienate the same. Except as prohibited by the Constitution and laws of Texas or as restricted by this Charter, the City shall have all municipal powers, functions, rights, privileges and immunities of every name and nature whatsoever, now or hereafter granted by the Constitution and laws of Texas, including without limitation the powers conferred expressly and permissively by laws passed pursuant to the Texas Home Rule Amendment as now or hereafter amended, all of which are hereby adopted. The Council is expressly authorized to adopt any rule or regulation deemed necessary, advisable or convenient for the purpose of exercising any power expressly or permissively conferred by such Act. The City shall have the powers conferred by the provisions of legislation passed by the State Legislature as now or hereafter amended, which Act is hereby adopted.

Paragraph 2. Annexation. The City shall have power, by ordinance, to fix and change the bounds and limits of the City and to provide for the extension of the said bounds and limits and the annexation of additional territory lying adjacent to the City with or without the consent of the territory and the inhabitants thereof annexed; provided, however, that such an ordinance, or any amendment thereto, shall be published one time, prior to passage, in some daily newspaper published in the City and such ordinance shall not be passed until at least thirty days have elapsed after publication. The City shall have power to annex additional territory, lying adjacent to the City and the inhabitants thereof, as may be authorized by, and in the manner and form prescribed by any general law of Texas.

Paragraph 3. Cooperation with State and Federal Governments. The City may cooperate and contract with the government of the State of
Texas or any agency or political subdivision thereof, and with the government of the United States of America, or any agency or department thereof, to accomplish any lawful purpose for the interest, welfare, health, morals, comfort, safety and convenience of the City or its inhabitants.

Paragraph 4. **Eminent Domain.** The City shall have the power of eminent domain where necessary or desirable to execute any power conferred upon it by this Charter, or by the Constitution or laws of Texas and may condemn either private or public property whether in or out of the corporate limits of the City for such purposes, upon payment of fair compensation for the property taken. Such power may be exercised in any manner authorized by the Constitution or laws of Texas, or as may be prescribed by ordinance. The City may condemn the fee or any lesser interests in the property taken, and may condemn for any public purpose whether specifically stated herein or not.

Paragraph 5. **Urban Redevelopment.** The City may adopt, modify and carry out plans for the clearance and redevelopment of slum districts or blighted areas within the City, as such districts or areas may be defined by ordinance as to character, nature, location and extent. For the accomplishment of these public purposes, which may be further defined by ordinance, the City may acquire by purchase or by condemnation all privately owned land, buildings and other property interests within such districts or areas. The City may establish, locate, relocate, build and improve any streets or other public open spaces provided for in any plan so adopted. Pending the final clearance and redevelopment of such district or area, the City may maintain, lease or sell any building or other improvements thus acquired. The City may sell the land, or any part thereof in such districts or areas, which is designated for private or public buildings or for private open spaces upon such terms, covenants and conditions and subject to such restrictions, excluding rent control by the City, as to building uses and open spaces, as will substantially carry out the plans adopted by the City for the clearance and redevelopment of such districts or areas; provided, however, that land so disposed of shall contain a covenant which shall run with such land precluding its sale to or use by any public housing agency. Before any plan is finally adopted by the City, a public hearing shall be held thereon by the Council, and, thirty days prior to such hearing, notice of its time and place shall be published one time in a newspaper published in the City and shall be sent by mail to the record owners of the property interests included within the district or area covered by any plan.

Paragraph 6. **Fiscal Powers.** The City shall have the power to:

Paragraph 8. **Street Improvements.** The City shall have exclusive dominion, control and jurisdiction in, upon, and over and under the public streets, avenues, alleys, highways, and public ways of the City, and may provide for the improvement thereof by paving, re-paving, raising, draining, or otherwise. The provisions, without limitations, of laws providing for assessments against abutting property for street improvements enacted are expressly adopted. Such exclusive dominion, control and jurisdiction in, upon, over and under the public streets, avenues, alleys, highways, and public ways, of the City shall also include, but not be limited to, the power to regulate, locate, remove, or prohibit the location of, all utility pipes, conduits, lines, poles, wires or other property of any public utility.

Such ordinances may provide that the Zoning Board of adjustment may, in appropriate cases and subject to appropriate principles, standards, rules, conditions and safeguards set forth in the ordinance, make special exceptions to the terms of the zoning regulations in harmony with their general purpose and intent. Such ordinances may provide that the Zoning Board of Adjustment may authorize variances from the strict application of the regula-
tions in such cases and subject to such limitations as may be set forth in ordinance. All of the powers granted by State Zoning Enabling Laws, now existing or hereafter enacted, are hereby adopted.

The Council members shall be elected from districts or wards which shall be drawn by ordinance and shall be as nearly equal in population as practicable. The boundaries of the districts or wards shall be reexamined and redetermined by ordinance, where appropriate following each succeeding Federal decennial census, or at other times where substantial variances in the number and make-up of the population of districts or wards have occurred, taking into consideration annexations, disannexations, shifts in population, compactness, ethnic composition and other criteria established by law. On any annexations, the City Council shall designate the annexed
area to be a part of the wards or districts to which it is contiguous.

Members of the Council for Place 1 through Place 10 shall be elected from such districts or wards which shall be numbered accordingly and each such member shall be elected by a majority vote of the qualified electors voting in said election in the particular district or ward. Each member from a district or ward shall reside within its boundaries at least six months prior to filing his application for election and continuing during his or her term of office, and failure to do so shall render such office vacant. Candidates for and the person elected as member of the Council in the remaining place, Place 11, may reside anywhere in the City and shall be elected by a majority of all qualified electors voting in said City election, with said Council Member to serve as Mayor as provided in Section 9 of this Charter. No Member of the Council may hold any other public office or employment for which compensation is paid by the City or Bexar County, Texas. Subject to the provisions of this Charter, the Council shall have and exercise all powers now or hereafter conferred on the City; shall succeed to all powers heretofore vested in any former governing body of the City, shall have the general care, management and control of the City, its property and finances, and shall enact, alter, modify or repeal all ordinances and resolutions not repugnant to this Charter and the Constitution and laws of Texas.

the remaining members for the unexpired term only and provided the suc­
cessor shall possess all qualifications required for the office. In the event of
a vacancy in the office of the Mayor, the remaining Council members shall
elect from among themselves, by majority vote, a person to serve as Mayor
for the unexpired term and the person elected shall take over the last place

postponed for reasons to be spread on the minutes which shall be kept of all
Council meetings. Special meetings of the Council shall be called by the City
Clerk upon the written request of the Mayor, the City Manager or three mem­

disorderly conduct or the violation of its rules.

Section 13. QUORUM. A majority of the members of the Council shall constitute a quorum to do business, but a lesser number may adjourn from time to time and compel the attendance of absent members in the manner prescribed by ordinance. A vote regarding adjournment or the attendance of absent members may be adopted by a majority of the members present; but in all other matters upon which the Council may vote, a majority vote of all members of the Council in office shall be necessary for adoption. In the event of the existence of six or more vacancies, the remaining members shall constitute a quorum and may conduct all necessary business until such vacancies are filled. In all matters upon which the Council votes, the individual votes shall be recorded by the City Clerk in the minutes of the Council, and shall be a public record.

An emergency measure is an ordinance or resolution to provide for the preservation of the public peace, property, health or safety, in which the emergency is set forth, and may be made effective immediately upon enactment. No measure making or amending a grant, renewal or extension of a franchise or other special privilege shall ever be passed as an emergency measure.

