

AN ORDINANCE 2018-12-13-0999

**APPROVING A CONTRACT BETWEEN THE CITY OF SAN ANTONIO AND AT&T CORP. FOR COMMUNICATIONS PRODUCTS AND SERVICES AT CUSTOMER SPECIFIC PRICING WITH AN ESTIMATED COST OF UP TO \$3.8 MILLION ANNUALLY.**

\* \* \* \* \*

**WHEREAS**, on July 14, 2017, the City issued a Request for Competitive Sealed Proposal ("RFCSP") for communications services to approximately 12,000 City employees located in over four hundred (400) facilities throughout San Antonio; and

**WHEREAS**, the RFCSP requested proposals from qualified vendors for the following categories of services: (1) wired telephone service; (2) metropolitan ethernet services; (3) broadband services; (4) internet access services; (5) long distance service, and support for conference calling, directory listing, and 3-1-1 services; and

**WHEREAS**, the stated purpose of the RFCSP was to reduce costs for communications services and improve efficiencies in the delivery and use of such services by consolidating existing contracts, expanding communication services, and providing more effective communication business processes for City departments; and

**WHEREAS**, inherent in the scope of services of the RFCSP is the goal of strategically partnering with one or more communications providers for the purpose of transitioning the City's communications capabilities into more advanced voice and data broadband services and functionalities; and

**WHEREAS**, in the RFCSP, the City expressed a preference to contract with a single provider for all communication service categories contained in the RFCSP, but reserved the right to award each category of service individually; and

**WHEREAS**, on November 13, 2017, the City received responses from four (4) vendors; however, two (2) proposals were deemed non-responsive. One firm failed to submit required proposal information such as experience, background and qualifications, or a proposed plan that was required in order to evaluate the proposal. The second firm failed to submit its response to the Office of the City Clerk by the stated due date and time; and

**WHEREAS**, on April 30, 2018, following the completion of the evaluation process, the head of the evaluation committee made a recommendation to the City's Chief Technology Officer and Chief Information Officer to pursue negotiations with AT&T Corp. ("AT&T") for a Best and Final Offer ("BAFO") based on the evaluation results; and

**WHEREAS**, on May 24, 2018, AT&T presented its BAFO to the City in which it offered a discount over and above the pricing it offered in its initial response to the RFCSP in exchange for receiving at least seventy percent (70%) of the City's overall business in the categories of communications services subject to the RFCSP; **NOW THEREFORE:**

RP  
12/13/2018  
Item No. 07

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:**

**SECTION 1.** The Agreement between the City of San Antonio and AT&T Corp. for Communications Products and Services at Customer Specific Pricing ("Agreement") is hereby approved. A copy of the Agreement in substantially its final form is attached hereto and made a part of this Ordinance as "Exhibit A".

**SECTION 2.** The City Manager or designee is hereby authorized to execute the agreement any and any related documents necessary to fulfill the purpose and intent of this Ordinance without further council approval.

**SECTION 3.** The amounts will be encumbered upon issuance of a purchase order, and payment is authorized to AT&T. All expenditures will be in accordance with the Fiscal Year 2019 and subsequent budgets that fall within the term period of this contract approved by City Council.

**SECTION 4.** The financial allocations in this Ordinance are subject to approval by the Director of Finance, City of San Antonio. The Director of Finance may, subject to concurrence by the City Manager or the City Manager's designee, correct allocations to specific SAP Fund Numbers, SAP Project Definitions, SAP WBS Elements, SAP Internal Orders, SAP Fund Centers, SAP Cost Centers, SAP Functional Areas, SAP Funds Reservation Document Numbers, and SAP GL Accounts as necessary to carry out the purpose of this Ordinance.

**SECTION 5.** This Ordinance shall become effective immediately upon the passage by eight (8) votes of the City Council and if passed upon fewer than eight (8) votes after the tenth (10<sup>th</sup>) day after passage thereof.

**PASSED AND APPROVED** this 13<sup>th</sup> day of December 2018.

Item No. 07

# EXHIBIT "A"

**AGREEMENT BETWEEN THE CITY OF SAN ANTONIO AND AT&T CORP. FOR  
COMMUNICATIONS PRODUCTS AND SERVICES AT  
CUSTOMER SPECIFIC PRICING**

This Agreement between the City of San Antonio and AT&T Corp. for Communications Products and Services at Customer Specific Pricing (hereinafter "Agreement") is made and entered into this \_\_\_ day of \_\_\_\_\_ 2018, by and between the City of San Antonio, Texas, a municipal corporation (hereinafter "City") and AT&T Corp., a Delaware corporation (hereinafter "AT&T" and collectively, the "Parties").

**WITNESSETH:**

**WHEREAS**, on July 14, 2017, the City issued a Request for Competitive Sealed Proposal ("RFCSP") for communications services to approximately 12,000 City employees located in over four hundred (400) facilities throughout San Antonio; and

**WHEREAS**, the RFCSP requested proposals from qualified vendors for the following services: (1) local voice - single and multiline; (2) 3-1-1 non-emergency reporting; (3) disaster routing and network reconfiguration services; (4) private lines; (5) WAN/LAN broadband services; (6) directory assistance services; (7) long distance voice services; (8) Internet connection services; (9) PBX and central office exchange services; and (10) other related services and products; and

**WHEREAS**, the stated purpose of the RFCSP was to reduce costs for communications services and improve efficiencies in the delivery and use of such services by consolidating existing contracts, expanding communication services, and providing more effective communication business processes for City departments; and

**WHEREAS**, public safety two-way radio services, mobile voice, mobile data and 911 emergency services are **not** included in the scope of this Agreement; and

**WHEREAS**, inherent in the scope. of services of the RFCSP is the goal of strategically partnering with one or more communications providers for the purpose of transitioning the City's communications capabilities into more advanced voice and data broadband services and functionalities; and

**WHEREAS**, in the RFCSP, the City expressed a preference to contract with a single provider for all communication service categories contained in the RFCSP Attachments J through S, but reserved the right to award each category of service individually; and

**WHEREAS**, on November 13, 2017, the City received responses from 2 two (2) qualified vendors, including AT&T; and

**WHEREAS**, on May 24, 2018, AT&T presented a Best and Final Pricing Offer ("BAFPO") to the City in which the company offered a five percent (5%) discount over all service pricing offered in its initial response to the RFCSP in exchange for receiving seventy percent (70%) of the City's business in all categories of communications services set out in the RPCSP; and

**NOW, THEREFORE,** for valuable consideration, the receipt and sufficiency of which is hereby acknowledged and confessed, and intending to be legally bound hereby, the City and AT&T agree as follows:

**ARTICLE I**  
**DEFINITIONS**

As used herein the terms set forth below shall be defined as follows:

1.1 "Affiliate" means any entity that controls, is controlled by, or is under common control with AT&T.

1.2 "Agreement" shall mean this "Agreement between the City of San Antonio and AT&T Corp. for Communications Products and Services at Customer Specific Pricing."

1.3 "City" shall mean the City of San Antonio represented by the Director appointed by the City Manager and may include such person or persons designated by him to act on his behalf with respect to certain matters pertaining to this Agreement.

1.4 RESERVED

1.5 RESERVED

1.6 "Department" shall mean the Information Technology Services Department, as applicable.

1.7 "Chief Information Officer" shall mean the City's Chief Information Officer and the Director of the Department or his designee.

1.8 "City Facilities" or "City Site" shall mean City's physical locations where AT&T will install or provide a service under this Agreement.

1.9 "Service Component" means individual component of a service provided under this Agreement.

1.10 "Effective Date" means the latest date on which this Agreement is signed by both Parties following approval of the Agreement by an ordinance of the San Antonio City Council.

1.11 "RFCSP" and "City's RFCSP" means the City's Request for Competitive Sealed Proposal ("RFCSP") for Formal Annual Contract for Telecommunications, Network Connectivity and other Telecom Services, RFCSP 6100008613.

1.12 "AT&T's Response" means AT&T's Response to the City's RFCSP on November 13, 2017, as well as Pricing schedules, SBEDA Forms, VOSBPP Tracking Form that were excluded from AT&T's Response at the City's Request.

1.13 "AT&T's Best and Final Offer" as means the letter and final pricing offer sent by AT&T to Jorge Garcia, City's Procurement Manager, dated May 24, 2018, including AT&T's Final Pricing

Schedules from RFCSP Attachment B, which were also attached to the May 24<sup>th</sup> letter.

**ARTICLE II**  
**SCOPE OF SERVICES**

2.1 Scope of Services. The scope of services includes the following categories of communications services that will be made available by AT&T:

- 2.1.1 Wired Services
- 2.1.2 Metropolitan Ethernet Services
- 2.1.3 Broadband Services
- 2.1.4 Internet Connection Services
- 2.1.5 Long Distance (Inbound 800 and International), Group Conference Calling, Directory Assistance and 311 Services

2.2 General and Technical Requirements. The general and technical requirements for each service subject to this Agreement are listed in Exhibit D. AT&T is responsible for providing notice in accordance with Section 11.10 (Withdrawal of Service) and, to the extent pricing can be agreed for same between the Parties at the time of such notice, a technology migration path, for all services that may be sunset during the life of the Agreement and any applicable time frames agreed to by the Parties to transition to new services, unless time frames are otherwise specified in the Agreement. If the Parties cannot agree on the pricing of new services, then the provisions of Section 11.10 (Withdrawal of Service) shall apply to such service.

2.3 Price List. A list of prices for each category of communications services subject to this Agreement is included in Exhibit E.

2.4 Wired Services. A listing of wired services presently utilized by the City is included in Exhibit A, which was provided as part of the RFCSP and represents a snap shot picture of wired services utilized by the City at the time the inventory was prepared. The City does not warrant the accuracy of Exhibit A as of the Effective Date of this Agreement. The following wired services will be provided by AT&T under this Agreement.

- 2.4.1 Group 1: Small Voice
- 2.4.2 Group 4: Disaster Routing and Network Reconfiguration Service
- 2.4.3 Group 5: ISDN/Private Lines
- 2.4.4 Group 7: Broadband Services
- 2.4.5 Group 8: Directory Listing Services
- 2.4.6 National Calling. Long distance services within the continental United States are included in the price for each applicable group of wired services listed above as specified in Exhibit E.

2.5 Metropolitan Ethernet Services. Based upon the City's forecasted bandwidth requirements

and the availability of funding, the following metropolitan Ethernet service options may be procured by the City at any time during the term of the Agreement:

- 2.5.1 2 Mbps Ethernet through 100 Mbps Ethernet (Category A)
- 2.5.2 150Mbps Ethernet through 900 Mbps Ethernet (Category B)
- 2.5.3 1000 Mbps Ethernet through 10,000 Mbps Ethernet (Category C)
- 2.5.4 All City facilities may potentially require Metropolitan Ethernet services at any time during the term of this Agreement.

2.5.5 Provided that the City purchases ADE service for a minimum term of thirty six (36) months at the prices and quantities set forth in AT&T's Response on or prior to the date which is three years following the Effective Date, AT&T agrees to provide the five (5) Facilities identified in RFCSP Exhibit 7 with dual attached Metropolitan Ethernet service (Category C), which will require physically redundant digital service through separate building entries, and separate serving offices.

2.5.6 Notwithstanding Section 11.10 (Withdrawal of Service), provided that the City executes and delivers a pricing schedule for same contemporaneously with the Effective Date of this Agreement, the City shall be permitted to retain existing Opt-E-Man services in place for the term of such pricing schedule, up to a maximum of thirty-six (36) months, barring unforeseen circumstances.

- a. The migration of any such Opt-E-Man services to newer AT&T service offerings shall be subject to migration funding approved by the City Council of the City of San Antonio. If migration funding is not approved prior to the date which is thirty six (36) months following the Effective Date, then Section 11.10 (Withdrawal of Service) shall apply to same.
- b. If the City migrates Opt-E-Man services to Switched Ethernet on Demand (ASEoD) in accordance with the foregoing or installs new ASEoD City Sites, if the applicable sites satisfy AT&T's entrance facility construction (EFC) offer, then AT&T will construct entrance facilities associated with the new ASEoD sites for a flat fee of \$3,000.00 per City Site, and the City (or building landlord) will own the completed entrance facility and be responsible for arranging maintenance as needed. If applicable City Sites do not satisfy AT&T's entrance facility construction (EFC) offer, then AT&T shall seek an outside contractor, preferably SBEDA approved, to perform such construction, at costs to be determined on a per-site basis. Provided the City and AT&T mutually approve such costs, AT&T will use commercially reasonable efforts to cause such contractor to construct entrance facilities associated with the new ASEoD City Sites for the mutually approved amount, and the City (or building landlord) will own the completed entrance facility and be responsible for arranging maintenance as needed.

2.7 Broadband Services. Based upon the City's forecasted bandwidth requirements and availability of funding, the following broadband services may be procured by the City at any time during the term of the Agreement: Sub-Ethernet (3-20Mbps) (Category D).

2.8 Internet Connection Services. The general and technical requirements applicable to these services are included in Exhibit D:

2.8.1 AT&T will provide the following Internet connection services as required at the following City addresses/facilities in San Antonio:

- 515 S. Frio Street 1000 Mbps Service
- 8130 Inner Circle Brooks 1000 Mbps Service
- 600 Soledad 1000 Mbps Service
- 9800 Airport Blvd. 1000 Mbps Service
- 900 E. Market Street 1000 Mbps Service
- Additional City Facilities 3-20 Mbps Service

2.8.2 If City operations are moved to a previously unserved location, then AT&T will reasonably evaluate its ability to provide the Mbps Service requested by the City at the new location at the price and terms and conditions set out in the Agreement, and advise the City accordingly.

2.9 Long Distance (Inbound 800 and International); Group Conference Calling, Directory Assistance and 311 Services. The general and technical requirements applicable to these services are included in Exhibit D.

2.10 New Fiber-Based City Sites. City shall be permitted to order fiber-based services to new City Sites, provided that the Parties understand and agree that fiber-based services to new City Sites may be subject to special construction charges, which the Parties shall agree to in writing, together with any other applicable installation or other terms, prior to the initiation of such construction and/or service(s).

2.11 Electronic Billing. AT&T shall provide comprehensive billing services that are aligned and closely integrated with the City's internal billing systems in place as of the Effective Date. All billings will be submitted to the City in an electronic format, and billing in a printed format will be provided upon request by the City. The electronic and paper billings will reflect the same service period and billing amount. AT&T has agreed to change from convergent billing to multiple consolidated bills. Reports generated from Business Direct and Business Center may differ from Electronic or Paper bills.

2.12 Audit and Inventory. Within 120 days after the Effective Date, AT&T will provide a complete audit and inventory of the City's current communications services to be replaced by AT&T's services under this Agreement. Audit and inventory results shall be made available to the City in an Excel spreadsheet format. AT&T will also perform an annual audit and inventory to assist the City in identifying services no longer being utilized or in service. All audit data will be submitted to the Chief Information Officer or his designee. This audit provision is not intended as a substitute for the City conducting an authorized review of access line reporting requirements pursuant to section 283.056 (C) of the Texas Local Government Code, Texas Public Utility Commission Substantive Rule 26.469 and other applicable laws and regulations

2.13 RFCSP Transitional Requirements under the Agreement. The Parties will cooperate in order to achieve the following transitional requirements required by the City including the following features:

2.13.1 Transition of Wired Services. Transition from existing wired services to metropolitan Ethernet services and broadband services. The City reserves the right to add and/or disconnect wired services on a monthly basis as needed. Any disconnected wired service shall not be subject to the termination and/or cancellation charges set forth in this Agreement.

2.13.2 Transition of Metropolitan Ethernet Services. For metropolitan Ethernet services, the City reserves the right to add and/or disconnect metropolitan Ethernet services on an "as-needed" basis, and agrees to a thirty-six (36) month minimum service period for each service address from the original installation date of service, including installations provided by AT&T that predate the Agreement.

2.13.3 Transition of Broadband Services. For broadband services, the City reserves the right to add and/or disconnect broadband services on an "as-needed" basis, and agrees to a twelve (12) month service period for each service address from the original installation date of service, including installations provided by AT&T that predate the Agreement.

2.13.4 No Disconnection of Service. Because the City is a public safety entity, AT&T agrees not to disconnect contracted services serving a public safety City Site at any time during the term of the Agreement for any administrative reason, including billing disputes.

2.13.5 Management of Agreement. Management of the Agreement must be centralized, both by the City and AT&T. City's Chief Information Officer or his designee will be able to add and disconnect services under the Agreement. Likewise, any concerns or issues, including trouble calls, on behalf of the City must be able to be handled through a single telephone number with a single or very limited number of assigned account representatives.

2.13.6 Procedures for Adds, Moves and Changes. City shall follow any procedure for adding, disconnecting or requesting changes in communication services that is reasonably set forth by AT&T from time to time.

2.13.7 Account/Project Manager. AT&T will assign a dedicated Account/Project Manager to oversee and manage the implementation of services under this Agreement. The City reserves the right to request a change in Account/Project Manager or any assigned staff should any incompatibilities arise.