Such publication may consist of the full text of the ordinance, or a substantive condensed statement of the nature and purpose of the ordinance and the penalty for violation thereof. The penalty, fine or forfeiture shall apply five days after publication. The Council may adopt any code or codification of ordinances or parts thereof, and may amend and correct such ordinances therein for the purpose of general distribution, and when so adopted and contained in printed, multigraphed or mimeographed form, publication of such code thereof need not be made other than by publication of the ordinance or resolution adopting the same, provided that three copies of such code or codification are filed for permanent record and inspection in the office of the City Clerk prior to the adoption thereof.

Any administrative rules or regulations of any department of the City or of the State affecting the City, or any statute of Texas, or any published code, specifications or requirements prepared by an official or unofficial organization for general circulation and use, may be made effective in the City by reference thereto in an ordinance, provided three (3) copies thereof are filed for permanent reference and inspection in the office of the City Clerk prior to the adoption thereof.

Section 28. FILING, EXAMINATION AND CERTIFICATION OF
RECALL PETITIONS. All petition papers comprising a recall petition shall be
assembled and filed with the City Clerk as one instrument. Within twenty
days after filing, the City Clerk shall determine whether each paper of the
petition is properly attested and whether the petition is signed by a sufficient
number of qualified electors. Upon completing his examination, the City Clerk
shall certify the result thereof to the Council. If he should certify that the peti-
tion is insufficient, he shall set forth in his certificate the particulars in which
it is defective, provided; however, that except as to the particulars certified to
be defective, the petition shall be deemed to be valid in all other respects.

Section 29. AMENDMENT OF PETITIONS. A recall petition may
be amended at any time within twenty days after certification of insufficiency by the City Clerk, by filing a supplementary petition upon additional papers signed and filed as provided in case of an original petition. The City Clerk shall, within ten days after such supplement is filed, examine the supplementary petition and, if his certificate shall show the petition still to be insufficient, he shall file it in his office and notify the person filing and no further action shall be had on such insufficient petition. The finding of the insufficiency of a petition shall not prevent the filing of a new petition for the same purpose.

Section 30. RECALL ELECTION ORDERED. If the recall petition, or amended petition be certified by the City Clerk to be sufficient, he shall at once submit it to the Council and notify the Member of Council whose removal is sought of such action. The Council shall order a recall election which shall be held not less than thirty nor more that forty days after the petition has been presented to the Council, and at the same time as any other special or general election held within such period. If no such election is to be held, the Council shall call a special election. Should the Member of Council whose removal is sought resign prior to said recall election, then no election shall be held.

Section 31. BALLOTS IN RECALL ELECTION. Ballots used in recall elections shall read as to each member of the Council whose removal is sought as follows: "SHALL (name of person) BE REMOVED FROM THE CITY COUNCIL BY RECALL?" Below such question there shall be printed the following as to each member:

"For the recall of (name of person.)" "Against the recall of (name of person)."

Section 32. RESULT OF RECALL ELECTION. If a majority of the votes cast be against recall of a member, he shall continue in office for the remainder of his term, but subject to recall as before. If a majority of such votes be for the recall of a member he shall, regardless of any defect in the recall petition, be deemed removed from office and a successor shall be appointed.

Section 33. LIMITATIONS ON RECALL PETITIONS. No recall petition shall be filed against a member of the Council within three months after he takes office nor, in respect to a member subjected to a recall election and not removed thereby, until at least six months after such Election.

Section 34. POWER OF INITIATIVE. The electors shall have power to initiate any ordinance, except ordinances appropriating money, levying a tax, granting a franchise, or fixing public utility rates, and to adopt or reject the
same at the polls; provided, however, that the foregoing limitations on initiated ordinances shall not apply to any ordinance initiated pursuant to the provisions of Article I, Section 3, Paragraph 12 of this Charter. Any initiated ordinance may be submitted to the Council by a petition signed by qualified electors of the City equal in number to ten percent of the electors qualified to vote at the time of the last regular municipal election. In addition to the ordinances excepted above, ordinances zoning or rezoning property shall not be subject to this power.

Section 35. **POWER OF REFERENDUM.** The electors shall have power to approve or reject at the polls any ordinance passed by the Council save one appropriating money, levying taxes, or fixing public utility rates, or any ordinance submitted by the Council of its own initiative to a vote of the electors; provided, however, that the foregoing limitation on ordinances subject to a referendum shall not apply to any ordinances enacted pursuant to the provisions of Article I, Section 3, Paragraph 12 of this Charter. Ordinances submitted to the Council by initiative petition and passed by the Council shall be subject to the referendum in the same manner as other ordinances. Within forty days after the enactment by the Council of any ordinance which is subject to a referendum, a petition signed by qualified electors of the City equal in number to at least ten percent of the electors qualified to vote at the last preceding regular municipal election may be filed with the City Clerk requesting that any such ordinance be either repealed or submitted to a vote of the electors. In addition to the ordinances excepted above, ordinances zoning or rezoning property shall not be subject to this power.

Section 36. **FORM OF PETITIONS.** All petition papers circulated for the purpose of an initiative or referendum shall be uniform in size and style. Initiative petition papers shall contain the full text of the proposed ordinance. The signatures to initiative or referendum petitions need not all be appended to one paper, but to each separate paper there shall be attached a statement of the circulator that he personally circulated the foregoing paper, that all the signatures appended thereto were made in his presence, and that he believes them to be the genuine signatures of the persons whose names they purport to be. Each signer of any such petition paper shall sign his name in ink or indelible pencil and shall indicate after his name his place of residence by street and number, or other description sufficient to identify the voting precinct.

Section 37. **FILING, EXAMINATION AND CERTIFICATION OF PETITIONS.** All petition papers comprising a petition shall be assembled and filed with the City Clerk as one instrument. Within twenty days after a petition is filed, the City Clerk shall determine whether each paper of the petition has a proper statement of the circulator and whether the petition is signed by a sufficient number of qualified electors, and shall hold any petition
paper entirely invalid which does not have attached thereto the statement signed by the circulator thereof. The City Clerk shall certify the result of his examination to the Council at its next regular meeting. If he shall certify that the petition is insufficient he shall set forth in his certificate the particulars in which it is defective and shall at once notify the person filing same of his findings.

Section 38. AMENDMENT OF PETITIONS. A petition may be amended at any time within twenty days after the notification of insufficiency has been sent by the City Clerk, by filing a supplementary petition upon additional papers signed and filed as provided in case of an original petition. The City Clerk shall, within ten days after such an amendment is filed, examine the amended petition and, if the petition be still insufficient, he shall file his certificate to that effect in his office and notify the person filing of his finding and no further action shall be had on such petition. The finding of the insufficiency of a petition shall not prevent the filing of a new petition for the same purpose.

Section 39. EFFECT OF CERTIFICATION ON REFERENDUM PETITION. When a referendum petition, or amended petition, has been certified as sufficient, the ordinance specified in the petition shall not go into effect, or further action thereunder shall be suspended if it be in effect, until and unless approved by the electors.

Section 40. CONSIDERATION BY COUNCIL. Whenever the Council receives a petition from the City Clerk, it shall be immediately considered. A proposed initiative ordinance shall be read and provision shall be made for a public hearing. The Council shall take final action on the ordinance not later than sixty days after the date on which such ordinance was submitted to the Council by the City Clerk. A referred ordinance shall be reconsidered and the Council shall, within thirty days, vote upon the question, "Shall the ordinance be repealed?"

Section 41. SUBMISSION TO ELECTORS. If the Council shall fail to pass an ordinance proposed by initiative petition, or shall pass it in a form different from that set forth in the petition therefor, or if the Council fails to repeal a referred ordinance, the proposed or referred ordinance shall be submitted to the electors at a special or regular municipal election not less than thirty nor more than ninety days from the date the Council takes its final vote thereon.