2.13.8 National Account Services Manager. AT&T will provide a National Account Services Manager to which any issue under the Agreement can be escalated at any time in order to resolve any service issue the City may be experiencing.

2.14 Service Level Agreements. Service level agreements ("SLAs") are included in Exhibit F for each service under this Agreement. Exhibit F represents AT&T's current SLAs for the services under this Agreement, and AT&T reserves the right to update the SLAs, but only to the extent that such update(s) would represent a service upgrade to the City and do not increase the cost of service. The current SLAs are consistent with the following minimum requirements for reliability and availability:

2.14.1 Reliability and availability must be provided on a per-City Facility basis, not aggregated across the entire network.

2.14.2 Aggregated Mean Time between Failure (MTBF) for each City Facility of not less than two (2) months. A failure is defined as a "major" or "critical" event, as described below.

2.14.3 Component MTBF of not less than six (6) months. Successive failure of a component or one of a group of components, at a single site must be addressed and should include steps for remediation and/or financial penalty.

2.14.4 Mean Time to Restore (MTTR) at any site of not greater than 24 hours. Repair time

will be measured from the initial notification (telephone call, e-mail, or page) to restoration of 100% of nominal usable bandwidth and utilization of a network link.

2.14.5 The target availability at each site for each category of service will be in excess of the availability specified in Exhibit D.

The response times applicable to the SLA's in this Agreement shall run from and after the time that the City submits a trouble ticket to AT&T (in accordance with the terms set forth in Exhibit F), provided that the City shall indicate at the time of its notice whether such site is deemed CRITICAL to the City.

2.15 Network and Circuit Trouble. Definitions of levels of network and circuit trouble are defined in the following three (3) classifications of trouble:

2.15.1 MINOR network trouble is defined as any partial or complete failure that:

- 2.15.1.1 Impacts five percent (5%) or less of the users at a site, or of a service,
- 2.15.1.2 Can be permanently or temporarily resolved within fifteen (15) minutes or less, *and*
- 2.15.1.3 Does not affect all services delivered to a single site or multiple sites.
- 2.15.1.4 Examples would be failure of a single port on a switch, a "low battery" indicator on a UPS, loss of a few channels at a wireless repeater, or similar situation.

2.15.2 MAJOR network trouble is defined as any partial or complete equipment failure that:

- 2.15.2.1 Impacts greater than five percent (5%) of the users at a site, or of a service,
- 2.15.2.2 Requires replacement or reconfiguration of a network component, *or*
- 2.15.2.3 Affects more than one service delivered to a single site or multiple sites.
- 2.15.2.4 Examples would be a cable cut, failed router, loss of a redundant route at a dual-served site, loss of a repeater site, etc.

2.15.3 CRITICAL network trouble is defined as MAJOR network trouble that occurs at any of the following facilities, or that is capable of propagating through the network between sites, or that renders the City entirely without a given service such as Network data, Internet connectivity, etc. AT&T at its discretion may request a police escort to sites that AT&T deems a safety risk when dispatching employees and contractors to the City Facilities set out below, and subject to the terms of this Agreement, shall not otherwise delay dispatch to City Facilities in existence as of the Effective Date beyond the SLA periods contemplated for CRITICAL network trouble:

- 515 S. Frio Street
- 8130 Inner Circle Dr.
- 600 Soledad Street
- 9800 Aviation Blvd.
- 900 E. Market Street
- All Police and Fire Stations, and other critical public safety

locations, as indicated in Exhibit H (Critical Public Safety Locations).

2.16 Network Alerts. AT&T will alert the City of any and all network situations that could affect the City's service. In the event that the City experiences more than three (3) MAJOR or CRITICAL network problems affecting the same service in any twelve (12) month period, the following escalation response will be required by AT&T:

2.16.1 **First Stage** - A written report is prepared detailing the reason for the problems, the planned solutions and the timetables for implementing these solutions. If the network problems persist, escalate to Second Stage.

2.16.2 **Second Stage** - A written plan is prepared and presented to Chief Information Officer explaining why the First Stage plans have not been effective and what will be done in the next 60 days to correct the problems. Agreements on monetary adjustments to billing will be made. If the network problem persists, escalate to Third Stage.

2.16.3 **Third Stage**- Meeting with the Chief Information Officer to discuss the terms and conditions of contract cancellation, in part or in whole, should problems not be resolved in the next 30 days. City reserves the right to deposit payment for the affected services into escrow fund that shall not be released to AT&T until the problems have been resolved.

2.16.4 **Fourth Stage** - City will inform AT&T of contract cancellation and migration plans.

2.17 Response Time to Network Trouble. Provided that the SLA's established in Exhibit F shall control in the event of any conflict with the following provisions, AT&T will abide by the following response times, restoration times, including callback, on-site, after-hours and weekends/holidays:

2.17.1 MINOR - Four (4) hour callback, eight (8) hour on-site. Restoration within sixteen (16) hours.

2.17.2 MAJOR- Thirty (30) minute callback, four (4) hour on-site. Restoration within eight (8) hours.

2.17.3 CRITICAL- Fifteen (15) minute callback, two (2) hour on-site (as appropriate). Restoration within four (4) hours.

### **ARTICLE III OBLIGATIONS OF AT&T**

3.1 Quality Service and Products. AT&T will provide to the City the services and products listed in Section 2.1 and the general and technical requirements outlined in Exhibit D.

3.2 General Compliance Standards. AT&T agrees that it will:

3.2.1 conform to all security regulations at any time promulgated by the City with respect to City Facilities where it may install communications services and/or equipment's; and will cause its officers, employees, agents, affiliates, subcontractors and invitees at all times to abide by and conform to those regulations;

3.2.2 not use City Facilities in any way that improperly interferes with the operations of the

## City Facilities

3.2.3 when providing broadband Internet access services to the City, except to the extent expressly required, authorized or waived pursuant to this Agreement, and subject to reasonable network management, (a) not block lawful content, applications, services, or non-harmful devices used by the City; (b) not throttle or discriminate in the transmission of the City's Internet traffic based on the content of such traffic; (c) not degrade network performance based on content; and (d) comply with all State and Federal laws and regulations applicable to the provision of broadband Internet access services; provided that nothing in this Section 3.2 limits (e) AT&T's ability to address the needs of law enforcement, public safety, or national security authorities consistent with applicable law, (f) AT&T's ability to protect its network, the City and/or other customers from security threats, or (g) the City's ability to purchase service plans with specified quantities of high-speed data.

3.3 Employees, Affiliates and Contractors. AT&T shall at all times comply with the following requirements regarding its personnel, affiliates and contractors:

3.3.1 AT&T will ensure that its employees, affiliated personnel, and contractors responsible for the installation, operation, maintenance and/or management of communications services and products at City Facilities wear uniforms or identification badges that clearly identify the employee or contractor by name and affiliation.

3.3.2 AT&T shall immediately after receipt of written notice from the City remove any AT&T employee or other representative from any City Facility who participates in improper or illegal acts in the facility; who violates City Facility rules and regulations or any provision of this Agreement; or whose continued presence in a City Facility is, in the opinion of City, inconsistent with good order or the welfare of the facility.

3.4 Fixed Prices. AT&T agrees to the prices and discounts for communications services and products contained in the Pricing Schedules attached as Exhibit E. AT&T shall not alter the prices and discounts contained in the Pricing Schedules to the detriment of the City during the term of the Agreement without the written consent of the Chief Information Officer or his designee.

3.5 Telecommunications Fees and Taxes. The following provisions will apply to AT&T's assessment of telecommunications fees and taxes to services under this Agreement.

3.5.1 Telecommunications Fees and Surcharges. Any currently applicable Federal and State telecommunications fees and surcharges, with the exception of 9-1-1 fees, municipal franchise fees, and the Texas Gross Receipts Assessment fee, have been included in the Pricing Schedules attached as Exhibit E. AT&T reserves the right to bill separately as line items on the City's bill 9-1-1 fee, municipal franchise fee, and the Texas Gross Receipts Assessment fee. To the extent there are changes in state or federal law that create a new telecommunications fee or surcharge, AT&T may also bill that fee. However, the City reserves the right to seek a ruling from the governing regulatory body or other legal authority whether a municipality is exempt from paying the fee because of its status as a governmental entity. If the ruling is that a municipality is exempt from the fee, AT&T will not hold the City

responsible for the fee.

3.5.2 Tax Exempt Status. AT&T acknowledges that the City is exempt from state sales, use and excise taxes pursuant to Section 151.309 of the Texas Tax Code, and the Federal Excise Tax under Sections 4253 (i) and (j), Title 26 of the United States Code. The City will provide evidence of exemption upon request.

3.5.3 Credit of Regulatory Fees and Taxes. In acknowledgment of AT&T's legacy billing system, which cannot suppress regulatory fees and taxes on the City's monthly bills, AT&T agrees to credit on a monthly basis regulatory fees and taxes appearing on the City's previous month's bill, with the exception of 9-1-1 fees, municipal franchise fee, and the Texas Gross Receipts Assessment.

#### **ARTICLE IV OBLIGATIONS OF THE CITY**

4.1 Access to City Facilities. City will allow AT&T and its authorized personnel and contractors reasonable access to City Facilities at all times during normal business hours. City's normal business hours are Monday-Friday 8:00AM to 5:00PM, CST. AT&T's access to City Facilities shall be subject in each instance to the reasonable security requirements and reasonable rules and regulations from time to time in effect at the facilities. In the event AT&T requires access to a City Facility outside of normal business hours in order to address a network emergency, the City shall provide AT&T with a telephone number that will be answered twenty- four (24) hours per day, seven (7) days per week whereby AT&T may arrange for immediate access to the facility. Access to the City Facilities at other times will be granted only to those people designated by AT&T. Entry to City Facilities by AT&T outside normal business hours may require that City and/or security guard personnel accompany AT&T's designated representatives.

4.2 Access to Inside Wire and Conduit. The City will provide access to AT&T to any existing communications facilities which it controls within City Facilities necessary for AT&T services contracted by the City, including inside wire and conduits where appropriate, but consistent with the City's designation of the point of demarcation for the particular City Facility.

4.3 Technical Drawings. The City will provide AT&T with access to existing drawings of the City Facilities that may detail information regarding the inside wire, communications equipment, power sources, communications conduit, and any other technical information that may facilitate the installation of communications services and products under this Agreement.

4.4 Equipment Rooms. Subject to approval from the Chief Information Officer, the City will provide AT&T space in existing communications and electrical equipment rooms in City Facilities where AT&T may install equipment associated with communications service and products provided under this Agreement.

4.5 Electrical Service. The City will provide, at its expense, electrical service for installed equipment; provided any expenses associated with installing, repairing, maintaining and replacing additional electric service lines necessary for such equipment shall be the responsibility of AT&T where the equipment will be owned by AT&T, but housed in a City Facility.

4.6 Safe Working Environment. The City will ensure that the City Facilities at which AT&T installs, maintains or provides services under this Agreement is a suitable and safe working environment, free of hazardous materials. The term "hazardous materials" means any substance of material capable of posing an unreasonable risk to health, safety or property or whose use, transport, storage, handling, disposal, or release is regulated by any law related to pollution, protection of air, water, or soil, or health and safety. AT&T will not handle, remove or dispose of hazardous materials, and AT&T will have no obligation to preform work at a City Facility that is not a suitable and safe working environment. AT&T will not be liable for any hazardous materials.

4.7 Telecommunications Services Expenditure Allocation. In consideration of the rate discounts represented by the Pricing Schedules incorporated in Exhibit E, the City will commit to purchase at least seventy percent (70%) of its communications services from AT&T under the terms of this Agreement. This commitment will be referred to as the Telecommunications Services Expenditure Allocation ("TSEA"), which means the annual amount represented by seventy percent (70%) of all expenditures by the City to any and all telecommunications providers and Internet Service Providers ("ISP") for the same or similar services as those covered by this Agreement. TSEA calculations shall exclude expenditures related to the City's owned communication infrastructure and services subject to HB 2128 provisions. The City shall commit to the TSEA, on an annual basis, for the term of the Agreement. The purchase of 10 Gigabit Internet Connect Service by the City from another provider(s) will not count in the calculation of the 70% service requirement. In addition, redundant network devices, equipment and services purchased by the City from other providers to ensure network reliability will not count against the 70% service requirement.

4.7.1 Quarterly Reporting. During the term of the Agreement, the City shall disclose on a quarterly basis in a form acceptable to both the City and AT&T all telecommunications and ISP expenditures for that previous quarter (excluding expenditures related to the City's communications infrastructure and HB 2128 discount circuits). These reviews will serve as milestones for both Parties. Subject to the text below, if there is a shortfall at the end of any fiscal year, the City shall be responsible for making up the difference by making a one-time payment in the amount of the outstanding shortfall during the preceding 12 months. The amount of the outstanding shortfall payment shall equal the difference between the TSEA and the actual expenditure by the City with AT&T for services provided pursuant to this Agreement, less any shortfall payments previously advanced in respect of such amount. However, if a quarterly report reveals a shortfall, during the preceding quarter, the City shall remedy the shortfall during the same fiscal year that the quarterly report is received in, except that if the shortfall is in respect of the last fiscal quarter of the year, then the City shall be permitted to make up such shortfall from the last quarter during the first quarter of the following fiscal year. For purposes of the TSEA, "fiscal year" shall refer to the City's fiscal year.

4.8 Prompt Payment Act. Both the City and AT&T will comply with the applicable provisions of the Texas Prompt Payment Act, Chapter 2251 of the Texas Government Code. Without limitation to the foregoing, the City will pay bills for services under this Agreement on a monthly basis in accordance with the Texas Prompt Payment Act.

4.8.1 Late Payment Charges. Late payment interest on overdue payments will be calculated in accordance with the Prompt Payment Act.

**ARTICLE V**  
**TERM**

5.1 Term. The Term of this Agreement shall commence on the Effective Date and terminate at midnight local time on the date which is six (6) years from the Effective Date, unless sooner terminated in accordance with the terms and conditions of this Agreement. City may renew or extend the term of this Agreement in accordance with Section 5.3 (Extension Option), but is under no obligation to do so.

5.2 Condition Precedent. The delivery by AT&T to City of (i) the insurance certificate required by Section 8.1 (Certificate of Insurance) hereof, and (ii) copies of any permits and licenses required for the lawful provision of the telecommunications services in accordance with the terms hereof is a condition precedent to the effectiveness of this Agreement notwithstanding the execution of this Agreement by both Parties hereto. AT&T is obligated to procure the insurance required hereunder prior to conducting any activity under this Agreement. If such certificate has not been delivered at the time AT&T delivers executed counterparts of this Agreement to the City, then AT&T must deliver said items to City within ten (10) days.

5.3 Extension Option. Provided that City is not in default under this Agreement, or in threat of default, City shall have the option to renew for up to two (2) periods of two (2) years each without City Council approval. Such extension must be approved by the Chief Information Officer based upon his determination that the exercise of such extension is in the best interest of the City. Renewal of this Agreement will be subject to the following process: One year prior to the expiration date of the original term and/or the first renewal term, upon City's request therefore, AT&T shall prepare a written price review report and provide it to the Chief Information Officer or designee. This report shall set forth and compare the services and prices in the Agreement to AT&T's then available equipment and services (including new technology) and current prices and costs. After reviewing the report, the City may extend this Agreement subject to its then-current terms, with updated prices and costs upon written notice to AT&T delivered no less than eight months prior to the expiration of the then-current term or permit the Agreement to expire in accordance with its terms or any such alternate terms as the Parties may agree in writing.

**ARTICLE VI**  
**OWNERSHIP AND RETENTION OF PUBLIC RECORDS**

6.1 Public Records. In accordance with Texas law, AT&T acknowledges and agrees that all local government records created or received in the transaction of official business or the creation or maintenance of which were paid for with public funds are declared to be public property and subject to the provisions of Chapter 201 of the Texas Local Government Code and Subchapter J, Chapter 441 of the Texas Government Code. Thus, no such local government records produced by or on the behalf of City pursuant to this Agreement shall be the subject of any copyright or proprietary claim by AT&T.

6.1.1 Exception to Public Records. The Parties, however, acknowledge that AT&T's

internal documents associated with AT&T's service ordering processes may be subject to claims of confidentiality or proprietary information by AT&T. Any such documents identified by AT&T, in whole or in part, as confidential or proprietary in nature will be treated as such by the City, subject to the applicability of the Public Information Act, Chapter 552 of the Texas Government Code.

6.2 Nature of Local Government Records. The term "local government record" as used herein shall mean any document, paper, letter, book, map, photograph, sound or video recording, microfilm, magnetic tape, electronic medium, or other information recording medium, regardless of physical form or characteristic and regardless of whether public access to it is open or restricted under the laws of the state, created or received by a local government or any of its officials or employees pursuant to law including an ordinance, or in the transaction of official business. AT&T acknowledges and agrees that all local government records, as described in herein, produced in the course of the work required by this Agreement, will belong to and be the property of City.