Section 42. FORM OF BALLOT FOR INITIATED AND REFERRED ORDINANCES. Ordinances submitted to a vote of the electors in accordance with the initiative and referendum provisions of this Charter shall be submitted by ballot title which shall contain a clear, concise statement, with-
out argument, of the substance of such ordinance. The ballot used shall have below the ballot title the following propositions, one above the other, in the order indicated: "FOR THE ORDINANCE" and "AGAINST THE ORDINANCE". Any number of ordinances may be voted on at the same election and may be submitted on the same ballot.

Section 43. RESULTS OF ELECTION. If a majority of the electors voting on a proposed initiative ordinance shall vote in favor thereof, it shall thereupon be an ordinance of the City. A referred ordinance which is not approved by a majority of the electors voting thereon shall thereupon be deemed repealed. If conflicting ordinances are approved by the electors at the same election, the one receiving the greatest number of affirmative votes shall prevail to the extent of such conflict.

Section 44. REPEALING ORDINANCES; PUBLICATION. Initiative and referendum ordinances adopted or approved by the electors shall be published and may be amended or repealed by the Council, as in the case of other ordinances; provided, however, that no ordinance adopted at the polls under the initiative or referendum shall be amended or repealed by the Council within six months of adoption.

Within twenty days after the passage of such a resolution, the City Manager may reply in writing to it, and may request a public hearing. If so requested the Council shall fix a time and place for a public hearing upon the question of removal, which shall be held not sooner that ten days nor more than twenty days after the receipt of such request. City, except for the purpose of inquiry. The Council and its members shall deal with administrative service solely through the City Manager and neither the Council nor any member thereof shall give orders to any subordinates of the City Manager, either publicly or privately. 2. Prepare and recommend to the City Manager a classification plan and amendments thereto for the classified service for presentation upon approval by the City Manager to the Council, and after adoption by the Council, administer the plan approved. The plan shall include titles for each class of positions. Each class shall include all positions which are sufficiently similar with respect to duties, responsibilities, and authority so that the same title may be used to designate each position allocated to the class, the same requirement as to education, experience, intelligence, general and specialized knowledge, skill, physical condition and other qualifications may be demanded of incumbents for the performance of their duties, the same tests of fitness may be used, and the same schedule of pay can be applied under like working conditions. After adoption of the plan the director, with the approval of the City Manager, shall adopt written specifications for each class and allocate positions to classes. The class titles shall be used in personnel, budget, and financial records and communications, and, if individual positions are designated in the appropriation ordinances, in designating such positions;

   - Such other data as is deemed desirable to maintain and improve personnel administration;
4. Hold open competitive examinations for all appointments in the classified civil service to determine the qualifications of those seeking employment and promotions, and upon the basis of such tests establish employment list of persons eligible for appointment in the order of their achievement, which lists shall not be continued in effect for longer than one year following their establishment unless the Director, with the approval of the Commission, shall renew such list for reasons presented in writing, but in no event shall such lists be continued in effect for more that eighteen months.

The character, content and manner of conducting tests shall be determined by the Director, with the approval of the Commission; however, upon the recommendation of the City Manager, approved by the Commission, such tests may be non-competitive for positions which require exceptional qualifications of scientific, managerial, or professional character.
(5) Upon written notice that a position in the classified service is to be filled, certify, in the order of their achievement, the names of the three persons highest on the employment list for the class who are willing to accept appointment. If there is no list available, the Director may authorize a provisional appointment to a permanent position to continue until a list can be established and certification made; provided, however, that no provisional appointment shall continue for more than sixty days and shall not be renewed. Temporary appointments may be authorized by the Director to an extra position established by the Council but shall not continue longer than thirty days and shall not be renewed.

Appointing officers must submit to the Director reports at least once each month during the probationary period. No permanent appointment shall be made except on certificate of the Personnel Director, based upon monthly reports, that the officer or employee has satisfactorily passed the probationary period.

(7) Prepare and recommend to the City Manager at least sixty days before the beginning of each fiscal year for presentation upon approval by the City Manager to the Council, a pay plan, including a schedule of pay for each class of position with minimum and maximum rates and, where necessary, intermediate rates, and, following the adoption of the appropriation ordinance by the Council, see that payments are made in accordance therewith.

(8) Certify to the Department of Finance, prior to payment, that the persons whose names appear on any payroll or pay voucher were on the roster of employees, were employed in accordance with the Charter and regulations established thereunder, performed the services indicated during the period covered, and that the pay rate has been established as provided herein. No payment shall be made without such certificate.

Section 72. **CIVIL SERVICE RULES.** The administration of the classified service of the City, including the employment or appointment of all persons in the classified civil service and their probation, and promotion, shall be prescribed, as far as practicable, by rules and regulations to be known as the Civil Service Rules.

The Director shall, within six months after this Charter takes effect, prepare such rules and recommend their adoption to the Commission. After a public hearing thereon, the Commission shall approve or reject the rules wholly or in part, or modify them, and approve them as modified. Rules, and any amendments thereto, which are approved by the Commission or on which it takes no action within sixty days after they are recommended by the Director, shall be given to the City Manager for presentation to the Council, together with whatever recommendations he may desire to make. Rules and
amendments thereto shall become effective when approved by the Council or on the tenth day after submission if, prior thereto, the Council shall not have rejected them. Thereafter the Board shall have power to amend, repeal, or add to the rules on the recommendation of the Director, or on its own initiative, subject to the requirement of a public hearing and all the other subsequent steps of procedure required herein for adoption of the original rules. Copies of rules and amendments thereto shall be transmitted by the Director to the Council, the City Manager and to the Director of each department, and shall be made available to all officers and employees in the classified civil service of the City.

The rules shall include:

1. A provision that employment, promotion, suspension, reduction or removal shall be upon the basis of education, experience, intelligence, general and specialized knowledge, ability and willingness to work as demonstrated by competitive test and service ratings;
2. A procedure by which any officer or employee without further competitive test may be transferred from a position in a given class to another position in the same class or to a position in a different class for which he is qualified and for which no higher maximum rate of pay has been established;
3. A provision for fixing hours of work, checking attendance, payments for overtime, establishing training courses, determining the order or lay off when forces are reduced because of lack of work or funds, and handling annual, sick, and special leave of absence with or without pay or with reduced pay;
4. A system of service ratings designed to reflect the merit of each person in the classified civil service;
5. Such other provisions as may be required by the Council.

Section 73. APPOINTMENTS. No person shall be appointed to the classified civil service except after certification by the Personnel Director or except upon authorization by him of a provisional or temporary appointment. No person shall be appointed to the classified civil service under any title not appropriate to the duties to be performed.

Section 74. COMPENSATION. The salary or compensation of persons in the classified civil service shall be established by ordinance, which shall provide minimum and maximum compensation for each class of service. All increases or decreases in compensation of any person within the limits provided for each class may be directed by the City Manager or other appointing authority with the approval of the City Manager.

Section 75. INFORMATION, REPORTS, AND ACCESS TO PREMISES AND RECORDS. Every officer and employee in the service of
the City shall furnish the Personnel Director any information required in the administration of personnel and shall allow the Municipal Civil Service Commission and the Director and members of his staff reasonable access to premises, buildings and records under his charge.

Section 76. SUSPENSIONS, REDUCTIONS AND REMOVALS. Any person in the classified civil service who has not completed the probationary period or who is serving under provisional or temporary appointment may be suspended, reduced in pay or class, or removed at any time by the City Manager or other officer having power to appoint. Notice of such action shall be given to the Personnel Director.