6.2.1 Exception to Local Government Record. To the extent a local government record includes information that AT&T considers confidential or proprietary, it will identify such information as such when providing the local government record to the City. Any information identified as confidential or proprietary by AT&T will be treated as such by the City, subject to the applicability of the Public Information Act, Chapter 552 of the Texas Government Code.

6.3 Compliance with Records Retentions Laws. In accordance herewith, AT&T agrees to comply with all applicable federal, state and local laws, rules and regulations governing documents and ownership, access and retention thereof.

6.4 AT&T Personnel. AT&T shall employ and make available at reasonable times an adequate number of appropriately qualified and trained personnel, familiar with City's operations and use of telecommunications services, to provide and support City's use of the Services in accordance with the terms of this Agreement.

## **ARTICLE VII**

### **INTELLECTUAL PROPERTY**

7.1 Compliance with Intellectual Property Laws. AT&T agrees to abide by the following regarding intellectual property rights:

7.1.1 Indemnity of City for Infringement Claims. Concerning any software and any other intellectual property to which AT&T holds a license in the ordinary course of business, AT&T warrants that it will pay all associated royalties and licensing fees. **AT&T agrees at its expense to defend or settle any third-party claim against the City, and to pay all compensatory damages that a court may finally award against such parties to the extent the claim alleges that a service provided to the City under this Agreement infringes any patent, trademark, copyright, or trade secret, but not in circumstances where the claimed infringement arises out of or results from: (a) the City's, or a user's content; (b) modifications to an AT&T service by the City, or third parties, or combinations of an AT&T service with any services or products not provided by AT&T; (c) AT&T's adherence to City's written requirements; or (d) use of an AT&T service in violation of this Agreement.** Whenever AT&T is liable under this Section, AT&T may at its option

either procure the right for the City to continue using, or may replace or modify, the alleged infringing service so that the service becomes non-infringing. If neither of the options described in this Section are reasonably available, AT&T may terminate the affected service without liability other than as stated in this Section, provided, however, that suspension of service will be limited to the City Site that is causing the infringement of non-compliance with intellectual property laws, and under no circumstances will AT&T suspend service to a public safety City Site without the consent of the City. The City will notify AT&T promptly upon learning of any claim for which defense or settlement may be sought, but failure to do so will have no effect except to the extent AT&T is prejudiced thereby. The City will allow AT&T to control the defense and settlement of the claim and will reasonably cooperate with the defense; but AT&T will use counsel reasonably experienced in the subject matter at issue, and will not settle a claim without the consent of the City, which consent will not be unreasonably withheld or delayed, except that no consent will be required where relief on the claim is limited to monetary damages that are paid by AT&T under this Section.

7.1.2 General Compliance. In accordance herewith, AT&T agrees to comply with all applicable federal and state laws, rules and regulations governing the protection of intellectual property.

7.1.3 Undisclosed Features. AT&T warrants to the best of its knowledge that the code and software provided to the City under this Agreement does not contain any undisclosed features or functions that would impair or might impair the City's use of the equipment, code or software. Specifically, but without limiting the previous representation, AT&T warrants that to the best of its knowledge, there is no "Trojan Horse," lock, "time bomb," backdoor or similar routine, except as expressly disclosed in the corresponding specifications for any such equipment, code or software. This Agreement shall not now nor will it hereafter be subject to the self-help provisions of the Uniform Computer Information Transactions Act or any other law. The City specifically disclaims any unilateral self-help remedies.

## **ARTICLE VIII** **INSURANCE**

8.1 Certificate of Insurance. Prior to the commencement of any work under this Agreement, AT&T shall furnish copies of all required endorsements and an original completed Certificate(s) of Insurance to the Department, which shall be clearly labeled "**Formal Annual Contract for Telecommunications, Network Connectivity and other Telecom Services, RFCSP 6100008613** " in the Description of Operations block of the Certificate. The original Certificate(s) shall be completed by an agent and signed by a person authorized by that insurer to bind coverage on its behalf. The City will not accept a Memorandum of Insurance or Binders as proof of insurance. The certificate(s) must have the agent's original signature, including the signer's company affiliation, title and phone number, and be mailed, with copies of all applicable endorsements, directly from the insurer's authorized representative to the City. The City shall have no duty to pay or perform under this Agreement until such certificate and endorsements have been received and approved by the Department, Attn: Chief Information Officer. No officer or employee, other than the City's Risk Manager, shall have authority to waive this requirement.

8.2 Review of Insurance Requirements. The City reserves the right to review the insurance

requirements of this Article during the effective period of this Agreement and any extension or renewal hereof and to modify insurance coverages and their limits once per Term when deemed necessary and prudent by City's Risk Manager based upon changes in statutory law, court decisions, or circumstances surrounding this Agreement. In no instance will City allow modification whereupon City may incur increased risk.

8.3 Insurance Amounts. AT&T's financial integrity is of interest to the City; therefore, subject to AT&T's right to maintain reasonable self-insured retentions as declared to the City, AT&T shall obtain and maintain in full force and effect for the duration of this Agreement, and any extension hereof, at AT&T's sole expense, insurance coverage written on an occurrence basis, by companies eligible to do business in the State of Texas and with an A.M Best's rating of no less than A- (VII), in the following types and for an amount listed below:

TYPE	AMOUNTS
1. Workers' Compensation 2. Employers' Liability	Statutory \$1,000,000/\$1,000,000/\$1,000,000
3. Commercial General Liability Insurance to include coverage for the following: a. Premises operations  b. Products/completed operations c. Personal/Advertising Injury  e. Contractual Liability Coverage as per form ISO CG 001 0 or equivalent	For Bodily Injury and Property Damage of \$1,000,000 per occurrence; \$2,000,000 General Aggregate, or its equivalent in Umbrella or Excess Liability Coverage
4. Business Automobile Liability a. Owned/leased vehicles b. Non-owned vehicles c. Hired Vehicles	Combined Single Limit for Bodily Injury and Property Damage of \$1,000,000 per accident
5. Professional Liability (Claims-made basis) To be maintained and in effect for no less than two years subsequent to the completion of professional service.	\$1,000,000 per claim and in the aggregate, to pay on behalf of the insured all sums which the insured shall become legally obligated to pay as damages by reason of any act, malpractice, error, or omission in professional services.
6. Builder's Risk (if applicable)	All Risk Policy written on an occasion basis for 100% replacement cost during construction phase of any new or existing structure. AT&T may self insure this coverage.

Notwithstanding the forgoing, AT&T may, in its sole discretion, self-insure any of the required insurance under the same terms as required by this Agreement. In the event AT&T elects to self-insure its obligation under this Agreement to include Owner as an additional insured, the following

conditions apply: (i) Owner shall promptly and no later than thirty (30) days after notice thereof provide AT&T with written notice of any claim, demand, lawsuit, or the like for which it seeks coverage pursuant to this Section and provide AT&T with copies of any demands, notices, summonses, or legal papers received in connection with such claim, demand, lawsuit, or the like; (ii) Owner shall not settle any such claim, demand, lawsuit, or the like without the prior written consent of AT&T; and (iii) Owner shall fully cooperate with AT&T in the defense of the claim, demand, lawsuit, or the like.

8.4 Subcontractor Insurance Requirements. AT&T agrees to require, by written contract, that all subcontractors providing goods or services hereunder obtain the reasonable and prudent coverage and limits, and provide a certificate of insurance and endorsement that names AT&T and the City as additional insureds. It is understood that AT&T may require different coverage and limits from subcontractors based upon scope of work provided by Subcontractor. AT&T shall provide the City with said certificate and endorsement prior to the commencement of any work by the subcontractor. This provision may be modified by City's Risk Manager, without subsequent City Council approval, when deemed necessary and prudent, based upon changes in statutory law, court decisions, or circumstances surrounding this agreement. Such modification may be enacted by letter signed by City's Risk Manager, which shall become a part of the Agreement for all purposes.

8.5 Copy of Insurance Documents. As they apply to the limits required by the City, the City shall be entitled, upon request and without expense, to receive copies of all endorsements thereto and may require the deletion, revision, or modification of particular policy terms, conditions, limitations or exclusions (except where policy provisions are established by law or regulation binding upon either of the parties hereto or the underwriter of such policies). AT&T shall be required to comply with any such requests and shall submit a copy of the replacement certificate of insurance to City at the address provided below within 10 days of the requested change. AT&T shall pay any costs incurred resulting from said changes.

City of San Antonio  
Attn: Information Technology Services Department  
P.O. Box 839966  
San Antonio, Texas 78283-3966

8.6 Required Endorsements. AT&T agrees that with respect to the above required insurance, all required insurance policies are to contain or be endorsed to contain the following provisions:

8.6.1 Name the City, its officers, officials, employees, volunteers, and elected representatives as additional insureds by endorsement, as respects operations and activities except for workers' compensation and professional liability policies.

8.6.2 Provide that the "other insurance" clause shall not apply to the City of San Antonio where the City is an additional insured covered on the policy.

8.6.3 To the extent allowed by law, Workers' compensation and employers' liability, general liability and automobile liability policies will provide a waiver of subrogation in favor of the City.

8.6.4 AT&T will provide at least thirty (30) calendar days advance written notice directly

to City of cancellation, non-renewal of any required coverage that is not replaced, and not less than ten (10) calendar days advance notice for nonpayment of premium.

8.7 Insurance Cancellation. Failure to provide and to maintain the required insurance shall constitute a material breach of this Agreement.

8.8 Additional Remedies. In addition to any other remedies the City may have upon AT&T's failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, the City shall have the right to order AT&T to stop work hereunder, and/or withhold any payment(s) which become due to AT&T hereunder until AT&T demonstrates compliance with the requirements.

8.9 No Limit on Liability Stemming from Insurance Requirements. The insurance requirements herein shall not be construed as limiting in any way the extent to which AT&T may be held responsible for payments under this Agreement for payments of damages to persons or property resulting from AT&T's or its subcontractors' performance of the work covered under this Agreement. In addition, AT&T and any of its subcontractors will be responsible for all damage to their own equipment and/or property.

8.10 AT&T Provides Primary Insurance. It is agreed that AT&T's required general and auto liability insurance shall be deemed primary and non-contributory with respect to any insurance or self-insurance carried by the City for liability arising out of operations and services delivered under this Agreement.

8.11 Insurance Is Stand Alone Obligation. It is understood and agreed that the insurance required is in addition to and separate from any other obligation contained in this Agreement and that no claim or action by or on behalf of the City shall be limited to insurance coverage provided.

#### **ARTICLE IX** **INDEMNIFICATION AND DISCLAIMER OF LIABILITY**

9.1 AT&T's Indemnification of the City. **AT&T shall indemnify and hold the City and the elected officials, employees, officers, directors, volunteers and representatives of the City, individually and collectively, harmless against damages arising out of third party claims resulting from injury to or death of any person (including injury to or death of their respective subcontractors or employees) or loss of or damage to tangible real or tangible personal property, to the extent that such liability, loss, damage or expense was proximately caused by the negligent act or omission or the willful or intentional misconduct by AT&T, its agents, employees or subcontractors, in connection with the provision or use of services provided under this Agreement. AT&T shall not be liable under this Section for damages caused by service or equipment that is not furnished by AT&T under this Agreement.**

**IN THE EVENT AT&T AND CITY ARE FOUND JOINTLY LIABLE BY A COURT OF COMPETENT JURISDICTION, LIABILITY SHALL BE APPORTIONED COMPARATIVELY IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS, WITHOUT, HOWEVER, WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO THE CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF**

**THE PARTIES UNDER TEXAS LAW.**

9.2 Indemnify for Benefit of Parties. The provisions of this INDEMNITY are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity. AT&T shall advise the City in writing within 24 hours of any claim or demand against the City or AT&T known to AT&T related to or arising out of AT&T's activities under this Agreement and shall see to the investigation and defense of such claim or demand at AT&T's cost. The City shall have the right, at its option and at its own expense, to participate in such defense without relieving AT&T of any of its obligations under this paragraph.

9.3 Disclaimers and Limitations of Liability.

9.3.1 Disclaimer of Warranties. AT&T MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, AND SPECIFICALLY DISCLAIMS ANY REPRESENTATION OR WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, OR ANY WARRANTY ARISING BY USAGE OF TRADE OR COURSE OF DEALING, EXCEPT FOR THOSE EXPLICITLY MADE IN THIS AGREEMENT CONCERNING THE SCOPE OF SERVICES, GENERAL AND TECHNICAL REQUIREMENTS OF SERVICES AND PRODUCTS, AND SERVICE LEVEL AGREEMENTS. FURTHER, AT&T MAKES NO REPRESENTATION OR WARRANTY THAT TELEPHONE CALLS OR OTHER TRANSMISSIONS WILL BE ROUTED OR COMPLETED WITHOUT ERROR OR INTERRUPTION (INCLUDING CALLS TO 911 OR ANY SIMILAR EMERGENCY RESPONSE NUMBER), OR GUARANTEE REGARDING NETWORK SECURITY, THE ENCRYPTION EMPLOYED BY ANY SERVICE, THE INTEGRITY OF ANY DATA THAT IS SENT, BACKED UP, STORED OR SUBJECT TO LOAD BALANCING, OR THAT AT&T'S SECURITY PROCEDURES WILL PREVENT THE LOSS OR ALTERATION OF, OR IMPROPER ACCESS TO, CUSTOMER'S DATA AND CONFIDENTIAL INFORMATION.

9.3.2 Limitation of Liability.

(a) AT&T'S ENTIRE LIABILITY, AND CITY'S EXCLUSIVE REMEDY, FOR DAMAGES ARISING OUT OF MISTAKES, OMISSIONS, INTERRUPTIONS, DELAYS, ERRORS OR DEFECTS IN THE SERVICES, AND NOT CAUSED BY THE CITY'S NEGLIGENCE, SHALL IN NO EVENT EXCEED DOUBLE THE PRORATED VALUE OF THE SERVICE FOR THE PERIOD OF SERVICE DURING WHICH SUCH MISTAKE, OMISSION, INTERRUPTION, DELAY, ERROR OR DEFECT IN THE SERVICES OCCURS AND CONTINUES. IN NO EVENT SHALL ANY OTHER LIABILITY ATTACH TO AT&T.

(b) SECTION 9.3.2(a) WILL NOT APPLY TO:

- (i) BODILY INJURY, DEATH, OR DAMAGE TO REAL OR TANGIBLE PROPERTY DIRECTLY CAUSED BY AT&T'S NEGLIGENCE;
- (ii) SETTLEMENT, DEFENSE OR PAYMENT OBLIGATIONS UNDER Article VII (Intellectual Property); OR

(iii) DAMAGES ARISING FROM AT&T'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

(c) NEITHER PARTY WILL BE LIABLE TO THE OTHER PARTY FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, PUNITIVE, RELIANCE, OR SPECIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOST PROFITS, ADVANTAGE, SAVINGS OR REVENUES, OR INCREASED COST OF OPERATIONS.

9.3.3 Disclaimer of Liability. AT&T WILL NOT BE LIABLE FOR ANY DAMAGES, EXCEPT TO THE EXTENT CAUSED BY AT&T'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, ARISING OUT OF OR RELATING TO: INTEROPERABILITY, ACCESS OR INTERCONNECTION OF THE SERVICES WITH APPLICATIONS, EQUIPMENT, SERVICES, CONTENT, OR NETWORKS PROVIDED BY CITY OR THIRD PARTIES; SERVICE DEFECTS, SERVICE LEVELS, DELAYS, OR INTERRUPTIONS (EXCEPT FOR LIABILITY AND REMEDIES AS EXPLICITLY SET FORTH IN THIS AGREEMENT); ANY INTERRUPTION OR ERROR IN ROUTING OR COMPLETING CALLS OR OTHER TRANSMISSIONS (INCLUDING 911 CALLS OR ANY SIMILAR EMERGENCY RESPONSE NUMBER); LOST OR ALTERED MESSAGES OR TRANSMISSIONS; OR UNAUTHORIZED ACCESS TO OR THEFT, ALTERATION, LOSS, OR DESTRUCTION OF CITY'S, USERS', OR THIRD PARTIES' APPLICATIONS, CONTENT, DATA, PROGRAMS, CONFIDENTIAL INFORMATION, NETWORK, OR SYSTEMS.

9.3.4 Application and Survival. The disclaimer of warranties and limitations of liability set forth in this Agreement will apply regardless of the form of action, whether in contract, equity, tort, strict liability or otherwise and whether damages were foreseeable, and will apply so as to limit the liability of each Party and its Affiliates, and their respective employees, directors, subcontractors, and suppliers. The limitations of liability and disclaimers set out in this Section will survive failure of any exclusive remedies provided in this Agreement.