Any person who has been appointed following certification from an employment list may be suspended, reduced in pay or class, or removed at any time during the probationary period by the City Manager or other officers having power to appoint by giving him a written notice of such action, together with a statement of the reasons therefor.

Any person who has completed the probationary period may be suspended, reduced in pay or class, or removed by the City Manager or officer having authority to appoint. A written notice of the suspension, reduction or removal, stating the reason therefor and when it is effective, shall be given to such person or sent by registered mail to his usual place of residence. Such person, within ten days, not including Sundays and legal holidays, after the delivery or mailing of such notice, may appeal in writing to the Commission for a hearing. The Commission shall immediately fix a place and a time not later than ten days after such appeal for holding a hearing, at which hearing the appellant shall have the right to appear and be heard in person or by counsel. The Commission shall, at the request of the appellant or of the City Manager or other officer ordering the suspension, reduction or removal, compel other persons to attend the hearing as witnesses. All testimony given shall be under oath. The members of the Commission shall have the power to administer oaths and affirmations, and to compel the attendance of witnesses and other persons by subpoena and other processes provided by law, and to compel the production of all pertinent records. The Commission may make any further investigation which it might deem proper. Within twenty four hours after the completion of the public hearing or such investigation, the Commission shall report its finding and recommendations to the City Manager. A copy of the written statement given the officer or employee, of the written reply thereto, if any, and a copy of the findings and recommendations of the Commission shall be filed as a public record in the office of the Personnel Director.

Section 77. STATUS OF APPOINTIVE OFFICERS AND EMPLOYEES WHEN THIS CHARTER BECOMES EFFECTIVE. All appointive officers and employees in the service of the City, other than the
officers and employees excepted from the classified civil service, whose offices or employments have not been abolished by this Charter, or whose offices or employments are not inconsistent with this Charter, and who have served continuously in their respective offices or employments for six months prior to January 1, 1952, shall be, on and after that date, subject in all respects to the classified civil service provisions of the Charter and shall continue in their respective offices or employments without preliminary or probationary tests.

Section 78. **PROHIBITIONS.** (a) No person shall willfully or intentionally make any false statements, certificate, mark, rating or report in regard to any test, certification, or appointment held or made, or in any manner commit any fraud interfering with the performance of these provisions or the rules and regulations made thereunder. (b) No person seeking appointment to or promotion in the classified civil service shall directly or indirectly give, render or pay any money, service or other valuable thing to any person on account of or in connection with any test, appointment or promotion. (c) No City employee shall continue in such position after becoming a candidate for nomination or election to any City or Bexar County elected office. (d) No City employee may circulate petitions for City Council candidates or City elections, receive or solicit any contribution for any City Council candidate or City election. (e) No City employee shall make any contribution to the campaign funds of any candidate for City office or take any part in the management or affairs or political campaign of any candidate for City office, further than in the exercise of his rights as a citizen to express his opinion and to cast his vote. (f) No employee of the City may wear City Council campaign buttons nor distribute literature at work or in a City uniform or in the offices or building of the City of San Antonio. (g) City employee organizations shall not be allowed to make any contribution to the campaign funds of any candidate for City office or take part in the management or affairs of a political campaign for City office, further than to express opinions, except as authorized by state law.

Any person who by himself or with others willfully or intentionally violates any of the provisions of this section shall be subject to such penalty as may be prescribed by ordinance. Any person convicted under this section shall be ineligible, for a period of five years, for appointment to an office or employment in the classified civil service, and shall, if he be an official or employee of the City, immediately forfeit such office or employment.

Section 79. FISCAL YEAR. The fiscal year of the City shall begin on the first day of October and end on the last day of September of each calendar year. The fiscal year shall constitute the budget year of the City government. The term "budget year" shall mean the fiscal year for which any particular budget is adopted and in which it is administered.
Section 80. **THE BUDGET.** The budget for the City government shall present a complete financial plan for the ensuing fiscal year. It shall set forth all proposed expenditures for the administration, operation and maintenance of all departments and agencies of the City government for which appropriations are required to be made or taxes levied by the City government; all expenditures for capital projects to be undertaken or executed during the fiscal year; a capital program of proposed capital projects for the five fiscal years next succeeding the budget year, provided, however, this requirement shall not apply to the budget year beginning on August 1, 1952; all interest and debt redemption charges during the fiscal year; and the actual or estimated operating deficits from prior fiscal years. The budget shall also set forth the anticipated income and other means of financing the total proposed expenditures of the City government for the fiscal year.

Section 81. **THE BUDGET DOCUMENT.** The budget document shall consist of three parts, as follows:

Part I shall contain (1) a budget message prepared by the City Manager, which shall outline a fiscal policy for the City government, describing therein the important features of the budget with reference both to proposed expenditures and anticipated income for the current year (2) a general budget summary with support schedules, which shall exhibit the aggregate figures of the budget in such manner as to show a balanced relationship between the total proposed expenditures and the total anticipated income for the fiscal year covered by the budget, and which shall compare these figures with the corresponding figures of the last completed fiscal year and the year in progress;

Part II shall contain (1) detailed estimates of all proposed expenditures, showing the corresponding expenditures for each item for the current fiscal year and the last preceding fiscal year with the explanations of increases or decreases recommended as compared with appropriations for the current fiscal year; (2) detailed estimates of anticipated revenues and other income; (3) delinquent taxes for current and preceding years, with estimated percentage collectible; (4) statements of the bonded debt and other indebtedness of the City government, showing the debt redemption and interest requirement, the debt authorized and unissued, the conditions of the sinking funds, if any, and the borrowing capacity of the City.

Part III shall contain a complete draft of the budget ordinance, including an appropriation ordinance and such other ordinances as may be required to finance the budget.

Section 82. **THE PREPARATION AND ADOPTION OF THE BUDGET.** Annually, the City Manager shall establish a budget calendar setting key dates for preparation and adoption of the consolidated annual budg-
et. The departments and agencies of the City government shall transmit, in accordance with the calendar estimates of their budgetary requirements to the department responsible for preparing the budget, which shall prepare a budget for the City Manager in the form required by the Charter. The City Manager shall transmit the annual budget to the Council in accordance with the calendar. The Council shall arrange for and hold at least one public hearing on the budget during the period of its consideration. Provided, however, that at least 10 days prior public notice shall be given of such public hearing, and provided, further, that at least ten days prior to such public hearing, the City Manager shall cause not less than ten copies to be made available in the office of the City Clerk for distribution to interested persons. The Council may revise, alter, increase, or decrease the items of the proposed budget prior to the adoption of the appropriation ordinance, provided that when it shall increase the total proposed expenditures, it shall also increase the total anticipated income so that the total means of financing the budget shall at least equal in amount the aggregate proposed expenditures. When the Council shall make such changes, it shall issue a statement setting forth clearly its action on the budget.

Annually, the Council shall approve the budget plan and shall enact, not later than the twenty seventh day of September, the appropriation ordinance, and such other ordinances as may be required to make the budget effective. As soon as possible after the completion of the tax roll the Council shall pass the tax levy ordinance. A copy of the budget, as finally adopted, shall be filed with the City Clerk, the County Clerk of Bexar County. The final budget shall be reproduced and sufficient copies shall be made available for the use of all departments, offices and agencies of the City, and for the use of interested persons, agencies and civic organizations.

Section 83. WORK PROGRAM AND ALLOTMENTS. Immediately before the beginning of each fiscal year, the head of each department or agency of the City government, upon the direction of the City Manager, shall submit to the responsible Department a work program for the year, which program shall include all appropriations for its operation and maintenance and for the acquisition of property, and which shall show the requested allotments of said appropriations for such department or agency by months for the entire fiscal year. The City Manager, with the assistance of the appropriate Department, shall review the requested allotments in light of the work program of the department or agency concerned, and may, if he deems necessary, revise, alter, or change such allotments before authorizing the same. The aggregate of such allotment shall not exceed the total appropriation available to said department or agency for the fiscal year. The responsible Department responsible for preparing the budget shall authorize all expenditures for the departments and agencies to be made from the appropriations on the basis of the approved allotments, and not otherwise. The approved
allotments may be revised during the fiscal year by the City Manager, or upon application by the head of any department or agency as approved by the City Manager, but in no event shall the aggregate of departmental or agency allotments exceed the appropriation available to such departments or agencies for the fiscal year. If, at any time during the fiscal year, the City Manager shall ascertain that the available income, plus fund balances, for the year will be less than the total appropriations, he shall reconsider the work programs and allotments of the several departments and agencies and revise them so as to prevent the making of expenditures in excess of the said income and fund balance.

Section 84. TRANSFER OF APPROPRIATIONS. Upon written recommendation of the City Manager, the City Council may at any time transfer any unencumbered appropriation balance or any portion thereof within a department office or agency to another.

Section 85. APPROPRIATION OF EXCESS REVENUE. If at any time the total accruing revenue of the City shall be in excess of the total estimated income, as set forth in the annual budget estimate, the Council may appropriate such excess revenues to the retirement of the unbonded indebtedness of the City.

Section 86. MONEY TO BE DRAWN FROM TREASURY IN ACCORDANCE WITH APPROPRIATIONS. No money shall be drawn from the treasury of the City, nor shall any obligation for the expenditure of money be incurred, except in pursuance of the annual or interim fiscal period appropriation ordinance of such ordinance when changed as authorized by this Charter or by the general laws of Texas. At the close of each fiscal year any unencumbered balance of an appropriation shall revert to the fund from which appropriated and shall be subject to reappropriation as provided by this Charter; but appropriations may be made by the Council, to be paid out of the income of the current year, in furtherance of public improvements or public works which will not be completed within such year, and any such appropriation shall continue in force until the purpose for which it was made shall have been accomplished or abandoned.

Section 87. CITY DEPOSITORIES. All monies received by any person, department or agency of the City for or in connection with the business of the City and all funds of the City shall be deposited promptly in the City depository, which shall be designated by the Council in accordance with such regulations and subject to such requirements as to security for deposits and interest thereon as may be established by ordinance. All interest on monies belonging to the City shall accrue to the benefit of the City.

Section 88. COLLECTION AND DEPOSIT OF REVENUES. The Assessor and Collector of Taxes or other designated official (s) shall collect,
issue receipts for, and deposit all ad valorem property taxes, all occupation-
al taxes and all fees and dues as may be prescribed by ordinance.

Section 89. **SEIZURE AND SALE OF PERSONAL PROPERTY.** The Assessor and Collector of Taxes shall, by virtue of his tax rolls, have power and authority to seize and levy upon all personal property and sell the same to satisfy all taxes, together with all penalty, interest and costs due on said personal property by said delinquent to the City. When he seizes personal property for such purposes he shall keep the same at the expense of the owner until the sale is made, and shall give notice of the time and place of sale of same by posting a written notice. A sale of personal property for delinquent taxes shall convey with it an absolute title, and the owner shall have no right to redeem the same.

Section 90. **TAX LIEN.** On January 1 of each year, a tax lien attaches to all real, personal and mobile home property to secure the payment of all taxes, penalties and interest imposed for the year on the property, whether or not the taxes are imposed in the year the lien attaches.

Section 91. **THE POWER OF THE CITY TO ASSESS, BILL AND COLLECT AD VALOREM PROPERTY TAXES.** The City shall have power annually to assess, bill and collect ad valorem property taxes at the rate and in the total amount authorized by the Constitution of Texas and the general laws of this State. The ad valorem property taxes herein above authorized shall be assessed annually and collected on the taxable value of all real, personal and mobile home property having sites in the corporate limits of the City. There shall be an officer in the Finance Department who shall be known as the Tax Assessor-Collector of Taxes. This officer shall assess, bill and collect ad valorem property taxes in accordance with the Constitution of Texas and the State Property Tax Code. The tax levied by any improvement district in the City shall not exceed twenty-five cents annually.

Section 92. **OCCUPATION TAXES.** The Council shall have power annually to levy and collect occupation taxes, in accordance with the provisions of the laws of the State of Texas.

Section 93. **METHOD OF LEVY, ASSESSMENT AND COLLECTION OF TAXES.** All City taxes shall be levied, assessed and collected in the same manner as may be provided by the laws of Texas for the levy, assessment and collections of State and County taxes, unless otherwise provided by this Charter, or by ordinance; provided, however, that no discounts may be granted for the advance payment of taxes. All power conferred by the general laws of Texas as they now or hereafter may exist for the assessment, levy and collection of taxes by county and City assessors and collectors are hereby adopted and made applicable to the City and shall be in addition to and
cumulative of the powers herein expressly granted, including without limita-
tion, those granted to county and City assessors and collectors of taxes, and
to all other persons, bodies or agencies concerned with the assessment and
collection of taxes.

Section 94. **TAX RATE.** The City Council before September 15 or
as soon thereafter as practicable shall adopt a tax rate for the current tax year
and shall notify the Tax Assessor-Collector of the rate adopted. The tax rate
consists of two components, each of which must be approved separately.
The components are: The rate, that, if applied to the total taxable value, will
be used to pay debt service for the fiscal year; and the rate, that, if applied to
the total taxable value, will impose the amount of taxes needed to fund main-
tenance and operation expenditures for the fiscal year. The City may not
impose property taxes in any year until the City Council has adopted a tax
rate for that year and the annual tax rate must be set by ordinance. The vote
on the ordinance setting the tax rate must be separate from the vote adopt-
ing the budget.

Section 95. **TAXES WHEN DUE.** All ad valorem property taxes are
due on receipt of the tax bill and are delinquent if not paid before February 1
of the year following the year in which imposed. The Council shall have
power, by ordinance, to provide for the payment of any taxes due, at the
option of taxpayers, in one payment, or two equal installments.

Section 95A. **CHANGE IN TAX AND FISCAL YEARS.** The Council,
by ordinance, after a public hearing thereon following notice thereof pub-
lished 15 days prior to the date of the hearing, is authorized to provide for a
change to be made in the City tax year from June 1 through May 31, to
January 1 through December 31, and the Council, by ordinance, is author-
ized to provide that the change be made in one or more stages, and that nec-
essary and appropriate changes be made in the dates for renditions, filing of
inventories, assessments, levy of taxes, and billings, the period in which
payment is to be made, the time when taxes become delinquent, and related
matters, to conform to the change in the tax year. The Council is further
authorized by ordinance, in the same manner, after notice and public hear-
ing, to provide for a change in the City's fiscal and budget year from the pres-
ent period to the period October 1 through September 30, in one or more
stages, in conjunction with any change in the tax year pursuant to the author-
ity given herein above, and to provide for necessary and appropriate changes
to be made in the dates for preparation and adoption of the budget, for sub-
missons of work programs and allotments, and for related matters. In order
to provide any necessary financing during the transition or changeover peri-
od(s), the Council may, by ordinance, authorize the borrowing of money by
the issuance of general obligation bonds or promissory notes and the levying
of a sufficient tax to pay the interest thereon and to provide the required sink-
ing fund to pay the principal thereof, and/or may authorize the payment of all or any part of said interest and principal from any other anticipated tax receipts or other available funds.