## ARTICLE X

### SMALL BUSINESS ECONOMIC DEVELOPMENT ADVOCACY (SBEDA)

10.1 SBEDA Program. The City has adopted a Small Business Economic Development Advocacy Ordinance (Ordinance No. 2016-05-19-0367 and as amended, also referred to as "SBEDA" or "the SBEDA Program"), which is posted on the City's Economic Development Department (EDD) website page and is also available in hard copy format upon request to the CITY. The SBEDA Ordinance Compliance Provisions contained in this Section of the Agreement are governed by the terms of the SBEDA Ordinance, as well as by the terms of the SBEDA Ordinance Policy & Procedure Manual established by the CITY pursuant to this Ordinance, and any subsequent amendments to this referenced SBEDA Ordinance and SBEDA Policy & Procedure Manual that are effective as of the date of the execution of this Agreement. Unless defined in a contrary manner herein, terms used in this Section of the Agreement shall be subject to the same expanded definitions and meanings as given those terms in the SBEDA Ordinance and as further interpreted in the

SBEDA Policy & Procedure Manual.

10.2 SBEDA Program Compliance – General Provisions. AT&T acknowledges that the terms of the City's SBEDA Ordinance, as amended, together with all requirements, guidelines, and procedures set forth in the City's SBEDA Policy & Procedure Manual are in furtherance of the City's efforts at economic inclusion and, moreover, that such terms are part of AT&T's scope of work as referenced in the City's formal solicitation that formed the basis for contract award and subsequent execution of this Agreement. These SBEDA Ordinance requirements, guidelines and procedures are hereby incorporated by reference into this Agreement, and are considered by the Parties to this Agreement to be material terms. AT&T voluntarily agrees to fully comply with these SBEDA program terms as a condition for being awarded this Agreement by the City. Without limitation, AT&T further agrees to the following terms as part of its contract compliance responsibilities under the SBEDA Program:

10.2.1. AT&T shall cooperate fully with the Small Business Office and other City departments in their data collection and monitoring efforts regarding AT&T's utilization and payment of Subcontractors, S/M/WBE firms, and HUBZone firms, as applicable, for their performance of Commercially Useful Functions on this Agreement including, but not limited to, the timely submission of completed forms and/or documentation promulgated by SBO, through the Originating Department, pursuant to the SBEDA Policy & Procedure Manual, timely entry of data into monitoring systems, and ensuring the timely compliance of its subcontractors with this term;

10.2.2. AT&T shall cooperate fully with any City or SBO investigation (and shall also respond truthfully and promptly to any City or SBO inquiry) regarding possible non-compliance with SBEDA requirements on the part of AT&T or its subcontractors or suppliers;

10.2.3. AT&T shall permit the SBO, upon reasonable notice, to undertake inspections as necessary including, but not limited to, contract-related correspondence, records, documents, payroll records, daily logs, invoices, bills, cancelled checks, and work product, and to interview Subcontractors and workers to determine whether there has been a violation of the terms of this Agreement;

10.2.4. AT&T shall notify the SBO, in writing on the Change to Utilization Plan form, through the Originating Department, of any proposed changes to AT&T's Subcontractor / Supplier Utilization Plan for this Agreement, with an explanation of the necessity for such proposed changes, including documentation of Good Faith Efforts made by AT&T to replace the Subcontractor / Supplier in accordance with the applicable Affirmative Procurement Initiative. All proposed changes to the Subcontractor / Supplier Utilization Plan including, but not limited to, proposed self-performance of work by AT&T of work previously designated for performance by Subcontractor or supplier, substitutions of new Subcontractors, terminations of previously designated Subcontractors, or reductions in the scope of work and value of work awarded to Subcontractors or suppliers, shall be subject to advanced written approval by the Originating Department and the SBO.

10.2.5. AT&T shall immediately notify the Originating Department and SBO of any transfer or assignment of its contract with the City, as well as any transfer or change in its ownership or business structure.

10.2.6. AT&T shall retain all records of its Subcontractor payments for this contract for a minimum of four years or as required by state law, following the conclusion of this Agreement or, in the event of litigation concerning this Agreement, for a minimum of four years or as required by state law following the final determination of litigation, whichever is later.

10.2.7. In instances wherein the SBO determines that a Commercially Useful Function is not actually being performed by the applicable S/M/WBE or HUBZone firms listed in a AT&T's Subcontractor / Supplier Utilization Plan, AT&T shall not be given credit for the participation of its S/M/WBE or HUBZone Subcontractor(s) or joint venture partner(s) toward attainment of S/M/WBE or HUBZone firm utilization goals, and AT&T and its listed S/M/WBE firms or HUBZone firms may be subject to sanctions and penalties in accordance with the SBEDA Ordinance.

10.2.8. AT&T acknowledges that the City will not execute an Agreement or issue a Notice to Proceed for this project until the AT&T for this project have registered and/or maintained active status in the City's Centralized Vendor Registration System (CVR), and AT&T has represented to City which primary commodity codes each Subcontractor will be performing under for this Agreement. City recommends all Subcontractors to be registered in the CVR.

10.3. SBEDA Program Compliance – Affirmative Procurement Initiatives. The City has applied the following contract-specific Affirmative Procurement Initiatives to this contract. AT&T acknowledges and agrees that the selected API requirement shall also be extended to any change order or subsequent Agreement modification and, absent SBO's granting of a waiver, that its full compliance with the following API terms and conditions are material to its satisfactory performance under this Agreement:

10.3.1. **SBE Subcontracting Program.** In accordance with SBEDA Ordinance Section III.D.7.(f), this Agreement is also being awarded pursuant to the SBE Subcontracting Program. AT&T agrees to subcontract at least **ten percent (10%)** of its prime contract value to certified SBE firms headquartered or having a Significant Business Presence within the San Antonio Metropolitan Statistical Area.

10.3.2. **Incorporation by Reference.** The Subcontractor/Supplier Utilization Plan which AT&T submitted to City with its response for this Agreement and that contains the names of the certified SBE Subcontractors to be used by AT&T on this Agreement, the respective percentages of the total prime contract dollar value to be awarded and performed by each SBE Subcontractor, and documentation including a description of each SBE Subcontractor's scope of work and confirmation of each SBE Subcontractor's commitment to perform such scope of work for an agreed upon dollar amount is hereby attached as Exhibit G and is incorporated by reference for all purposes into the Agreement.

10.3.3. **Failure to Attain SBE Subcontracting Goal.** In the absence of a waiver granted by the SBO, failure of AT&T to attain this SBE subcontracting goal as required in the solicitation shall render its response non-Responsive. Also, in the absence of a waiver granted by the SBO, failure of AT&T to attain a subcontracting goal for SBE participation in the performance of its contract or otherwise comply with the provisions of this API shall be considered a material breach of contract, grounds for termination of that contract with the City and shall be subject to any penalties and sanctions available under the terms of the SBEDA Ordinance, its Agreement with the City or by law.

10.4. Commercial Nondiscrimination Policy Compliance. As a condition of entering into this Agreement, AT&T represents and warrants that it has complied with throughout the course of this solicitation and contract award process, and will continue to comply with, the City's Commercial Nondiscrimination Policy, as described under Section III. C. 1. of the SBEDA Ordinance. As part of such compliance, AT&T shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation or, on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring or commercial treatment of Subcontractors, vendors, suppliers, or commercial customers, nor shall the company retaliate against any person for reporting instances of such discrimination. AT&T shall provide equal opportunity for Subcontractors, vendors and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the City's Relevant Marketplace. AT&T understands and agrees that a material violation of this clause shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of the company from participating in City contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party. AT&T's certification of its compliance with this Commercial Nondiscrimination Policy as submitted to the City pursuant to the solicitation for this Agreement is hereby incorporated into the material terms of this Agreement. AT&T shall incorporate this clause into each of its Subcontractor and supplier agreements entered into pursuant to City contracts.

10.5. Prompt Payment. AT&T agrees to submit to City accurate progress payment information with each invoice regarding each of its Subcontractors, including HUBZone Subcontractors, to ensure that AT&T's reported subcontract participation is accurate. AT&T shall pay its Subcontractors in compliance with Chapter 2251, Texas Government Code (the "Prompt Payment Act"). In the event of AT&T's noncompliance with these prompt payment provisions, no final retainage on the Agreement shall be released to AT&T, and no new City contracts shall be issued to AT&T until the City's audit of previous subcontract payments is complete and payments are verified to be in accordance with the specifications of the Agreement.

10.6. Violations, Sanctions and Penalties. In addition to the above terms, AT&T acknowledges and agrees that it is a violation of the SBEDA Ordinance and a material breach of this Agreement to:

10.6.1. Fraudulently obtain, retain, or attempt to obtain, or aid another in fraudulently obtaining, retaining, or attempting to obtain or retain Certification status as an SBE, MBE, WBE, M/WBE, HUBZone firm, Emerging M/WBE, or ESBE for purposes of benefitting from the SBEDA Ordinance;

10.6.2. Willfully falsify, conceal or cover up by a trick, scheme or device, a material fact or make any false, fictitious or fraudulent statements or representations, or make use of any false writing or document, knowing the same to contain any false, fictitious or fraudulent statement or entry pursuant to the terms of the SBEDA Ordinance;

10.6.3. Willfully obstruct, impede or attempt to obstruct or impede any authorized official or employee who is investigating the qualifications of a business entity which has requested Certification as an S/M/WBE or HUBZone firm;

10.6.4. Fraudulently obtain, attempt to obtain or aid another person fraudulently obtaining or attempting to obtain public monies to which the person is not entitled under the terms of the SBEDA Ordinance; and

10.6.5. Make false statements to any entity that any other entity is, or is not, certified as an S/M/WBE for purposes of the SBEDA Ordinance.

10.7. Violations. AT&T agrees that violation the provisions of this Section shall be subject to the provisions of Section III. E. 13. of the SBEDA Ordinance and any other penalties, sanctions and remedies available under law including, but not limited to:

10.7.1. Suspension of Agreement;

10.7.2. Withholding of funds;

10.7.3. Rescission of Agreement based upon a material breach of contract pertaining to

10.7.4. Refusal to accept a response or proposal; and

10.7.5. Disqualification of AT&T or other business firm from eligibility for providing goods or services to the City for a period not to exceed two years (upon City Council approval).

## **ARTICLE XI** **SUSPENSION AND TERMINATION**

11.1 Termination of Agreement. This Agreement may be terminated immediately upon notice by either Party if the other Party becomes insolvent, ceases operations, is the subject of a bankruptcy petition, enters receivership or any state insolvency proceeding, or makes an assignment for the benefit of its creditors.

11.2 Termination - Breach. If either Party fails to perform or observe any material term or condition of this Agreement, including non-payment of charges, and such failure continues unremedied following written notice by the other Party and a reasonable opportunity to cure not to exceed for thirty (30) days in duration, then the non-breaching Party may terminate the affected service(s) and, as applicable, this Agreement.

11.3 Termination-Notice. Subject to Section 11.12 (Termination and Cancellation Charges), City may terminate this Agreement, in whole or in part, without cause. City shall be required to give AT&T notice one hundred eighty days (180) days prior to the date of termination of the Agreement without cause.

11.4 Termination-Funding. City retains the right to terminate this Agreement at the expiration of each of City's budget periods. This Agreement is conditioned on a best efforts attempt by City to obtain and appropriate funds for payment of any debt due by City herein.

11.5 CIO Termination. Termination by City may be effected by Chief Information Officer, without further action by the San Antonio City Council. Regardless of the provisions herein, AT&T will not knowingly suspend or terminate service to a public safety City Site without the consent of the City.

11.6 No Termination of Public Safety City Sites. Regardless of the provisions herein, AT&T will not suspend or terminate service to a public safety City Site without the consent of the City.

11.7 Intentionally Omitted.

11.8 Internet Services. If the City fails to rectify a violation of AT&T's AUP for services provided over or accessing the Internet, within five (5) working days after receiving written notice from AT&T, AT&T may suspend the applicable portion of the service at the infringing City Site. AT&T has the right; however, to suspend or terminate the applicable portion of the service immediately when: (i) AT&T's suspension or termination is in response to multiple or repeated AUP violations or complaints and the City has failed to cure the situation following written notice; (ii) AT&T is acting in response to a court order or governmental notice that certain conduct must be stopped; or (iii) AT&T has notified the City in writing of its reasonable determination: (a) that it may be exposed to sanctions, liability, prosecution, or other adverse consequences under applicable law if AT&T were to allow the violation to continue; (b) that such violation may cause harm to or interfere with the integrity or normal operations or security of AT&T's network or networks with which AT&T is interconnected or interfere with another customer's use of AT&T services or the Internet; or (c) that such violation otherwise presents imminent risk of harm to AT&T or AT&T's customers or their respective employees.

11.9 Materially Adverse Change. If AT&T revises a Service Publication and the revision has a materially adverse impact on City, and AT&T does not affect revisions that remedy such materially adverse impact within 30 days after notice from City, then City may, as City's sole remedy, elect to terminate the affected Service Components on 30 days' notice to AT&T, given not later than 120 days after City first learns of the revision to the Service Publication. However, a revision to a Service Publication will not be considered materially adverse to City if it changes prices that are not fixed (stabilized) in a Pricing Schedule or if the price change was mandated by a governmental authority. In addition to the termination rights herein, AT&T will work with the City to transition affected services to alternative services or otherwise reconfigure City services to meet the needs of the City consistent with the terms of this Agreement. In no event will the City be liable for any termination charges, special charges, build out costs, or other extraordinary charges as a result of the transition to alternative services or reconfiguration of City services necessitated by this Section. For purposes of this Agreement, "Service Publications" is defined as Service Guides, the AUP, guidebooks and tariffs.

11.10 Withdrawal of Services. Notwithstanding the Pricing Schedules found in Exhibit E, and unless applicable law or regulation mandates otherwise; AT&T may discontinue providing a service upon 12 months' notice, or a service component upon 120 days' notice, but only where AT&T generally discontinues providing the service or service component to similarly-situated customers. In

such case, AT&T will work with the City to migrate affected services to an alternative service or otherwise reconfiguration of City services to meet the needs of the City within the notice period, and will not discontinue the service or service component until the transition to an alternative service has been accomplished. In no event will the City be liable for any termination charges, special charges, build-out costs, or other extra ordinary charges as a result of the transition to alternative services or reconfiguration of City services necessitated by this Section. Alternative service will be provided pursuant to the terms and conditions of this Agreement, including by being subject to being included in the calculation of any applicable overall pricing discount set forth in this Agreement.

11.11 Effect of Termination. Termination by either Party of a service does not waive any other rights or remedies a Party may have under this Agreement. Termination or suspension of a service will not affect the rights and obligations of the Parties regarding any other service. If a service or service component is terminated by AT&T causing a material adverse impact of City services, the City will pay all amounts incurred prior to the effective date of termination, subject to the remedies and procedure outlined in Section 11.9 (Material Adverse Change) and Section 11.10 (Withdrawal of Services).

11.12 Termination and Cancellation Charges. Termination and cancellation charges will apply as provided in the Pricing Schedules attached in Exhibit E (Cancellation Charges). While the Parties agree that the termination and cancellation charges set forth in Exhibit E (Cancellation Charges) apply, for convenience of reference the Parties reproduce below those termination charges in effect as of the Effective Date. In the event of conflict between the charges below and the charges set forth in Exhibit E (Cancellation Charges), the charges set forth in Exhibit E (Cancellation Charges) shall control.

**11.12.1 IPFlex** 50% of Monthly Service Fees due upon Termination prior to completion of Minimum Payment Period.

**11.12.2 MIS** 50% of Monthly Service Fees due upon Termination prior to completion of Minimum Payment Period.

**11.12.3 AT&T Dedicated Internet** 50% of Monthly Service Fees due upon Termination prior to completion of Minimum Payment Period.

**11.12.4 AT&T VPN** 100% of Monthly Service Fees due upon Termination prior to completion of Minimum Payment Period. Opt-E-MAN 100% of waived One-Time Charges within 24 months, 50% of any waived OTCs after 24 months and before 36 months. 100% of Special Construction charges related to terminated service, and 100% of all Monthly Recurring Charges remaining in the initial twelve months of the term.

**11.12.5 ASE On Demand** 50% of Monthly Service Fees due upon Termination prior to completion of Minimum Payment Period. plus any waived non-recurring charges

**11.12.6 ADE:** 50% of Monthly Service Fees due upon Termination prior to completion of Minimum Payment Period. and, if AT&T installs Customer Premises Support Structure facilities for AT&T Dedicated Ethernet service at any site, an additional \$9,200 for such site to recover facility costs

11.13 Appropriations: Funding. By executing this Agreement, the City warrants that it has funds appropriated and available to pay all amounts due thereunder through the end of the City's current fiscal period. The City further agrees to request all appropriations and funding necessary to pay for the services for each subsequent fiscal period through the end of the term of the Agreement. In the event the City is unable to obtain the necessary appropriations or funding for the services provided under this Agreement, the City may terminate the Agreement without liability for the termination

charges otherwise applicable upon the following conditions: (i) the City has taken all actions necessary to obtain adequate appropriations or funding; (ii) despite the City's best efforts funds have not been appropriated and are otherwise unavailable to pay for the services; and (iii) the City has negotiated in good faith with AT&T to develop revised terms, an alternative payment schedule or a new Agreement to accommodate the City's budget. The City must provide AT&T thirty (30) days' written notice of its intent to terminate the Agreement under this Section. Termination of the Agreement for failure to obtain necessary appropriations or funding shall be effective as of the last day for which funds were appropriated or otherwise made available. If the City terminates this Agreement under this Section, the City agrees as follows: (i) it will pay all amounts due for services incurred through date of termination, and reimburse all unrecovered non-recurring charges; and (ii) upon re-appropriation of funds by the City Council, services will be reinstated pursuant to this Agreement.

## **ARTICLE XII**

### **MISCELLANEOUS PROVISIONS**

12.1 Assignment. AT&T shall not assign this Agreement or any right or privilege contained herein or mortgage, pledge or hypothecate any interest or right granted by this Agreement or grant any of the foregoing without the prior written consent of City and any such grant of any of the foregoing shall be void and of no effect. The City acknowledges, however, that certain affiliated companies of AT&T will provide services and products to the City under this Agreement and their participation in the provision of services and products will not be deemed an assignment of rights under the Agreement.

12.2 Relationship of Parties. The relationship of City and AT&T established by this Agreement is that of independent contractors, and nothing contained in this Agreement shall be construed to (a) constitute City and AT&T, or City and any AT&T representative, as partners, joint venturers, co-owners or otherwise as participants in a joint or common undertaking, or (b) except to the extent expressly set forth in this Agreement, allow any Party hereto to create or assume any obligation on behalf of another Party hereto for any purpose whatsoever.

12.3 Agreement Documents. This Agreement shall consist of the following documents: (1) This Agreement; (2) Exhibit A- List of Wired Services Used by City (as provided in the RFCSP); (3) Exhibit B -List of City Facilities Eligible for Ethernet Service (as provided in the RFCSP); (4) Exhibit C- List of City Facilities Eligible for Broadband Service (as provided in the RFCSP); (5) Exhibit D- General and Technical Requirements of Communications Services and Products; (6) Exhibit E - Price List for Communications Services and Products; (7) Exhibit F - Service Level Agreements (as provided in AT&T's Response); (8) Exhibit G - AT&T's SBEDA Plan; (9) Exhibit H -Critical Public Safety Locations. The terms and conditions governing the service provided by AT&T to the City are set forth in this Agreement and the following additional documents:

12.3.1 Pricing Schedules. A Pricing Schedule (including related attachments) identifies the services AT&T has contracted to provide the City under the Agreement as set out in Exhibit E.

12.3.2 Tariffs and Guidebooks. "Tariffs" are documents containing the standard description, pricing, and other terms and conditions for a service that

AT&T files with regulatory commissions. "Guidebooks" are documents containing the standard descriptions, pricing, and other conditions for a service that were, but no longer are, filed with regulatory commissions. Tariffs and Guidebooks may be found at [att.com/service](http://att.com/service) publications or other locations AT&T may designate.

12.3.3 Acceptable Use Policy. AT&T's Acceptable Use Policy ("AUP") applies to services provided over or accessing the Internet. The AUP may be found at [att.com/aup](http://att.com/aup), or other locations AT&T may designate.

12.3.4 Service Guides. The description, pricing, and other terms and conditions for the services not covered by a Tariff or Guidebook may be contained in a Service Guide, which may be found at [att.com/service](http://att.com/service) sub locations or other locations AT&T may designate.

12.4 Priority of Documents. The order of priority of the documents is as follows: the Agreement; AT&T's Pricing Schedules, the AUP; and Tariffs, Guidebooks and Service Guides. In the event of a conflict between this Agreement and the terms of a Pricing Schedule, and other documents referenced therein, the Agreement will control.

12.5 Execution by Affiliates. An AT&T Affiliate may sign a Pricing Schedule referencing this Agreement in its own name and such Affiliate contract will be a separate, but associated, contract incorporating the terms of this Agreement with respect to that Pricing Schedule. AT&T will arrange to have its respective Affiliates comply with this Agreement regardless of whether an Affiliate has signed a Pricing Schedule.

12.6 Advertising of Names. Except as otherwise permitted by this Agreement, AT&T shall not itself and shall not permit any of its subsidiaries or affiliates to advertise or promote in any way its own name or business or the name or business of any of its subsidiaries or affiliates in City Facilities or on the streets and sidewalks adjacent to City Facilities or use the name of City Facilities once identified or any variations thereof in any advertising, promotional or informational material, literature or publicity or on any letterhead or in any way advertise or publicize this Agreement, the transactions provided for herein and the relationships created thereby without City's prior written approval. No public announcement, to the press, or otherwise, of the transactions provided for herein shall be made by AT&T or City unless the same shall have been previously approved in writing by both AT&T and City.

12.7.1 Notices. Notwithstanding any other provision contained in this Agreement, notices, approvals or other communications provided for herein shall be validly given or made if in writing and delivered by hand or mailed registered or certified return receipt requested (postage prepaid, and with a copy mailed simultaneously by first class mail) as follows:

To AT&T:

AT&T Corp.  
Attn: Account Team for City of San Antonio  
1010 North Saint Mary's Street San Antonio, Texas 78215

To City:

City of San Antonio  
Information Technology Services Department Attn: Kevin Goodwin

P.O. Box 839966  
San Antonio, Texas 78283-3966

With Copy to:

City Clerk  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283-3966

Alternatively, notice shall be mailed to such other address or addresses as may be specified by either Party hereto by written notice delivered to the other as provided herein. Any such notice if sent in accordance with this section shall be deemed delivered in all events within five (5) days following the deposit thereof in the U.S. mails as above provided.

12.8 Non-Waiver. A waiver by either Party of a breach of any of the terms, conditions, covenants or guarantees of this Agreement shall not be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee herein contained.

Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In fact, no waiver, change, modification or discharge by either Party hereto of any provision of this Agreement shall be deemed to have been made or shall be effective unless expressed in writing and signed by the Party to be charged. In case of City, such changes must be approved by the San Antonio City Council. No act or omission by a Party shall in any manner impair or prejudice any right, power, privilege, or remedy available to that Party hereunder or by law or in equity, such rights, powers, privileges, or remedies to be always specifically preserved hereby.

12.9 Force Majeure. "Force Majeure" means any event (other than economic hardship, changes in market conditions, or insufficiency of funds) that is beyond its reasonable control and could not have been prevented or avoided by its exercise of due diligence, that prevents a Party from complying with any of its obligations under this Agreement, including due to acts of God (such as, but not limited to, fires, explosions, earthquakes, drought, tidal waves and floods); war, hostilities (whether war be declared or not), invasion, act of foreign enemies, mobilization, requisition, or embargo; rebellion, revolution, insurrection, or military or usurped power, or civil war; contamination by radio-activity from any nuclear fuel, or from any nuclear waste from the combustion of nuclear fuel, radio-active toxic explosive, or other hazardous properties of any explosive nuclear assembly or nuclear component of such assembly; riot, commotion, strikes, go slows, lock outs or disorder; or acts or threats of terrorism. A Party affected by a Force Majeure event shall be relieved of the duty to perform such obligation until such time as the Force Majeure event has been alleviated; provided, that upon the removal of the Force Majeure event, the obligation prevented from being fulfilled will be automatically reinstated without the necessity of any notice whatsoever.

12.10 Non-Binding Mediation. Prior to filing suit, the Parties to this Agreement shall use non-binding mediation to resolve any controversy, claim or dispute arising under this Agreement, expressly excluding disputes involving the applicability or effect of superior laws, the constitutionality of any requirement in this Agreement or the preemptive effect of federal law.

12.10.1 Initiation of Mediation. To initiate non-binding mediation, a Party shall give written notice to the other Party. In the mediation process, the Parties will try to resolve their differences voluntarily with the aid of an impartial mediator, who will attempt to facilitate negotiations. The mediator will be selected by agreement of the Parties. If the Parties cannot agree on a mediator, a mediator shall be designated by JAMS/Endispute at the request of either Party. Any mediator so designated must be acceptable to both Parties.

12.10.2 Mediation Process. The mediation will be conducted as specified by the mediator and agreed upon by the Parties. The Parties agree to discuss their differences in good faith and to attempt with the assistance of the mediator, to reach an amicable resolution of the dispute. Any findings by the mediator shall be a non-binding determination. The mediation will be treated as a settlement discussion and therefore will be confidential in accordance with Texas Civil Practices and Remedies Code, Section 154.073. The mediator may not testify for either Party in any later proceeding relating to the dispute. No recording or transcript shall be made of the mediation proceedings. Each Party will bear its own costs in the mediation. The fees and expenses of the mediator will be shared equally by the parties.

12.11 Governing Law and Venue. This Agreement shall be construed and enforced in accordance with the laws of the State of Texas. Any legal action or proceeding arising out of or relating to this Agreement or the transactions it contemplates ("Judicial Action") shall be brought only in a United States District Court sitting in Bexar County, Texas or in any Texas state court sitting in Bexar County, Texas, and each Party consents to the exclusive jurisdiction of such courts (and of the appropriate appellate courts) in any such Judicial Action and waives any claim of forum non conveniens in connection therewith and objection to venue laid therein. The choice of forum above shall not prohibit the enforcement of any judgment obtained in that forum or any other appropriate forum.

12.12 Partial Invalidity. If any term or provision of this Agreement is determined to be invalid, illegal or unenforceable by a court of competent jurisdiction, the remaining terms and provisions of this Agreement shall not be affected thereby, and each remaining term and provision of this Agreement shall remain valid and be enforceable to the fullest extent permitted by law.

12.13 Terminology. All personal pronouns used in this Agreement, whether used in the masculine, feminine or neuter gender, shall include all other genders; the singular shall include the plural; and the plural shall include the singular. Titles of Articles and Sections in this Agreement are for convenience only, and neither limit nor amplify the provisions of this Agreement, and all references in this Agreement to Articles, Sections or Subsections thereof shall refer to the corresponding Article, Section or Subsection of this Agreement unless specific reference is made to the articles, sections or subsection of another document or instrument. The word "include" in every form means to include without limitation by virtue of enumeration and a derivative of a defined term shall have the meaning appropriate to the context of its use.

12.14 City Approval. Whenever in this Agreement a provision calls for the approval of the City or any decision or other exercise of discretion by the City, it is hereby expressly agreed unless provided otherwise that such approval, decision or discretion shall mean the approval, decision or discretion of the Chief Information Officer, or his designee.

12.15 Conflict of Interest. The City of San Antonio Ethics Code prohibits contracts between the City and its local public officials, employees and agents from being either officers or employees of City or any City agency such as City-owned utilities. It further prohibits AT&T's officers, employees and agents from having a prohibited financial interest in an Agreement with the City. A prohibited financial interest means a City officer or employee, his or her parent, child or spouse, a business entity in which the officer or employee, or his or her parent, child or spouse, directly or indirectly, owns ten percent ( 10%) or more of the voting stock or shares of the business entity; or ten percent ( 10%) or more of the fair market value of the business entity; or a business entity of which any individual or entity above listed is a subcontractor on a City contract, a partner, or a parent or subsidiary business entity. AT&T warrants that it has disclosed whether there are any existing or potential conflicts of interest related to this provision and that it has completed a Discretionary Contracts Disclosure Form as required by the RFCSP.

12.16 Counterparts. This Agreement may be executed in two counterparts, each of which shall be deemed an original and constitute one and the same instrument.

12.17 Legal Authority. The signer of this Agreement for AT&T represents, warrants, assures and guarantees that he has full legal authority to execute this Agreement on behalf of the AT&T and to bind AT&T to all of the terms, conditions, provision and obligations herein contained.

12.18 Entire Agreement. This Agreement contains the entire understanding between the Parties and may not be modified except by written instrument executed by both Parties hereto. No prior or contemporaneous oral or written agreements, bid solicitation, bid responses or other materials shall be binding on the Parties unless expressly incorporated herein by reference.

EXECUTED in multiple counterparts, each of which shall be deemed an original as of the \_\_\_\_ day of \_\_\_\_\_, 2018.

**EXHIBIT "D" – General and Technical Requirements of Services and Products**

## **EXHIBIT "D" – General and Technical Requirements of Services and Products**

### **RFCSP ATTACHMENT A – SECTION J**

#### **WIRE-LINE SERVICES**

##### **General Requirements:**

- J.1 The City has an existing telecommunication network throughout the City of San Antonio. A listing of facilities and wire-line services presently utilized by the City is included as RFCSP Exhibit 6.
- J.2 Respondent will be responsible for the provision of all the groups of wire-line services included in RFCSP Exhibit 6.
- J.3 All wire-line services must be provided in the San Antonio Metropolitan Exchange as defined by the State of Texas Public Utility Commission (PUC) service areas.
- J.4 The City requires retaining existing telephone numbers.
- J.5 Many of the existing wire-line services utilized by the City are currently billed on a mileage sensitive basis. Respondent must provide a fixed price for all wire-line services required by the City.
- J.6 Respondent's proposed price for each wire-line service shall include all installation charges to the City's designated point of demarcation.
- J.7 The City will retain ownership of all physical plant including all types of cabling from the Respondent's building entrance facility at the City's designated utility right of way up to the point of demarcation.
- J.8 Long distance service shall be included in all applicable wire-line services as specified in the Technical Requirements.
- J.9 City will not be responsible for the purchase of any new interface hardware or software to connect existing circuits to Respondent's facilities. Any required equipment or software upgrades must be provided by Respondent at no additional cost to the City.
- J.10 The City anticipates most of the existing wire-line services will be transitioned to metropolitan Ethernet services or broadband services in the future.
- J.11 The services proposed under this RFCSP shall be comprehensive and turn-key and sub-contracted providers are allowed. Respondent is solely responsible for its subcontractor's performance in the provision of these services.
- J.12 Respondent will be required to provide an acceptable conversion plan to the City for requested services no later than ninety (90) days after contract award.
- J.13 Within ninety (90) days after contract award, the successful Respondent shall develop and submit to the City a documented Disaster Recovery Plan that specifically addresses the City of San Antonio service including activation points, invocation and response times, alternative service arrangements, backup facility locations, and other detailed information

regarding the proposed backup services. This Disaster Recovery Plan must be maintained, updated and republished once a year by the successful Respondent.

- J.14 The Respondent must provide a primary and backup single point of contact (SPOC). This individual will be responsible for coordinating the establishment, termination, and support of any services provided under this RFCSP.
- J.15 The Respondent must provide a Project Manager certified by the Project Management Institute (PMI) and be capable of interfacing with City staff.
- J.16 In the event of unplanned service outages, invoices shall be pro-rated to reflect the loss of service.

**Technical Requirements:**

J.17 The requirements for each group of wire-line services are detailed in the following technical requirements:

J.17.1 Group 1 – Small Voice

J.17.1.1 Flat Rate Business Telephone Single-Line Without Instrument

This is a single telephone line with a number provided for the San Antonio Metropolitan Exchange. It must include touch-tone dialing, all custom calling features to include 3-way calling, caller ID, call waiting, call forwarding, long distance service, directory listing service, and any mandatory regulatory fees.

J.17.2 Group 2 – PBX Voice

J.17.2.1 SIP Trunk

This is a Voice over Internet Protocol and streaming media service based on Session Initiation Protocol (SIP). The trunk must include all central office integrated trunk features and include local calling for the San Antonio Metropolitan Exchange. It must include touch-tone dialing, remote call forwarding, remote call transfer, caller ID, call forwarding, long distance calling, support at minimum 400 concurrent calls using G.711 and must be able to upgrade to 800 concurrent calls using G.711, and any mandatory regulatory fees.

J.17.2.2 PBX Trunk – Two Way

This is a two-way voice trunk intended for termination into a City-owned Telephone System. The trunk must include all central office integrated trunk features and include local calling for the San Antonio Metropolitan Exchange. It must include touch-tone dialing, hunting, remote call forwarding, remote call transfer, all custom calling features to include 3-way calling, caller ID, call waiting, call forwarding, long distance service, directory listing service, and any mandatory regulatory fees.

J.17.3 Group 3 – Central Office Exchange Station

This is a two-way voice service intended for use with a carrier provided switching platform. The Central Office Exchange Station must include all features for local calling in the San Antonio Metropolitan Exchange. The Central Office Exchange Station must include touch-tone dialing, hunting, remote call forwarding, remote call transfer, all custom calling

features to include 3-way calling, caller ID, call waiting, call forwarding, long distance service, directory listing service, and any mandatory regulatory fees.

J.17.4 Group 4 – Disaster Routing and Network Reconfiguration Service

J.17.4.1 Basic Routing Plan

This is a service that will allow the City of San Antonio to implement a disaster recovery plan, open an Emergency Operations Center and have all traffic redirected to another facility from the normal call termination facility.

J.17.4.2 Disaster Routing Per Telephone Number

This is a selective service that will allow the City of San Antonio to selectively choose which telephone numbers need to be rerouted to an Emergency Operation Center or other facility in the San Antonio Metropolitan Exchange.