Section 96. **PENALTIES AND INTEREST ON DELINQUENT TAXES.** A delinquent tax incurs a penalty of six percent of the amount of the tax for the first calendar month it is delinquent plus one percent for each additional month or portion of a month the tax remains unpaid prior to July 1 of the year in which it becomes delinquent. However, a tax delinquent on July 1 incurs a total penalty of twelve percent of the amount of the delinquent tax without regard to the number of months the tax has been delinquent. A delinquent tax accrues interest at a rate of one percent for each month or portion of a month the tax remains unpaid.

Section 96A. **ADDITIONAL PENALTY FOR COLLECTION COSTS.** Taxes that remain delinquent on July 1 of the year in which they become delinquent incur an additional penalty to defray costs of collection. The amount of the penalty may not exceed 15 percent of the amount of taxes, penalty and interest due.

Section 96B. **DELINQUENT TAX ATTORNEY.** The City Council may contract with any competent attorney to represent the City to enforce the collection of its delinquent taxes.

Section 97. **PURCHASE PROCEDURE.**

Paragraph 1. Contracts for the purchase of supplies, material or equipment, or for contractual services shall be in writing and opportunity for competitive bidding shall be given before they are awarded as required by State Law. The Council shall have the right to reject any and all bids.

Paragraph 2. Where the contract is for less than the amount required to be bid by State Law and the item is one provided for in the budget, the Council by ordinance may authorize designated City officials to approve and execute the contract without Council approval, after public notice, competitive bids, request for proposals, or other procedures and safeguards as may be required in such ordinance. This provision would apply to all City contracts.

Section 98. **AUTHORITY TO ISSUE BONDS.** The City shall have power to borrow money on the credit of the City and to issue bonds to construct, acquire, equip, renovate, improve and repair public works for public purposes and to fund or refund any bonded indebtedness; provided, however, that any proposition to borrow money and to issue bonds, except as otherwise authorized by the general laws of Texas, shall be first approved by a
majority of the qualified electors of the City voting in an election held, as prescribed by ordinance, as nearly in accord with this Charter and the laws regulating City elections as may be practicable. The ordinance calling such election shall distinctly specify the purpose thereof; provided, however, that more than one subject or purpose may be included but each shall be separately stated. No election shall be required to authorize the refunding of bonds issued and outstanding. The total bonded debt of the City shall never exceed ten per cent of the total assessed valuation of property shown by the last assessment roll, exclusive of any indebtedness secured in whole or in part by special assessments, exclusive of the bonded debt of any improvement district, and exclusive of any indebtedness secured by revenues, other than taxes, of the City or of any department or agency thereof.

Section 99. REVENUE BONDS. The City shall have power to issue its revenue bonds for the purposes and in the manner and form now or hereafter authorized by any general law of Texas. The City shall have power to borrow money on the credit of any improvement district of the City and issue bonds therefor for permanent public improvements in such districts, and the Council may divide the City, or any portion thereof, into improvement districts; but every proposition to borrow money on the credit of any improvement district for permanent public improvements therein shall be first submitted to and approved by a majority of the qualified electors residing within such district, voting in an election held for such purpose and shall distinctly specify the purpose of the loan and the permanent public improvements to be constructed; provided, however, that several improvements of different character may be submitted at one election. All bonds shall specify the purpose for which they were issued. All accrued interest to date of payment of the proceeds of sale shall be deposited in the City depository. Such bonds may be negotiated in lots as the Council may decree. No debt shall be contracted for the payment whereof such bonds are issued until such bonds are sold and no debt shall ever be created against any improvement district unless at the same time provision be made to assess and collect annually upon property in such district a sum sufficient to pay the debt service on such bonds and create a sinking fund.
thereon as required by law. The tax which shall be collected annually from the owners of property in such improvement district for payment of such bonds shall be in addition to all other current taxes levied by the City, and the fund thus created shall be kept separate by the City depository from other funds, and shall not be diverted or used for any other purpose than to pay interest and principal on such bonds.

The interest and sinking fund, and the funds hereafter created for the retirement of bonds shall be deposited in separate accounts in the City depository and shall not be diverted to any other purpose, or used for any purpose other than to pay interest and principal on such bonds.

Section 103. **SINKING FUND ADMINISTRATION.** The sinking fund for the redemption of any loan or debt may be invested in any investment instruments as authorized by the laws of the State of Texas and any other applicable law, which may include United States interest bearing bonds or bonds of the State of Texas, or Bexar County, Texas, or in bonds of the City, or of any improvement district thereof and the interest of such bonds, shall be reinvested; and such investment instruments shall be sold when necessary to pay the interest or principal of the bonds issued under the provisions of this section. Said sinking fund may be appropriated at any time to reduce the public debt by the purchase and cancellation of outstanding City bonds, or for the investment of such sinking fund.

Section 104. **DISBURSEMENT OF FUNDS.** All checks, vouchers or warrants for the withdrawal of money from the City depository shall be signed by the Director of Finance, or his deputy; provided, however, that checks, vouchers or warrants for the withdrawal of sinking funds shall also be signed by the City Manager, or, in his absence, by an officer designated by the Council.

Section 128. INALIENABILITY OF PUBLIC PROPERTY. The ownership, right of control and use of the streets, highways, alleys, parks, public places and all other real property of the City is hereby declared to be inalienable by the City, except by ordinances passed by vote of a majority of the Council as hereinafter provided; and no franchise or easement involving the right to use the same, either along, across, over or under the same, shall ever be valid, unless expressly granted and exercised in compliance with the terms hereof, and of the ordinances granting such use. No act or omission of the City, its Council, officers or agents shall be construed to confer or extend by estoppel or indirection, any right, franchise or easement not expressly granted by ordinance.

Section 129. FRANCHISE POWER OF THE CITY. The City shall have the power, subject to the terms and provisions hereof, by ordinance to confer upon any person, firm or corporation the franchise or right to use the property of the City, as defined in the preceding section, for the purpose of furnishing to the public any general public service, including without limitation, however, heat, light, power, telephone service, refrigeration, steam, and the carrying of passengers for hire whether over designated routes or not within the City or its suburbs over the streets, highways and property of the City, or for any other purpose, whereby a general service is to be furnished to the public for compensation or hire, to be paid to the franchise holder, whereby a right to, in part, appropriate or use the streets, highways or other property of the City is necessary or proper. The provisions hereof with references to public utilities shall not apply to those owned by the City.

Section 130. LIMITATIONS OF FRANCHISES. No exclusive franchise or privilege shall ever be granted, nor a franchise nor a privilege to commence at any time after six months subsequent to the taking effect of the ordinance granting the same. No franchise or privilege shall be extended
directly or indirectly beyond the term originally fixed by the ordinance granting the same. An application for the renewal of a franchise or the granting of a new one may be considered and acted upon prior to the expiration date of the current franchise so that the new franchise may take effect upon the expiration date of the other; provided however, that the procedure prescribed herein for the original granting of such franchise is followed in all particulars.

Section 131. **GRANTING OF FRANCHISES.** The City shall have the power by ordinance to grant any franchise or right mentioned in the preceding sections hereof, which ordinance shall not be passed finally until its third and final reading, which readings shall be at three separate regular meetings of the Council, the last of which shall take place not less than thirty days from the first. After the passage of the ordinance on its first reading, it shall be published once in a newspaper of general circulation in the City, advising all persons that a public hearing will be held on this franchise on the date stated. No ordinance granting a franchise shall pass any reading except by a vote of the majority of the Council and such ordinance shall not take effect until sixty days after its adoption on its third and final reading; provided however, the ordinance shall be subject to referendum as provided by this Charter or now or as hereafter may be provided by the general laws of Texas.