J.17.5 Group 5: ISDN Services/Private Lines

J.17.5.1 Primary Rate Interface

This is a central office based service that provides 23 bundled voice channels plus a data control channel suitable for interface to a City- owned PBX or switching device. The interface includes all touchtone services, custom calling features, long distance service, directory listing service, and all mandatory FCC fees.

J.17.5.2 Basic Rate Interface

This is a central office based service that provides 2 bundled voice channels plus a data control channel suitable for interface to City- owned premise equipment such as video monitors or advanced telephone switching devices. The interface includes all touchtone services, custom calling features, intrastate and interstate long distance service, directory listing service, and all mandatory FCC fees.

J.17.5.3 101A Channels

This service provides two wire metallic end-to-end continuity. It may be comprised of any combination of wire gauges and may or may not be H88 loaded. It may contain up to 12KF of bridged tap. No electrical resistance or signal loss is specified. It may be ordered with two or three local channels.

J.17.5.4 250A Channels

The 200 series offerings are a two wire sub-voice grade service typically used for telegraph or similar low baud rate transmissions. Metallic continuity is not provided under this offering. The 250A Channel can carry up to 75 baud (kbps) in either full duplex or half duplex operation. It may be ordered as two points or multipoint service.

J.17.5.5 251A Channels

This service is the same as 250A, however it provides a transmission rate of up to 150 baud (kbps).

J.17.6 Group 6: Broadband Services

#### J.17.6.1 Point-to-Point T-1 Services

This is an EIA/TIA standardized 1.544Mbps service between two designated points in the City's network. Services can be provided by fiber optic cable, copper cable, or coaxial cable as necessary. The circuit must be reliable and accept all standard coding schemes. These circuits must be provided on a flat rate basis anywhere within the San Antonio Metropolitan Exchange. The City desires to leverage these circuits with the metropolitan Ethernet and broadband services as identified in this RFCSP.

#### J.17.7 Group 7: Directory Listing Services (Additional)

These are additional directory listings provided to citizens in the San Antonio Metropolitan Exchange to advise them of additional City services provided at listed telephone numbers. Annual changes must be made at no charge to the City.

- J.18 All wire-line services must exhibit an availability index of 99.9% which is equal to no more than 526 minutes of outage each year, excluding planned outages.
- J.19 Respondent must provide Network Maintenance Schedules, on a monthly basis, with detailed outage information. City must be notified a minimum of 72 hours in advance of any planned system outages. The planned system outages will not be computed in the availability index.
- J.20 City must be informed of unscheduled outages as soon as possible and be provided details of the problem along with a timeframe for resolution of the outage. Respondent must then provide hourly updates to the City until the outage is resolved and be followed up with a detailed report within 24 hours of the unscheduled outage.
- J.21 The successful Respondent will be responsible for providing NPA/NXXX upgrade data to allow update of the City's Telephone System databases upon request and at no additional cost to the City.
- J.22 The City requires a maximum five minute polling interval at each facility for network performance measurement.
- J.23 Partition service connectivity must be provided which allows for the City to bill out proportional services on accounts that may be eligible for e-Rate funding as well as other type of funding sources (e.g. General Fund, Federal Grants, State Grants, etc.)

## RFCSP ATTACHMENT A – SECTION K

### METROPOLITAN ETHERNET SERVICES

#### General Requirements:

- K.1 The City envisions utilizing metropolitan Ethernet networks to provide voice and data services in the future. A listing of City facilities potentially requiring metropolitan Ethernet services during the term of the resultant contract are identified in RFCSP Exhibit 8. This list also includes the minimum forecasted bandwidth required at each facility and the existing bandwidth currently available at each facility.
- K.2 Metropolitan Ethernet services are to be installed by Respondent within Sixty (60) days after receipt or service/work order issued by the City.
- K.3 The services proposed under this RFCSP shall be comprehensive and turn-key and sub-contracted providers are allowed. Respondent is solely responsible for its subcontractor's performance in the provision of these services.
- K.4 Within ninety (90) days after contract award, the successful Respondent shall develop and submit to the City a documented Disaster Recovery Plan that specifically addresses the City of San Antonio service including activation points, invocation and response times, alternative service arrangements, backup facility locations, and other detailed information regarding the proposed backup services. This Disaster Recovery Plan must be maintained, updated and republished once a year by the successful Respondent.
- K.5 The Respondent must provide a primary and backup single point of contact (SPOC). This individual will be responsible for coordinating the establishment, termination, and support of any services provided under this RFCSP.
- K.6 The Respondent must provide a Project Manager certified by the Project Management Institute (PMI) and be capable of interfacing with City staff.
- K.7 In the event of any service outages, invoices shall be pro-rated to reflect the loss of service.

#### Technical Requirements:

- K.8 A metropolitan Ethernet service classification system has been established as follows:

- 2 Mbps Ethernet through 100 Mbps (Category A)
- 150 Mbps Ethernet through 900Mbps (Category B)
- 1000 Mbps Ethernet through 10000Mbps (Category C)
- Dual Attached – Unmetered Single Mode Fiber Optic Cable service (Category D)
- Single Attached – Unmetered Single Mode Fiber Optic Cable service (Category D)

Respondent shall utilize this category naming convention in their response so as to eliminate any miscommunication.

- K.9 All metropolitan Ethernet services must meet the applicable IEEE 802.3n specification for these services.
- K.10 Metropolitan Ethernet services must exhibit an availability index of 99.95% which is equal to no more than 259 minutes of outage each year, excluding planned outages.
- K.11 The demarcation installed at the City's designated point of demarcation at each facility shall be a single (or two, for redundant facilities) Optical or Copper based physical handoff installed at the City's designated point of demarcation. All necessary network components, converters,

Ethernet ports, and other devices required to provide such a demarcation shall be provided by the Respondent and be included in the monthly price for each category of service. The successful Respondent's responsibility for service will be measured to the designated demarcation interface.

- K.12 The Respondent is responsible for delivering all metropolitan Ethernet traffic to the City's network at 515 S. Frio Street and 8130 Inner Circle Dr., or other aggregation facility as designated by the City. All metropolitan Ethernet services must be delivered to the City's core network on Ethernet transport and provide the ability to transport Ethernet 802.1Q tagging between the City's facilities and the core network. All necessary transport and network components, converters, Ethernet ports and other devices required to deliver the services shall be provided by the Respondent and be included in the monthly price for each category of service.
- K.13 Respondent must not filter or encrypt any data delivered to City. All filtering and encryption will be handled by City firewalls. Respondent is free to encrypt or otherwise secure transmission of data within its own network.
- K.14 Respondent shall provide two (2) separate designs for metropolitan Ethernet services. Responses must include a "dedicated" design and "shared" design for metropolitan Ethernet services as defined by this RFCSP.
- K.15 A "dedicated" design is defined as the physical dedication of network plant (cable, optical strands, copper pairs, or WDM lambdas) solely for the City's use. This is further defined as a network in which no packets would be detected other than those generated by or destined for hosts within City's network.
- K.16 Under the "dedicated" design scenario, Respondent shall detail the routing, configuration, and capacity of any "sub-ring" or "super-ring" links and/or nodes embedded in the Respondent's network(s) that will be wholly dedicated to the City, and the subsequent security provided at each termination. A wholly committed TDMA/SONET timeslot or a dedicated lambda using WDM technology will be considered as "dedicated" infrastructure. The use of VLAN technology will not be considered a "dedicated" portion of the Respondent's network.
- K.17 Under the "shared" design scenario, Respondent shall explain the methods used to guarantee bandwidth availability for the City and the subsequent security provided for these nodes. VLAN technology will be allowed under the "shared" design.
- K.18 For both "dedicated" and "shared" designs, Respondent shall indicate how its own internal network(s) will be configured to provide City with these requested services. Of particular interest is the type of ring protection that will be provided on the Respondent's core network.
- K.19 Respondent's proposal shall include the proposed IP addressing schema, the address range to be assigned to hosts and nodes within each facility, and all VLAN and subnet layouts. The City will utilize its Class B IP assignments for this network. Respondent shall not assign any IP addresses to any nodes that are not included in the City's Class B dedicated IP address block. The Proposed Plan shall include a detailed discussion of the Respondent's IP addressing schema and must demonstrate that the City will be able to use RFC1918-compliant "private" network addressing across the backbone between their facilities.
- K.20 Respondent's proposal shall indicate the guaranteed minimum, nominal, and maximum (if different) upstream and downstream bandwidth to be provided for each category of metropolitan Ethernet services identified in the Technical Requirements. For the "shared" design, the network utilization at a particular facility shall not exceed 50% of the rated capacity more than ninety percent of the time during working hours (0700-1800 hours x 5 days). City will study and test the circuits twice a year for bandwidth availability. Respondent will be required to provide a detailed bandwidth report quarterly to the City. If capacities are not met,

Respondent will be allowed 30 days to restore the connection to rated capacity.

- K.21 If the rated capacity is exceeded under the "dedicated" design, the City will pay Respondent to upgrade the service based on normal work order preparation and approvals currently used by the City.
- K.22 The City requires a maximum five minute polling interval at each facility for network performance measurement..
- K.23 The City will be free to use the metropolitan Ethernet services without any Respondent restrictions. Included is any sharing of non-public Wi-Fi or Ethernet services with other Inter-local Agencies as might be set up from time-to-time as authorized by the State of Texas.
- K.24 Partition service connectivity must be provided which allows for the City to bill out proportional services on accounts that may be eligible for e-Rate funding as well as other type of funding sources (e.g. General Fund, Federal Grants, State Grants, etc.)

## RFCSP ATTACHMENT A – SECTION L

### BROADBAND SERVICES

#### **General Requirements:**

- L.1 The City envisions utilizing broadband networks to provide voice and data services in the future. A listing of City facilities potentially requiring broadband services during the term of the resultant contract are identified in RFCSP Exhibit 8. This list also includes the minimum forecasted bandwidth required at each facility and the existing bandwidth currently available at each facility.
- L.2 The services proposed under this RFCSP shall be comprehensive and turn-key and sub-contracted providers are allowed. Respondent is solely responsible for its subcontractor's performance in the provision of these services.
- L.3 Within ninety (90) days after contract award, the successful Respondent shall develop and submit to the City a documented Disaster Recovery Plan that specifically addresses the City of San Antonio service including activation points, invocation and response times, alternative service arrangements, backup facility locations, and other detailed information regarding the proposed backup services. This Disaster Recovery Plan must be maintained, updated and republished once a year by the successful Respondent.
- L.4 The Respondent must provide a primary and backup single point of contact (SPOC). This individual will be responsible for coordinating the establishment, termination, and support of any services provided under this RFCSP.
- L.5 The Respondent must provide a Project Manager certified by the Project Management Institute (PMI) and be capable of interfacing with City staff.
- L.6 In the event of service outages, invoices shall be pro-rated to reflect the loss of service.

#### **Technical Requirements:**

- L.7 A broadband service classification system has been established as follows:
  - Category E – Single Attached – Sub-Ethernet bandwidth with 3-20 Mbps service required.
  - Respondent shall utilize this category naming convention in their response so as to eliminate any miscommunication.
- L.8 Broadband services must exhibit an availability index of 99.9% which is equal to no more than 526 minutes of outage each year, excluding planned outages.
- L.9 The demarcation installed at the City's designated point of demarcation at each facility shall be a single (or two, for redundant facilities) Optical or Copper based physical handoff installed at the City's designated point of demarcation. All necessary network components, converters, Ethernet ports, and other devices required to provide such a demarcation shall be provided by the Respondent and be included in the monthly price for this service. The successful Respondent's responsibility for service will be measured to the designated demarcation point interface.
- L.10 The Respondent is responsible to deliver all broadband traffic to the City's network at 515 S. Frio Street and 8130 Inner Circle Dr., or other aggregation facility as designated by the City. All broadband services must be delivered to the City's core network on Ethernet transport and

provide the ability to transport Ethernet 802.1Q tagging between the City's facilities and the core network. All necessary transport and network components, converters, and Ethernet ports, and other devices required to deliver the services shall be provided by the Respondent and be included in the monthly price for this service.

- L.11 Respondent must not filter or encrypt any data delivered to City. All filtering and encryption will be handled by City firewalls. Respondents are free to encrypt or otherwise secure transmission of data within their own networks.
- L.12 Respondents shall explain the methods used to guarantee bandwidth availability for City and the subsequent security provided. VLAN technology will be allowed.
- L.13 Respondent shall indicate how its own internal network(s) will be configured to provide City with requested broadband services. Of particular interest is the type of ring protection that will be provided on the Respondent's core network.
- L.14 Respondent's proposal shall include the proposed IP addressing schema, the address range to be assigned to hosts and nodes within each facility, and all VLAN and subnet layouts. City will utilize its Class B IP assignments for this network. Respondent shall not assign any IP addresses to any nodes that are not included in the City's Class B dedicated IP address block. The Proposed Plan shall include a detailed discussion of the Respondent's IP addressing schema and must demonstrate that the City will be able to use RFC1918- compliant "private" network addressing across the backbone between their facilities.
- L.15 The proposal shall indicate the guaranteed minimum, nominal, and maximum (if different) upstream and downstream bandwidth for broadband services. City will study and test the circuits twice a year for bandwidth availability. Respondent will be required to provide a detailed bandwidth report quarterly to the City. If capacities are not met, Respondent will be allowed 30 days to restore the connection to rated capacity.
- L.16 The City requires a maximum five minute polling interval at each facility for network performance measurement.
- L.17 City will be free to use broadband services without any Respondent restrictions. Included is any sharing of non-public Wi-Fi or broadband services with other Inter-local Agencies as might be set up from time-to-time as authorized by the State of Texas.
- L.18 Partition service connectivity must be provided which allows for the City to bill out proportional services on accounts that may be eligible for e-Rate funding as well as other type of funding sources (e.g. General Fund, Federal Grants, State Grants, etc.).

**RFCSP ATTACHMENT A – SECTION M**  
**INTERNET CONNECTION SERVICE**

**General Requirements:**

- M.1 The services proposed under this RFCSP shall be comprehensive and turn-key and sub-contracted providers are allowed. Respondent is solely responsible for its subcontractor's performance in the provision of these services.
- M.2 Respondent will be required to provide an acceptable conversion plan to the City for requested services no later than thirty (30) days after contract award.
- M.3 Within ninety (90) days after contract award, the successful Respondent shall develop and submit to the City a documented Disaster Recovery Plan that specifically addresses the City of San Antonio service including activation points, invocation and response times, alternative service arrangements, backup facility locations, and other detailed information regarding the proposed backup services. This Disaster Recovery Plan must be maintained, updated and republished once a year by the successful Respondent.
- M.4 The Respondent must provide a primary and backup single point of contact (SPOC). This individual will be responsible for coordinating the establishment, termination, and support of any services provided under this RFCSP.
- M.5 Respondent must provide an Account Manager to be assigned to this project.
- M.6 In the event of service outages, invoices shall be pro-rated to reflect the loss of service.

**Technical Requirements:**

- M.7 The Internet connection between the City Point of Access and the Respondent Point of Access shall be provided by fiber optic media. The media connecting the City to the Respondent's point of presence (POP) in San Antonio must be single mode fiber at the following locations:
- 515 S. Frio with a demarcation point in the equipment wire room inside the Computer Center. The minimum Committed Information Rate (CIR) shall be 1000Mbps.
  - 8130 Inner Circle Dr. with demarcation point in the equipment wireroom inside the equipment wire room. The minimum Committed Information Rate (CIR) shall be 1000Mbps.
  - 600 Soledad with demarcation point in equipment wire room. The minimum CIR shall be 1000 Mbps.
  - 9800 Airport Blvd. with a demarcation point in the equipment wire room of Terminal A. The minimum CIR shall be 1000 Mbps.
  - 100 Montana. with a demarcation point in the equipment wire room of MPOE. The minimum CIR shall be 1000 Mbps
  - Various City Facilities (locations identified in RFCSP Exhibit 8) – The minimum CIR at each facility shall be 3-20 Mbps.
- M.8 Bandwidth available to the City shall never fall below the minimum Committed Information Rate (CIR) point for each service.
- M.9 Respondent must provide a sufficient rate available from current off-the-shelf bandwidth and

must not "over-commit" a bandwidth. The City will periodically run tests on the circuit to verify bandwidth availability on the CIR. Two (2) consecutive occurrences of less than CIR availability measured on two (2) different days within the same month will constitute a material breach of contract and may result in contract termination.

- M.10 A minimum of two Tier 1 providers must be provided ensuring the City has connectivity 24 hours per day, 7 days per week, and 365 days per year. Tier 1 providers must have been successfully providing services for a minimum of three (3) years.
- M.11 The Internet connections must exhibit an availability index of 99.95% which is equal to no more than 259 minutes of outage each year, excluding planned outages.
- M.12 City must be notified a minimum of 48 hours in advance of any planned system outages. The planned system outages will not be computed in the availability index.
- M.13 Greater than 24 hours of accumulated unavailability during any 12 month period shall be deemed to fall below the required minimum availability and will be considered a material breach of the contract and may warrant termination of the contract. The Proposed Plan should detail how your company will provide this high availability of services.
- M.14 Filtering or blocking of any traffic shall not be permitted by the Respondent. The City utilizes various TCP/IP services and ports and will block any of those services or ports via the City's own Internet firewall. This applies to both inbound and outbound traffic. All traffic, both inbound and outbound, must be delivered in an unaltered and unfiltered fashion.
- M.15 A secondary Domain Name Server (DNS) must be provided for the City. The City requires access to at least one highly reliable Internet aware Domain Name Server as the secondary upstream name server. The successful Respondent must agree to work closely with the City on all aspects of DNS. The DNS organization must have demonstrated the ability to provide successful services for a period of not less than three (3) years.
- M.16 A 24x7x365 help desk must be available to provide assistance in case of real or suspected problems. 24x7x365 access to networking personnel shall be provided, including telephone, e-mail, hot-line, etc. for problem resolution concerning the quality of service. This requirement could include assistance on all aspects of maintaining high speed Internet data service to the City. Examples could include assistance in DNS, Mail, hacker attacks, and any and all of the problems that can arise and require attention. This service includes helping the City to restore service when in fact City equipment or circuits may be the actual problem. The Trouble Line must be available as either a local call or a toll free call if outside the San Antonio Metropolitan area.
- M.17 The successful Respondent will be required to monitor connectivity on a 24x7x365 basis.
- M.18 Total system redundancy must be provided in both hardware and access to Tier 1 Internet providers. Total system redundancy must be provided in both hardware and uplink circuits. If the successful Respondent is considered a Tier 1 supplier, then multiple paths to other Tier 1 partners must exist. If the successful Respondent is not considered a Tier 1 provider, then at least two connections to two different Tier 1 providers will be required.
- M.19 The demarcation installed at the City's designated point of demarcation at each facility shall be a single (or two, for redundant facilities) Optical or Copper based physical handoff installed at the City's designated point of demarcation. All necessary network components, converters, Ethernet ports, and other devices required to provide such a demarcation shall be provided by the Respondent and be included in the monthly price for each service. The successful Respondent's responsibility for service will be measured to the designated demarcation interface.
- M.20 City will be free to use the Internet Connection Service without any Respondent restrictions. Included is any sharing of non-public Wi-Fi or Ethernet services with other Inter-local Agencies as might be set up from time-to-time as authorized by the State of Texas. The City reserves the right to utilize internet connection services for public Wi-Fi as authorized by the State of Texas.

## RFCSP ATTACHMENT A – SECTION N

### LONG DISTANCE (INBOUND 800 & INTERNATIONAL), GROUP CONFERENCE CALLING AND 311 SERVICES

#### **General Requirements:**

- N.1 Respondent's proposal shall include long distance (inbound 800 and international) calling, and group conference calling for approximately 8,000 telephone lines, served by both City-owned on-premise and central office switching equipment.
- N.2 The City utilizes approximately 14,350 minutes (dedicated and switched services) of inbound long distance calls monthly. In addition, the City utilizes approximately 1,500 minutes of outbound and 250 minutes of inbound international long distance per month.
- N.3 Long distance services within the continental United States are included in the applicable wire-line services as defined in RFCSP Attachment J.
- N.4 Respondent's proposal shall also include 311 non-emergency services for San Antonio and Bexar County.
- N.5 The City's 311 non-emergency service is a local San Antonio public switched telephone network service that allows citizens to dial the digits "311" and be connected to the City's 311 call center to handle non-emergency calls.
- N.6 The City's 311 call center receives approximately 76,000 calls per month.
- N.7 Respondent will be required to provide an acceptable conversion plan to the City for requested services no later than thirty (30) days after contract award.
- N.8 The services proposed under this RFCSP shall be comprehensive and turn-key and sub-contracted providers are allowed. Respondent is solely responsible for its subcontractor's performance in the provision of these services.
- N.9 The Respondent must provide a primary and backup single point of contact (SPOC). This individual will be responsible for coordinating the establishment, termination, and support of any services provided under this RFCSP.
- N.10 Respondent must provide an Account Manager to be assigned to this project.

#### **Technical Requirements:**

- N.11 Long distance service shall be provided over Respondent-provided trunk lines (PRI/DS-1 or SIP trunks) to three interconnect locations. Acquisition, sizing, and payment for trunks shall be Respondent's sole responsibility with all applicable costs included in the proposed pricing for each service. Long distance trunk terminations are required at the following locations:
- 100 Montana
  - 515 S. Frio
  - 8130 Inner Circle

- N.12 Respondent must ensure that all calls will have answer back supervision so that the City is not billed for unanswered calls.
- N.13 Long distance service, both incoming and outgoing, must be provided to reach anywhere in the world. The most commonly called countries by City staff are as follows: Mexico, Canada, Taiwan, Italy, Panama, Australia, Germany, United Kingdom, Puerto Rico and Japan.
- N.14 Long distance, and 311 Services must be provided 24x7x365. Maintenance response to trouble calls reported by the City must be on a 24-hour basis.
- N.15 The successful Respondent will be required to block all 900/976 numbers, third party calls (or other types of billable services where applicable) at no additional cost to the City.
- N.16 All access costs must be included in proposed price for each service. In addition, the City shall pay no additional fees to add or disconnect services.
- N.17 All long distance calls (inbound 800 and international) shall be billed at a fixed price per minute, regardless of the time of day, night, or week placed.
- N.18 Respondent must ensure that any 800 number provided to the City will not be published without prior written approval.
- N.19 Long distance service must be cutover from existing trunks and lines with minimal outage time and without additional cost to the City.
- N.20 The successful Respondent will be responsible for providing NPA/NXX upgrade data to allow update of the City's PBX databases upon request and at no additional cost to the City.
- N.21 The Respondent will be required to provide group conferencing calling service that allows the "bridging" of multiple callers to conduct automated conferencing.
- N.22 The group conference calling service must have a local or toll free dial in-number and a pass-code protected feature.
- N.23 Respondent will be required to restrict directory assistance services on regular POTS services at no additional cost to the City. This restriction will be set up on a selective basis by the City.
- N.24 For 311 non-emergency services, every central office serving the San Antonio Metropolitan Exchange must be capable of routing these calls to specific trunk groups. Included in this basic service are the two-way trunks required to deliver the calls to the City's 311 Call Center.
- N.25 311 non-emergency service must be provided to all citizens of City of San Antonio and Bexar County by providing toll-free access to the City of San Antonio 311 Call Center. PUC rules in Chapter 26, Subchapter F, require that a certificated telecommunications utility must have a PUC approved application to provide 311 non-emergency service. Respondents will be responsible for obtaining PUC approval for these services.
- N.26 All 311 voice calls and all 311 telephone text (TTY) calls shall be forwarded to a local telephone number in the City's 311 Call Center.
- N.27 Respondent shall provide updates to the 311 calling database at no additional cost to the City.
- N.28 Respondents shall provide a monthly usage report of all calls to the 311 Call Center. Monthly usage reports shall include, but not limited to the following information: number of calls by day of week, number of calls by hour of each day and number of calls by zip code.
- N.29 Respondent must include all access configuration services, fees, reports and delivery trunks

into a composite price per call for 311 services.

Long distance, and 311 Services must exhibit an availability index of 99.95% which is equal to no more than 276 minutes of outage each year, excluding planned outages.

**3. MINIMUM PAYMENT PERIOD**

Service Components	Percentage of Monthly Recurring Charges Applied for Calculation of Early Termination Charges	Minimum Payment Period per Service Component
All Service Components	50%	36 months
Adds installed more than 36 months after Effective Date	50%	36 months

**4. ADDS; MOVES**

**4.1 Adds**

Orders for Service Components in excess of quantities listed Section 5 ("Adds") permitted only as specified below:				
Service Components Permitted for Adds	Site(s) Permitted for Adds	Monthly Recurring Rates	Non-recurring Charges	Additional Requirements
All Service Components listed in Section 5	Site(s) listed in Section 5 plus any other Site(s) in AT&T service areas in states included in Section 5	As provided in Section 5	As provided in Section 5	<ul style="list-style-type: none"> <li>Adds must be installed no later than 36 months after Effective Date</li> <li>Adds are limited to Sites where no special construction charges are assessed</li> </ul>

**Formatted: Font: Not Bold**

**4.1.1 Adds for Sites in AT&T service areas where special construction charges are assessed may be added on an Individual Case Basis (ICB).**

**4.2 Moves**

Per applicable Service Publication

**5. RATES AND CHARGES; QUANTITIES; SITE CONFIGURATION**

Applicable to all rate tables in this Pricing Schedule:

- The applicable USOC is the last five (5) characters of the code displayed for each Service Component – the remaining characters are for internal AT&T use only.
- In the event that any total amounts conflict with any per-unit rates in the tables below, the per-unit rates shall control.
- Charges for special construction, if needed, may also apply.

**2. PRICING SCHEDULE TERM AND EFFECTIVE DATES**

<b>Pricing Schedule Term</b>	<b>72 Months</b>
<b>Pricing Schedule Term Start Date</b>	Effective Date of this Pricing Schedule
<b>Effective Date of Rates and Discounts</b>	Effective Date of this Pricing Schedule
<b>Pricing Schedule Term Extension Option</b>	Customer may extend the Pricing Schedule Term for one or two 24 month periods (each, an "Extension Period") upon written notice to AT&T at least forty-five (45) days prior to the expiration of the original Pricing Schedule Term (or of the first Extension Period, if applicable). In such a case, the Minimum Payment Period for each Service Component in service at the expiration of the original Pricing Schedule Term (and of the first Extension Period, if the second Extension Period is exercised) shall be extended for 24 months for each Extension Period exercised.

**3. MINIMUM PAYMENT PERIOD**

Service Components	Percent of Monthly Service Fees Due Upon Termination Prior to Completion of Minimum Payment Period	Minimum Payment Period per Service Component
All Service Components	50%	Longer of 12 months or until the end of the Pricing Schedule Term

**4. GRANDFATHERING AND WITHDRAWAL**

AT&T may discontinue a Service or Service Component as provided in the applicable Service Guide and in the case of a Service or Service Component that is supplied to AT&T by a third party service provider upon thirty (30) days written notice.

**5. RESALE OF SERVICES (US Mainland, and HI only)**

Customer may resell the Service.

**6. RATES (US Mainland, and HI only)**

This Pricing Schedule for the service(s) identified below ("Service") is part of the Agreement referenced above.

Unless otherwise specified herein, Services purchased under this Pricing Schedule must be managed using the AT&T Network on Demand process described in the Network on Demand Guide available at: [http://cpr.att.com/pdf/publications/NOD\\_Guide.pdf](http://cpr.att.com/pdf/publications/NOD_Guide.pdf) which is incorporated herein by reference and is subject to change by AT&T.

AT&T California currently provides billing and collections services to third parties, which may place charges that Customer authorizes on Customer's bill for intrastate Services. To the extent that AT&T California makes blocking of such charges available, Customer may block third-party charges from its bill at no cost.

Customer confirms receipt of the AT&T customer building / site preparation document describing the installation requirements at the Site(s).

**2. PRICING SCHEDULE TERM, EFFECTIVE DATES**

**3.**

<b>Pricing Schedule Term</b>	60 months
<b>Start Date of Minimum Payment Period, per Service Component</b>	later of the Effective Date or installation of the Service Component
<b>Rate Stabilization per Service Component</b>	Rates as specified in this Pricing Schedule for each Service Component are stabilized until the end of its Minimum Payment Period.
<b>Pricing following the end of Minimum Payment Period</b>	non-stabilized prices as modified from time to time in applicable Service Publication or, if there is no such pricing, the pricing in this Pricing Schedule
<b>Pricing Schedule Term Extension Option</b>	Customer may extend the Pricing Schedule Term for one or two 12 month periods (each, an "Extension Period") upon written notice to AT&T at least forty-five (45) days prior to the expiration of the original Pricing Schedule Term (or of the first Extension Period, if applicable). In such a case, the Minimum Payment Period for each Service Component in service at the expiration of the original Pricing Schedule Term (and of the first Extension Period, if the second Extension Period is exercised) shall be extended for 12 months for each Extension Period exercised.

**AT&T Switched Ethernet Service<sup>SM</sup> (with Network On Demand)  
Pricing Schedule Provided Pursuant to Custom Terms**

**3. MINIMUM PAYMENT PERIOD**

Service Components	Percentage of Monthly Recurring Charge Applied for Calculation of Early Termination Charges*	Minimum Payment Period per Service Component
All Service Components	50% plus any waived non-recurring charges	36 months

\* Early termination charges shall not exceed the total amount of monthly recurring charges for the remainder of the Minimum Payment Period; refer to [Network on Demand Guide](#) for details.

**4. ADDS; MOVES**

**4.1 Adds**

Additional AT&T Switched Ethernet Service Customer Port Connections ("Adds") may be purchased (where available using the Network on Demand process) during the Pricing Schedule Term at the rates, terms and conditions herein (Customer Port Connection MRCs and Bandwidth MRCs for Adds are set forth in section 5.1.2 below).

**4.2 Moves**

Per applicable Service Publication

**5. RATES and CHARGES**

**5.1 AT&T SWITCHED ETHERNET SERVICE**

**5.1.1 Initial Site And Service Configuration**

The initial sites and configuration of Services covered under this Pricing Schedule are identified on Attachment A. This Pricing Schedule is Customer's order for any new Services shown on Attachment A.

**5.1.2 Monthly Recurring Charges (MRC)**

All Monthly Recurring Charge (MRC) rates are per port. The total MRC for a port is the sum of the Port Connection MRC, the Bandwidth MRC, and any associated Feature MRC(s).

**Port Connection MRC**

Port Connection Type/Speed	MRC
Basic 100 Mbps	\$180.00
Basic 1 Gbps	\$180.00

**Bandwidth MRC**

If Customer changes the CIR and/or CoS configuration during the billing cycle, the Bandwidth MRC will be prorated based on the time interval for each configuration. Bandwidth may be adjusted using the Network on Demand process within the available network capacity, which may vary from time to time. All speeds may not be available at all times or at all locations. Network augmentation via traditional processes may be required before certain speeds will be available on demand. Contact your AT&T sales representative to discuss ways to increase available capacity.

Bandwidth MRC (for 100 Mbps and 1 Gbps Basic Port Connections)	
	Class of Service (CoS)

**Feature MRC**

Feature	MRC
Enhanced Multicast	\$70.00

**5.1.3 Non Recurring Charges (NRC)**

Standard Non Recurring Charges for installation of new Customer Port Connections, per the applicable Service Publication, will be waived.

**5.1.4 Additional Charges**

Charges for additional Service options may apply per Service Publication. Charges for special construction, if needed, may also apply.

**5.2 AT&T INSIDE WIRING**

Charges for AT&T Inside Wiring are as set forth in the Service Publication.

**5.3 ENTRANCE FACILITY CONSTRUCTION CHARGE**

NON-RECURRING CHARGE PER CUSTOMER SITE*	\$3,000.00
*AT&T will provide Entrance Facility Construction as defined in and subject to the terms and conditions of the applicable Service Publication, at the rate set forth above, for any qualifying Customer Sites where Customer purchases new AT&T Switched Ethernet Service under this Pricing Schedule at which Entrance Facility Construction is required. To qualify, the Entrance Facility Construction needed at a Customer Site, as determined by AT&T, cannot exceed the specifications set forth in the Service Publication.

**AT&T Switched Ethernet Service<sup>SM</sup> (with Network On Demand)  
Pricing Schedule Provided Pursuant to Custom Terms**

**6. SPECIAL TERMS, CONDITIONS or OTHER REQUIREMENTS**

**6.1 Special Conditions for 10 Gbps Customer Port Connections**

Basic Ports with transmission speeds of 10 Gbps are available only under certain custom/ICB contracting arrangements and are not fully supported by the Network on Demand process at this time. If Customer has any 10 Gbps Port(s) and wishes to change the CIR of any such Port(s) to values equal to or less than the initially contracted port configuration (Attachment A, Table 2), change the applicable CoS or establish EVCs within permissible parameters, then Customer may use the AT&T Business Center portal to request and schedule such changes. Point-to-point EVCs can be set in 1 Mbps increments from 1 Mbps to 2000 Mbps. Multipoint EVCs can be set in 1 Mbps increments from 1 Mbps to 1000 Mbps. Real Time Class of Service is not available for EVCs exceeding 1000 Mbps. If Customer wishes to increase the CIR above the initially contracted port configuration or make any changes other than as set forth above, Customer must contact AT&T using standard processes to determine whether such changes can be made and whether any modifications to Customer's contract may be required. Requests for EVC CIR above the limits set forth above will be evaluated on an Individual Case Basis, taking into consideration factors such as facility conditions and the impact of the requested configuration on network performance.