Section 132. **POWERS OF CITY OVER FRANCHISE HOLDERS.** The City shall have the right and power, acting through the Council, to determine, fix and regulate the charges, fares or rates of any person, firm or corporation enjoying or that may enjoy a franchise or exercise any other public privilege in said City and to prescribe the kind of service to be furnished by such person, firm or corporation, and the manner in which it shall be rendered, and from time to time to alter or change such rules, regulations and compensation. The City shall have the power and authority to require extensions, betterments and improvements of the service that may be rendered by the holder of the franchise and shall likewise have the power to prevent the making of unnecessary or unprofitable extensions.

Section 133. **ANNUAL REPORTS AND STATEMENTS REQUIRED OF FRANCHISE HOLDERS.** Every person, firm or corporation holding a franchise or enjoying an easement of any sort through, under or from the City shall be required to prepare and file annually with the Council, within sixty days after the close of a fiscal year, a true, full and correct statement based upon the condition at the close of such fiscal year and the transactions for the current year which shall exhibit:

(a) The amount of all stock issues of such corporation and the divisions thereof;

(b) An itemized statement of indebtedness, its nature and divisions, whether floating or bonded, and the interest payable on each item thereof;
(c) An itemized statement of income and the amounts derived from each source of income;
(d) An itemized and detailed statement of expenditures;
(e) An itemized statement of all property of every kind owned and used in rendering the public service, wherever situated and the location and fair market value of each item thereof.

Said annual statement shall be verified by oath of the person, a member of the firm or a duly authorized officer or agent of the corporation, and upon its filing shall become part of the permanent records of the City. If any person, firm or corporation required to file such report shall fail to do so as herein provided, such failure shall be grounds for forfeiture of the franchise and it shall be the duty of the City Attorney, after due notice to the grantee of such intention, to bring suit within a reasonable time in the District Court to forfeit the franchise granted and if it shall appear to the court that such person, firm or corporation has willfully failed to make such report, it shall render judgement in the cause decreeing a forfeiture of such franchise and of all rights accruing thereunder.

Section 134. CONDITIONS OF FRANCHISES. Each franchise granted by the Council shall provide:

(1) For the compensation to be paid to the City for the use and occupancy of the public property, which said compensation may be a fixed fee, or may be measured by gross receipts, or some other method mutually agreeable to the parties. Such compensation may be changed from time to time by mutual consent;
(2) For the length of time that such franchise shall continue in effect; provided however, that no franchise shall be granted for a period longer than twenty-five years;
(3) That no franchise shall be assigned without the written consent of the Council, which consent shall be evidenced by a resolution or an ordinance;
(4) That the procedure to be followed in ordering the making of extensions, betterments or permanent improvements of the service by the City or considering applications by the grantee for permission to make extensions, enlargement or betterments, be prescribed;
(5) That no rate of return shall exceed a fair return upon the fair value of the property used in rendering the public service;
(6) Each franchise shall provide for a method of accounting applicable to the particular business conducted by the grantee;
(7) Adequate provision shall be made in each franchise for the maintenance of sufficient depreciation reserves so that the integrity of the property used and useful in rendering the public service may be maintained. Each franchise shall specify the purposes for which the depreciation reserves may
be used. In determining the amount and character of reserves required it shall be proper to resort to current common practices applicable to the particular utility concerned;

(8) Each franchise shall provide for a recapture provision whereby the City shall have the right to cancel the franchise and purchase the property of the franchise holder at a price to be determined according to the formula or method agreed upon in the franchise when granted;

(9) That the grantee may be required, at grantee's expense, to conform its installations in the streets, alleys and public ways to any changes of grade made by the City.

Section 135. INVESTIGATIONS AND PUBLIC HEARINGS. The Council shall have full power to examine or cause to be examined at any time, and at all times the books, papers and records of franchise holders; to take testimony and compel the attendance of witnesses and the production of books, papers, and records and to examine witnesses under oath and under such rules and regulations as it may adopt and should any franchise holder refuse to permit the inspection of such books, papers or records by the Council or by any one designated by it to make such inspection or fail to produce the same when notified to do so by the Council, or should any officer, agent or employee of such franchise holder refuse to give testimony before the Council, the Council shall have the power by ordinance, to declare the franchise or privilege enjoyed by such person, firm or corporation in default and terminated. The Council shall have the power to call a public hearing, giving reasonable notice to the holder of a franchise, to determine whether or not an application to increase rates shall be granted or to determine whether or not the rates currently charged by any holder of a franchise for the service rendered are excessive. In that connection the Council shall have full power to examine the books, papers and records of the franchise holder, and to compel the attendance of all witnesses deemed necessary for the ascertainment of the facts in connection with said inquiry. Failure to obey any subpoena to appear as a witness shall be punishable by the Council for contempt by any appropriate proceedings permitted by law.

Section 136. SUPERVISOR OF PUBLIC UTILITIES. There is hereby created the Office of Supervisor of Public Utilities, who shall be nominated by the City Manager and confirmed by the Council. He shall serve at the pleasure of the City Manager and shall receive such compensation as may be fixed by the Council. The Supervisor of Public Utilities shall have such assistants as may be determined by the Council in cooperation with the City Manager.

The Supervisor shall assemble the facts which are essential to proper determination of cost of service and the fixing of reasonable rates. He shall have and keep up to date an inventory of the property used in public service,
the cost of such properties as actually and reasonably incurred or as fixed by
appraisal, additions and retirements made each year, the depreciation and all
matters that enter into the periodical readjustment of the rate base. He and
his assistants under his direction shall have power to make and shall conduct
all inspections and examinations of public utility properties, accounts and
records. At the close of each calendar or fiscal year, he shall make a com-
prehensive report and recommendations to the Council, which, after receiving
them, may proceed with informal negotiations or with formal proceedings.
Every public utility operating within the City shall furnish the Supervisor regu-
lar reports as to capital outlay, property retirements, operating revenues, oper-
ating expenses, taxes and other accounting matters according to the standard
accounting classifications for each such utility. In addition, the City may
require reports regarding salaries, wages, employees, contracts, service per-
formance and all other records of operation that pertain to the proper rate
adjustments on the basis of facts and regular administration.

In connection with any application for an increase in rates, fares or
charges by a holder of a franchise, or an inquiry initiated by the Council as to
the reasonableness of the rates charged by any franchise holder, the Council
may refer the matter to the Supervisor for the purpose of affording to the hold-
er a hearing thereon. The Supervisor may give such a rate hearing to any
such person, firm or corporation provided for hereunder and report his find-
ings and recommendations to the Council for their adoption, revision or rejec-
tion.

The Supervisor, while sitting for the purpose of giving such hearing,
shall have all the powers herein conferred on the Council to inspect books
and compel attendance of witnesses and may prescribe the penalties pro-
vided herein for failure or refusal to attend and testify or produce such books.

The Council may certify any such hearing to the Supervisor whenever it deems it advantageous to have the Supervisor sit and give such hear-
ing instead of the Council; provided, however, that the evidence at any hear-
ing so held and the findings of the Supervisor shall be fully reported to the
Council for its approval, amendment, revision or rejection.

The Supervisor shall perform such other duties and services affect-
ing public utilities as are assigned to him or directed by the City Manager or
Council.

Section 137. **MISCELLANEOUS PROVISIONS.** The Council shall
have the right by resolution to grant a temporary use of a street, alley, public
way or public property for a period not to exceed two years and by ordinance,
in the nature of a franchise, for a period not to exceed twenty-five years, and
charge therefor such compensation annually as may be proper. The grants
contemplated by this section do not include utility franchises as that term is generally understood. In this connection the Council shall have the right to grant to the owner of property abutting upon the streets, or other property of the City, the use thereof or to go under or over the same in any manner which may be necessary or proper to the better enjoyment of said abutting property by the owner; provided, however, that such use be not inconsistent with, or does not unreasonably impair the public use to which said street or other property may be dedicated.