**6.2 Special Conditions for 100 Gbps Customer Port Connections**

Basic Ports with transmission speeds of 100 Gbps are available only under certain custom/ICB contracting arrangements. If Customer has any 100 Gbps Port(s) and wishes to change the CIR of any such Port(s) to values equal to or less than the initially contracted port configuration (Attachment X, Table Y), change the applicable CoS or establish EVCs within permissible parameters, then Customer may use the AT&T Business Center portal to request and schedule such changes. Requests for EVCs greater than 1Gbps and up to 20Gbps will be considered on an Individual Case Basis (ICB) based on the specific facilities and intended ports to be part of the EVC. Approved configurations will be programmed into the Business Center portal and customer will be able to make changes to reduce the CIR or drop ports from the EVC using the portal, as well as increase the CIR back up to the original approved maximum. Requests to add additional ports to that same EVC, or to increase CIR above the originally approved speeds, will require a new ICB request to ensure the additions can be supported. Real Time Class of Service is not available for EVCs exceeding 1 Gbps.

<b>Effective Date of Rates and Discounts</b>	Effective Date of this Addendum
--	---------------------------------

**3. ADDITIONAL TERMS AND CONDITIONS**

**3.1. AT&T SD-WAN ADDITIONAL TERMS AND CONDITIONS**

Customer expressly grants AT&T permission to access information contained in application layer (through OSI layer 7) for the sole purpose of enabling the SD-WAN feature to most accurately identify the application involved with a transmission so that AT&T may:

- Create aggregate level usage reports for Customer's use in determining policies for routing Customer's traffic; and
- Assist Customer with establishing application specific routing policies through the Web Portal and provide ongoing assistance with changing routing policies.

The reports provided by AT&T will contain aggregate and anonymous information available only to Customer and will be treated as Confidential Information. Individual packet content data shall not be made available to Customer and may not be downloaded and stored by either Customer or AT&T.

AT&T's and Customer's use of the data and aggregate reports generated by the Service is limited to routing policy decisions only - marketing or other uses of the data or disclosure to other parties are not permitted. Customer represents and warrants that it will use such data, information and reports only for routing policy decisions.

Customer is solely responsible for the relationship with the Users that generate the traffic Customer provides AT&T in connection with this Agreement. Customer represents it has authority to permit access to communications by its employees, guests, representatives or other Users and is responsible for obtaining any legally required employee or User consents. Customer represents and warrants that it has the appropriate rights to provide any User Data to AT&T in connection with the Service.

This Pricing Schedule for the service(s) identified below ("Service") is part of the Agreement referenced above. Customer requests that its identity be kept confidential and not be publicly disclosed by AT&T or by any regulatory commission, unless required by law.

Except when Service is used solely as transport for AT&T switched local or access service(s), Customer acknowledges and certifies that the interstate traffic (including Internet and international traffic) constitutes **ten percent (10%) or less** of the total traffic on any Ethernet, dedicated or special access Service.

On the Effective Date, this Pricing Schedule will supersede and replace all existing or prior agreement(s) for the Service(s) identified in Attachment A.

AT&T California currently provides billing and collections services to third parties, which may place charges that Customer authorizes on its bill. To the extent that AT&T California makes blocking of such charges available, Customer may block third-party charges from its bill at no cost.

**2. PRICING SCHEDULE TERM, EFFECTIVE DATES**

<b>Pricing Schedule Term</b>	72 months
<b>Pricing Schedule Term Extension Option</b>	Customer may extend the Pricing Schedule Term for one or two 24 month periods (each, an "Extension Period") upon written notice to AT&T at least forty-five (45) days prior to the expiration of the original Pricing Schedule Term (or of the first Extension Period, if applicable) (or of the second Extension Period, if applicable). In such a case, the Minimum Payment Period for each Service Component in service at the expiration of the original Pricing Schedule Term (and of the first Extension Period, if the second Extension Period is exercised) shall be extended for 12 months for each Extension Period exercised.
<b>Start Date of Minimum Payment Period, per Service Component</b>	later of the Effective Date or installation of the Service Component
<b>Rate Stabilization per Service Component</b>	Rates as specified in this Pricing Schedule for each Service Component are stabilized until the end of its Minimum Payment Period.
<b>Pricing following the end of Minimum Payment Period</b>	non-stabilized prices as modified from time to time in applicable Service Publication or, if there is no such pricing, the pricing in this Pricing Schedule

**3. MINIMUM PAYMENT PERIOD**

Service Components	Percentage of Monthly Recurring Rate Applied for Calculation of Early Termination Charges	Minimum Payment Period per Service Component
All Service Components	50%	0 months

Please sign by May 1, 2019.

**ILEC INTRASTATE SERVICES PRICING SCHEDULE

**4. ADDS; MOVES**

**4.1 Adds**

Orders for Service Components in excess of quantities listed in Section A-1 of Attachment A ("Adds") are not permitted except as specified below.

**Orders for ISDN PRI, DS1 or DS3 (when associated with ISDN PRI) Service Components in excess of quantities listed Section A-1 of Attachment A ("Adds") permitted only as specified below:**

<b>Service Components Permitted for Adds</b>	<b>Site(s) Permitted for Adds</b>	<b>Monthly Recurring Rates</b>	<b>Non-recurring Charges</b>	<b>Additional Requirements</b>
All Service Components listed In Attachment(s) A	Site(s) listed in Attachment A	As provided in Attachment A	As provided in Attachment A, plus any additional special construction charges that may be assessed	Adds must be installed no later than 36 months after the Effective Date of the Pricing Schedule.

**4.2 Moves**

Per applicable Service Publication.

**5. RATES AND CHARGES; QUANTITIES; INITIAL SITE(S)**

See Attachment(s) A. This Pricing Schedule is Customer's order for any new Services shown on Attachment(s) A.

**6. SPECIAL TERMS, CONDITIONS or OTHER REQUIREMENTS**

**6.1 Use of Service**

Customer may not use the Service to bypass the switched access charges that must be paid to a local telecommunications company for the termination or origination of international, interLATA or intraLATA calls. If Customer uses the Service to bypass such switched access charges, Customer must compensate AT&T for any resulting switched access charges that AT&T is obligated to pay or entitled to collect. This Customer obligation shall not be capped or limited in any fashion.

**6.2 Notice of Withdrawal**

<b>Service and Service Component Withdrawals during Minimum Payment Period</b>	
<b>Prior Notice Required from AT&amp;T to Withdraw and Terminate a Service</b>	12 months
<b>Prior Notice Required from AT&amp;T to Withdraw and Terminate a Service Component</b>	120 days
<b>Applicable Services/Service Components</b>	All Analog Private Line Service and/or DS1 Service and/or DS3 Service and/or ISDN PRI and/or Network Reconfiguration Service (NRS) and/or Disaster Routing Service ("DRS") and/or Business Access Lines

This Pricing Schedule is part of the Agreement between AT&T and Customer referenced above.

The undersigned, on behalf of Customer, acknowledges that Customer has received and understands the advisories concerning (i) the circumstances under which, and (ii) the non-US countries in which, emergency calling (including **but not limited to E911 service or its equivalent in other countries**) is not or may not be available, as stated and identified in the AT&T Business Voice over IP Services Service Guide found in the SG Library at <http://serviceguidenew.att.com>. Such circumstances include, but are not limited to, relocation of the User's CPE, use of a non-native or virtual telephone number, failure in the broadband connection, loss of electrical power, and delays that may occur in updating the Customer's location in the automatic location information database. For additional Most of World advisories, see section "Additional Terms," sub-heading "Emergency Calling Most of World".

**4. MINIMUM PAYMENT PERIOD**

Service Components	Percent of Monthly Service Fees Due Upon Termination Prior to Completion of Minimum Payment Period	Minimum Payment Period per Service Component
All Service Components	50%	Longer of 12 months or until the end of the Pricing Schedule Term

**5. ADDITIONAL TERMS AND CONDITIONS**

**5.1 Emergency Calling Most of World**

**Emergency Calling Most of World**

At or before Service activation at a Most of World Site with outbound BVoIP calling, Customer certifies it has and agrees to continuously keep individual business lines and other appropriate facilities with a local service provider or other provider capable of, and responsible for, providing Customer access to three-digit emergency dialing services, if AT&T does not provide emergency dialing service and for as long as AT&T provides outbound BVoIP service to that Site. Customer is responsible to ensure that all calls to these emergency dialing service numbers are routed over appropriate facilities to ensure completion provided by that local service provider, or other provider. Customer agrees to indemnify and defend AT&T from and against any and all third-party claims and related loss, liability, damage and expense, arising from Customer's failure to perform Customer's obligations outlined in this Section. AT&T's provisioning of outbound BVoIP service is conditioned upon Customer's full compliance with these obligations, and failure to do so is a material breach of this Agreement.

**AT&T IP FLEXIBLE REACH  
 PRICING SCHEDULE**

**5.2 White Pages, Yellow Pages, Directory Assistance**

White Pages, Yellow Pages and Directory Assistance database listings are subject to (1) rules, regulations, guidelines and requirements of Business Directory Publishers and Directory Assistance providers, including but not limited to AT&T Affiliates, relating to the information which may, may not or must be included in listings, and (2) federal, state and local laws, ordinances and regulations, including those relating to deceptive practices and deceptive advertising. Customer (not AT&T) is solely responsible for complying with (1) and (2). If Customer supplies information to AT&T that, according to the Business Directory Publisher or Directory Assistance provider or otherwise, violates (1) or does or may violate (2), Customer understands that its listing information may, without advance notice, be rejected or removed from White Pages, Yellow Pages and Directory Assistance databases, and Customer will indemnify and hold AT&T and its Affiliates harmless from any and all losses, liability, damages, fines, claims, costs or expenses (including attorneys' fees) of any kind, suffered by AT&T, by any AT&T Affiliate, by Customer or by any third party as a result of Customer's breach of its obligation.

**5.3 Broadband Connectivity**

This Pricing Schedule does not include transport necessary for the provision of AT&T Flexible Reach Service, Over Any Transport. Customer must obtain broadband connectivity separately under an AT&T or third-party contract.

**6. RATES**

Discounts are applied to the applicable Service Publication rates.

**7. DISCOUNTS**

**2. PRICING SCHEDULE TERM, EFFECTIVE DATES**

<b>Pricing Schedule Term</b>	72 months
<b>Pricing Schedule Term Extension Option</b>	Customer may extend the Pricing Schedule Term for one or two 24 month periods (each, an "Extension Period") upon written notice to AT&T at least forty-five (45) days prior to the expiration of the original Pricing Schedule Term (or of the first Extension Period, if applicable).
<b>Pricing Schedule Term Start Date</b>	Effective Date of the Pricing Schedule or the date on which Service is available for Customer use, whichever is later.
<b>Effective Date of Rates and Discounts</b>	Pricing Schedule Term Start Date
<b>Rates following the end of Pricing Schedule Term</b>	At the end of the Pricing Schedule Term, AT&T shall continue to provide the Services to Customer on a month-to-month basis and the rates set forth herein shall increase \$10.00 per station unless Customer negotiates a new Pricing Schedule Term.

**3. MINIMUM PAYMENT PERIOD**

Service Components	Percentage of Monthly Recurring Rate Applied for Calculation of Early Termination Charges	Minimum Payment Period
All Service components	0%	Until the end of the Pricing Schedule Term

**AT&T ILEC PLEXAR® SERVICE - CUSTOM SERVICE SW-4325b  
Pricing Schedule  
Provided Pursuant to Custom Terms**

**4. SERVICE AND SERVICE COMPONENT WITHDRAWAL**

<b>Service and Service Component Withdrawals during Pricing Schedule Term</b>	
<b>Prior Notice Required from AT&amp;T to Withdraw and Terminate a Service</b>	12 months
<b>Prior Notice Required from AT&amp;T to Withdraw and Terminate a Service Component</b>	120 days
<b>Applicable Services/Service Components</b>	All Services/Service Components available under this Pricing Schedule
<p>The Applicable Services/Service Components identified above ("Affected Services") are expected to evolve into or be replaced by more technologically advanced services over time as part of AT&amp;T's network modernization initiatives. As the footprint and availability of new or more advanced versions of such services ("Successor Services") expands, AT&amp;T may replace any existing Affected Services or fulfill any new order for such services purchased under this Pricing Schedule with a Successor Service, subject to the materially adverse change provision of the Master Agreement.</p>	

**5. ADDITIONAL TERMS AND CONDITIONS**

**5.1** This Pricing Schedule shall be subject to all applicable Federal, State, and Local laws, ordinances, and regulations. If Federal or State law prohibits Customer from executing any agreement that extends beyond Customer's fiscal year, then the term of the Pricing Schedule shall be deemed to be through Customer's fiscal year, and automatically renewable at the beginning of each fiscal year throughout the Term. If, after the first fiscal year of Service under this Pricing Schedule, funds are not appropriated to continue paying for a particular Service in a subsequent fiscal year, then Customer may terminate that particular Service effective the last day for which funds were duly appropriated ("Date of Termination"), without being subject to termination charges; provided, however, that (i) Customer shall be obligated to pay all charges incurred through the Date of Termination, plus any unpaid, non-recurring charges that may be owed AT&T on the Date of Termination; (ii) Customer shall use its best efforts to obtain funding for that particular Service; (iii) Customer agrees not to obtain substantially similar service and/or equipment to replace those provided under this Pricing Schedule for a period equal to the remainder of the Term as of the Date of Termination; and (iv) Customer may exercise such right to terminate upon delivery to AT&T of a 30-day written notice setting forth the reason for termination and, within 30 days following the delivery of such written notice, Customer shall provide AT&T a legal opinion of Customer's counsel certifying that no funds have been appropriated or otherwise made available for payments due under the Pricing Schedule and that funds have not been made available for the acquisition of substantially similarly service and/or equipment to replace those provided under this Pricing Schedule. In Oklahoma, this Pricing Schedule is subject to the provisions of the Oklahoma Constitution pertaining to public indebtedness, and Title 15 O.S. §§213, 214, and 215; and, the rates and charges, terms, and conditions of this Pricing Schedule, including form SW-4325C, are subject to the review and/or approval by the regulatory authorities of the state of Oklahoma.

**5.2** To the extent this Pricing Schedule relates to Services provided in Texas, Customer acknowledges the possibility of purchasing the Services provided hereunder from other providers.

**5.3** The prices stated in this Pricing Schedule do not include other applicable charges or taxes, including, but not limited to, Exchange Access, End User Common Line, E-911, and Dual Party Relay services. The price for any Service Component or any AT&T service not identified in this Pricing Schedule shall be set out in the Applicable Service Publication.

**5.4** Early Termination: If Customer migrates an AT&T ILEC Plexar® Custom Service SW-4325b or Service Component (the "Terminated ILEC Service") to a qualifying AT&T Business Voice over IP (BVoIP) Service (the "Replacement Service"), then AT&T will waive the Early Termination Fee directly resulting from terminating the Terminated ILEC Service if:

**AT&T And Customer Confidential Information**

**AT&T ILEC PLEXAR® SERVICE - CUSTOM SERVICE SW-4325b  
Pricing Schedule  
Provided Pursuant to Custom Terms**

- 5.4.1 the Terminated ILEC Service has been installed at the Customer site for no fewer than 12 months;
- 5.4.2 the Pricing Schedule Term for the Replacement Service is equal to or greater than the Pricing Schedule Term for the Terminated ILEC Service;
- 5.4.3 the Replacement Service is installed at the same Customer sites as the Terminated ILEC Service; and
- 5.4.4 activation of the Replacement Service at the Customer site occurs within 90 days of termination of the Terminated ILEC Service at that Customer site.

**6 RATES, CHARGES AND QUANTITY**

## City of San Antonio Subcontractor/Supplier Utilization Commitment Form

Solicitation Name: *AC09 Telecommunication, Network Connectivity and Other Telecom Services*

Respondent Name: *AT&T*

**Please acknowledge the statements below by initialing the box:**

*mjs*

In responding to this solicitation, I hereby affirm my firm's commitment to meet the subcontracting requirement(s) indicated in the solicitation.

*mjs*

I understand a Small Business Enterprise (SBE) subcontracting goal of **ten percent (10%)** applies to this solicitation.

*mjs*

I understand that to be SBEDA eligible, a Subcontractor must be certified as a Small Business Enterprise (SBE) through the South Central Texas Regional Certification Agency ([www.SCTRCA.org](http://www.SCTRCA.org)) **AND** they must be headquartered or have a significant business presence in the San Antonio Metropolitan Statistical Area.

*mjs*

I understand that absent a Subcontracting Goal-Waiver approved by the Small Business Office, failure to include a completed, signed copy of this Commitment Form to satisfy the subcontracting goal(s) for this solicitation will render this response **NON-RESPONSIVE**.

*mjs*

I understand and affirm that absent a waiver approved by the Small Business Office, I will be required to submit a Change to Utilization Plan every six months detailing the payments made to SBEDA eligible subcontractor(s).

*mjs*

I understand in the absence of a waiver granted by the SBO, the failure of firm to attain these subcontracting goals for S/M/WBE firm participation in the performance of a Commercially Useful Function under the terms of its contract shall be a material breach and subject to penalties and/or sanctions available under the terms of this Agreement for violations of the SBEDA Ordinance, or under any other law.