The Council shall fix the terms and conditions of any such grant and the time for which the same shall exist. The right is expressly reserved to the City, acting through the Council to terminate such grant when deemed inconsistent with the public use of the property of the City, or when the same may become a nuisance.

Section 145. **CITY RECORDS OPEN TO PUBLIC.** Every citizen shall, during office hours, have the right to examine any and all books, vouchers, records and papers belonging to the City and shall have the right to take copies; and it shall be the duty of the proper custodian of such papers and records to produce and exhibit any such papers or records demanded to be inspected by any such citizen.

Section 146. **SECURITY OR BOND NOT REQUIRED.** The City shall not be required to give any bond for security or costs or any other security in any suit or action brought by or against it, or in any proceeding to which it may be a party in any court in this State; and the City shall have all remedies of appeal provided by law to all courts in this State without bond or security of any kind, but shall be liable in the same manner and to the same extent as if the bond, undertaking or security required in other cases had actually been executed and given.

Section 147. **EXECUTION AND GARNISHMENT.** No execution shall be issued or levied by virtue of any judgment that may be recovered against the City, but the Council shall provide for the payments of judgments in the levying of taxes next after the final recovery of such judgments from the City. All assets of the City, including lands, houses, monies, debts due the City, personal and real property, and assets of every description belonging to the City, shall be exempt from execution and sale; but the City shall make provisions, by taxation or otherwise, for the payment of any and all indebtedness incurred by the City. No writ of garnishment shall issue against the City to subject or seize any debt to any person or corporation, or any claim or demand upon any fund in the hands of said City or any of its officers; nor shall
the City or any of its officers or agents, be required to answer any writ of garnishment.

Section 148. ASSIGNMENTS. The City shall not recognize transfers or assignments of salaries or wages, nor shall any officer of the City receive or honor any drafts or order drawn by any person against his salary or wages, but the warrant or money shall in every instance be delivered or paid to the person entitled thereto according to the City's accounts; nor shall any officer of the City issue any certificates of indebtedness. Nothing herein contained shall prevent the holder of a warrant from transferring it. If the Council so declares by ordinance, a warrant for the total amount of any payroll may be drawn in favor of the person paying such payroll, and such warrant shall have the same legal standing effect as any other warrant.

Section 149. COMPETENCY OF INHABITANTS OR TAXPAYERS. No person shall be disqualified as a judge, justice or juror by reason of his being an inhabitant in the City or subject to taxation by the City in any action or proceeding in which the City may be a party at interest.

Section 150. LIABILITY OF THE CITY AND LIMITATIONS THEREON. Before the City shall be liable for damages for the death or personal injuries of any person or for damage to or destruction of property of any kind, the person injured, if living, or his representatives, if dead, or the owner of the property injured or destroyed, shall give the City Manager or the City Clerk notice in writing of such death, injury or destruction within ninety days after same has been sustained, stating in such written notice when, where, and how the death, injury or destruction occurred and the apparent extent of any such injury, and the amount of damages sustained; provided, however, that in no event shall the City be liable in damages to any one on account of any defect in, obstruction, on or anything else in connection with any sidewalk in the City. And provided, further, that in order to hold the City liable in damages to any one on account of any injury caused by any defect in, obstruction on, or anything else in connection with any street, alley or plaza, bridge, river bank, water course, or any public way, it must be shown that the City Manager, a member of the Council, or some person having superintendence or control of the work for the City had actual knowledge or actual notice of such defect, obstruction or other thing for a sufficient length of time before such injury was received, to have remedied or guarded against such condition of the street, alley or plaza before the injury was received.

Section 151. LIABILITY OF OFFICERS AND EMPLOYEES. No officer or employee of the City shall be liable for damages for any act committed in the proper discharge of his duties.

Section 152. RESERVED.
Section 153. CEMETERY LOTS EXEMPT FROM TAXES, ETC.
The cemetery lots which have been or may hereafter be laid out and sold by
the City for private places of burial, shall, with the appurtenances, forever be
exempt from taxes, exceptions, attachments and forced sales.

Section 154. APPOINTMENTS TO BOARDS, COMMISSIONS
AND AUTHORITIES. The Mayor and City Council shall appoint all members
of regulatory and Zoning Boards or Commissions. No member of any such
Board or Commission may be compensated by the City at a rate in excess of
twenty dollars per meeting, or more than $1,040 per annum.

Section 155. CONTINUATION. All rights, actions, penalties and
forfeitures in suits or otherwise which have accrued prior to adoption of this
Charter shall be vested in and possessed by the City and no suit pending
shall be affected by the passage of this Charter, but the same shall be pros-
ecuted or defended, as the case may be, by the City.

Section 156 – 158. RESERVED.

Section 159. LOYALTY OATH. Before entering upon the duties of
his or her office or employment, every officer and employee of the City shall
swear or affirm to the following: “I (Name of officer or employee), do solemn-
ly swear (or affirm) that I do not advocate, nor am I a member or affiliate of
any organization, group or combination of persons that advocates the over-
throw of the Government of the United States of America by force or violence;
and that during the tenure of my office or employment under the City of San
Antonio, Texas, I will not advocate nor become a member or an affiliate of any
organization, group or combination of persons that advocates the overthrow
of the Government of the United States of America by force or violence.” The
foregoing oath shall be sworn to or affirmed before a person qualified to
administer oaths or affirmations, and shall be attested to by such person.
Any person who shall be found guilty, in a public hearing held thereon by the
Council, of having falsely taken such oath shall immediately forfeit his or her
office or employment under the City, and, upon conviction of such offense in
any court having jurisdiction, may be punished as provided by the general
laws of this State.

Section 160. OFFICERS TO HOLD OVER UNTIL THEIR
SUCCESSORS ARE APPOINTED AND QUALIFIED. Whenever under the
provisions of this Charter any officer of the City, judge or member of any board
or commission is appointed for a fixed term, such officer, judge or member shall
continue to hold office until his successor is appointed and qualified.

Section 161. PUBLIC ACT, LIBERAL CONSTRUCTION. This
Charter shall be deemed a public act, and may be read in evidence without
pleading or proof, and judicial notice shall be taken thereof in all courts and
places. It is intended by this Charter to promote a more efficient and effective government, for the City and to secure for the people improved representation in legislation, and greater economy and efficiency in administration. To that end, it is directed that all provisions of this Charter shall be liberally construed, and the Council is hereby vested with all legislative powers required to augment these provisions and to insure at all times the effective operation of this Charter.

Section 162. **RENUMBERING AND REARRANGEMENT OF CHARTER PROVISIONS.** The Council shall have power, by ordinance, to renumber and rearrange all articles, sections, and paragraphs of this Charter or any amendments thereto, as it shall deem appropriate.

Section 163. **AMENDMENTS.** This Charter may be amended at any time in accordance with the applicable provisions contained in the statutes and as provided by the Constitution of Texas.

Section 164. **SEPARABILITY CLAUSE.** Should any article, section, part, paragraph, sentence, phrase, clause or word of this Charter, for any reason, be held illegal, inoperative or invalid, or if any exception to or limitation upon any general provision herein contained be held to be unconstitutional or invalid or ineffective, the remainder shall, nevertheless, stand effective and valid as if it had been enacted without the portion held to be unconstitutional or invalid or ineffective.

Section 165. **RESERVED.**
